The Imperative Of Preaching A Theology Of Sacred Rhetoric:

The Imperative of Preaching: A Theology of Sacred Rhetoric John Carrick,2016-02-01 Believing that preaching remains of vital importance today John Carrick argues that its effectiveness can be greatly enhanced if preachers make use of the patterns of communication laid down by God in Scripture for their instruction He sees in the Bible a sacred rhetoric which the apostles and prophets and Christ himself used to awaken move and persuade their hearers While depending on the power of the Spirit the preacher should not neglect any help which Scripture affords Sacred rhetoric is based essentially on statements and commands called in grammar the indicative and the imperative which together with exclamations and questions are of immense significance in the preaching of the Word *Rhetoric of the Protestant Sermon in America* Jonathan J. Edwards,Eric C. Miller,2020-01-20 In *Rhetoric of the Protestant Sermon in America* Pulpit Discourse at the Turn of the Millennium ten scholars analyze notable sermons from the fifty year span between 1965 and 2015 during which the Protestant sermon has undergone significant change in the United States Contributors examine how this turbulent time period witnessed a variety of important shifts in the arguments evidences and rhetorical strategies employed by contemporary preachers Because religious practice is inextricably tangled in the culture politics and economy of its historical situation the public expression of a faith is certain to move with the times In their treatment of race sex gender class and citizenship sermons apply ancient texts to current events and controversies often to revealing effect This collection thoughtfully edited by Eric C Miller and Jonathan J Edwards demonstrates how the genre of the Protestant sermon has evolved or resisted evolution across the years Scholars of religion rhetoric communication sociology and cultural studies will find this book particularly useful *Redemptive-Historical Hermeneutics and Homiletics* Yung Hoon Hyun,2015-04-14 This book focuses on redemptive historical hermeneutics and homiletics within New Testament theology This is a valuable legacy of the Reformed tradition despite differences in interpreting and preaching Bible texts that surfaced in Holland 1920s and 1930s and the United States 1970s onwards before influencing Korean Reformed churches The background origin distinctiveness and development of these theological debates is explored and evaluated before the features of redemptive history in Korea are identified The influence of Western redemptive historical scholars on the Korean debate are also analyzed Here is a major and contemporary contribution to reformed historical hermeneutics and homiletics that is relevant for Korean Reformed churches but also for all Reformed churches worldwide *A Philosophy of Pastoral Preaching* David A. Christensen,2023-05-26 I am a pastor I preach Doesn t that make me a pastoral preacher Not necessarily Many preach missional rather than pastoral sermons designed to appeal to the unchurched not the church The popularity of regional churches and the global reach of the internet allow preachers to focus their sermons on people they do not know and market a message to an audience they never see Evangelical leaders produce many resources on attractional preaching but who is developing a vision for pastoral preaching David Christensen draws on years of experience to develop a philosophy of

pastoral preaching He writes Social media changes the way we preach More and more pastors are preaching clickbait sermons These are sermons designed to get clicks or attract interest rather than teach truth We want catchy titles and clever analogies that will grab people s attention because the digital world is built on attention whatever will get likes or drive outrage However pastoral preaching builds community It is rooted in local soil to the people we know in the place we live We need a philosophy of preaching that shepherds a community of disciples who worship together in one place **Comfort and Holiness from Christ's Priestly Work** William Bridge,2019-11-14 What comfort can we have in Christ Himself but as He is clothed in His priestly garments in His office of High Priest Nothing is more vital to a believer s comfort and sanctification than understanding the scope of the Lord s priestly office Conversely some struggle with sin doubt temptation discouragement or an accusing conscience because they fail to grasp the significance of Christ s priesthood In *Comfort and Holiness from Christ s Priestly Work* William Bridge reminds us that Christ s office as a priest is the great storehouse and supply of all the grace and comfort that we have on this side of heaven Read this edifying book and see how Jesus fourfold labor of satisfaction intercession offering gifts and blessing His people works to sooth your weary soul and grow you in godliness Table of Contents 1 Christ s Priestly Work 2 Making Satisfaction 3 Making Intercession 4 Offering Gifts 5 Blessing the People 6 Conclusion Series Description Interest in the Puritans continues to grow but many people find the reading these giants of the faith a bit unnerving This series seeks to overcome that barrier by presenting Puritan books that are convenient in size and unintimidating in length Each book is carefully edited with modern readers in mind smoothing out difficult language of a bygone era while retaining the meaning of the original authors Books for the series are thoughtfully selected to provide some of the best counsel on important subjects that people continue to wrestle with today **An Infinite Treasury** Brian G. Hedges,2024-06-07 After a brief biography Brian Hedges presents encouraging excerpts from Puritan author William Bridge **Men of One Book** Ian J Maddock,2012-08-30 The proposal of this book is to guide the reader to the contrastive ministries of the two most dominant preachers of the eighteen century evangelical revival In a wonderful comparative approach the author draws John Wesley and George Whitefield s portraits and explores their life and practice as well as their relationship Committed to the principle that the whole world was their parish Wesley and Whitefield manifested their singular desire to be men of one book through preaching ministries that were equally committed to the spread of the gospel throughout the transatlantic world *Cultural Contextualization of Apologetics* Matt W. Lee,2022-03-03 In the post Christian world we find sincere efforts in traditional Christian apologetics repeatedly running into invisible walls These blocks happen when cultural issues are neglected With mere rational arguments presented as a defense of Christianity logical answers alone are not attracting the nonbelievers nor resolving their skepticism People today have different obstacles in coming to the Christian faith particularly their own cultural presuppositions How do we present defend and commend Christianity to people whose culture gives them a frame of mind the one that cares very little about how rational the

arguments are Cultural Contextualization of Apologetics explores the world of the New Testament and the ministry of the apostle Paul to excavate a fresh model for apologetics with cultural engagement to present an answer Matt W Lee analyzes the dynamics involved in Paul s cultural connection with his audience and how it relates to their receptivity uncovering a scheme of apologetics engagement patterned in his apologetics speeches From the background of Paul s world to the forefront of contemporary apologetics preaching Cultural Contextualization of Apologetics offers a vision of apologetics communication that is both biblical and practical **That Which They Can't See** David Van Brugge,2025-01-20 In this retrieval study David Van Brugge addresses how the current understanding of a homiletical use of imagination for expository preaching might be strengthened The current need for strengthening becomes apparent when the various understandings of imagination and their implications for practical theology are realized This is compounded as trends in homiletics seem to minimize the imagination or embrace it in modern or postmodern ways The original contribution of this study is recognizing that the homiletical use of imagination can be strengthened by retrieving the Puritan baroque characteristics of Jonathan Edwards imagination as evidenced in his sermons to the Stockbridge Indians of 1751 1758 Edwards drew on a rich background to display an imagination that synthesized thoughts and ideas thought beyond the senses and that by the grace of God transformed thought and practice Through that creative thought Edwards maintained Biblical exposition and appeal to the affections Van Brugge further develops and evaluates the idea of Puritan baroque characteristics concluding that it is a helpful characterization of Edwards Stockbridge Indian sermons In these sermons Edwards imaginatively used imagery light space movement and glorification for the ultimate goal of directing the affections of his audience towards God Such a use of imagination for affective purpose becomes a key for the strengthening of a homiletical use of imagination today

Religious Involvement in Hearing Sermons Theo Pleizier,2010 *Systematic Theology* Robert Letham,2019-11-19 This comprehensive systematic theology by respected theologian Robert Letham covers the whole field of Reformed Christian doctrine from biblical historical and theological angles Letham begins with God s ultimate selfrevelation as the Father the Son and the Holy Spirit in indivisible union continuing on with the works of God in creation providence and grace He draws deeply from Scripture and important voices from the church to provide a clear and concise articulation of the Reformed faith He also addresses current issues such as feminism charismatic gifts sexual ethics environmentalism other religions the nature of truth and civil liberties Each chapter is followed by discussion questions with a glossary of terms included at the end This work grounds theological understanding and practice in the life and ministry of the church accessible to pastors students scholars and anyone who desires to understand believe and live scriptural doctrine more fully *Heart to Heart* Tanner G. Turley,2014-03-12 Over the course of nearly forty five years of pastoral ministry Octavius Winslow 1808 1878 effectively demonstrated the practice of applying doctrine to life through his experimental preaching In Heart to Heart Octavius Winslow s Experimental Preaching Tanner G Turley surveys Winslow s life and ministry and demonstrates how a

strong theology of preaching provided the foundation for his preaching methodology Turley highlights the doctrinal precision and Christological focus of Winslow s preaching revealing an aim at holistic change in hearers through the use of application discrimination inquiry illustration exhortation and persuasion By introducing us to this influential preacher of the past this study shows the significance of Winslow s homiletic for the church of today

Introduction to Homiletics Franklin Hutabarat,2021-05-18 This book introduces what Homiletics is all about It explores the steps of making sermons personal preparation styles of preaching etc This is good for University students who are preparing their way to becoming pastors in God s vineyard

Reverberating Word Michael Denham,2018-06-12 Like sounds of beautiful music worship can renew us for God s glory and our good by the invigorating power of God s reverberating Word It is God s story that redeems all our stories We want to tell it again and again as best we can clearly conveying its message meaning richness claim and call Through its every facet and component worship that is biblically expositional can heighten how we proclaim God s story faithfully and creatively pointing to the One who alone offers us true identity security and destiny If you seek me you will find me if you search with all your heart declares the Lord With the ancient prophets and apostles we must repeat and repeat and repeat the most wonderful truth that God wants to be found In Christian worship such tremendous and tender encounter is available to us as nowhere else

Christ-Centered Preaching Bryan Chapell,2005-03-01 This complete guide to expository preaching teaches the basics of preparation organization and delivery the trademarks of great preaching With the help of charts and creative learning exercises Chapell shows how expository preaching can reveal the redemptive aims of Scripture and offers a comprehensive approach to the theory and practice of preaching He also provides help for special preaching situations The second edition contains updates and clarifications allowing this classic to continue to serve the needs of budding preachers Numerous appendixes address many practical issues

Preaching the Whole Counsel of God Julius Kim,2015-11-17 Preaching the Whole Counsel of God is a primary textbook on the art and science of preaching for pastors and pastors in training that teaches you how to practice expository Christ focused hermeneutics combined with Gospel centered audience transforming homiletics It will guide you to Discover the truth of the text according to the human author Discern Christ in the text according to the divine author Design your sermon with truth goodness and beauty Deliver your sermon in a way that keeps attention retention and leads to transformation

Preaching Jason C. Meyer,2013-10-31 The sermon is under attack Many churches are increasingly forsaking formal preaching in favor of substitutes like dialogue discussion and sharing In response to this recent trend Jason Meyer has written a robust biblical and practical theology of preaching where he explores how the concept of preaching develops throughout the Bible and how it impacts one s understanding of other key doctrines In addition to

offering readers a comprehensive overview of the Bible's teaching the book sets forth clear accessible answers to commonly raised questions about preaching what is it how is it done and why is it so important Combining in depth study of God's word with practical reflection on the place of preaching in the ministry of the church Meyer challenges readers to reexamine the importance of preaching for the Christian life

Revival Preaching Ernest Eugene Klassen, 2021-09-03 As part of his passion to bring glory to God Ernie Klassen is particularly interested in the revival of God's people and the awakening of the lost He believes strongly that God honoring Christ exalting and Spirit empowered preaching plays a critical role in revival and awakening No one models this dynamic better than Jonathan Edwards He was a pastor who was a protagonist of the First Great Awakening He thought deeply and critically about religious movements and his reflections and sermons provide valuable fodder for reflection **Revival Preaching** extracts the most important lessons of Edwards's writings and sermons for preaching in today's world

Reformed Evangelicalism and the Search for a Usable Past Ian Hugh Clary, 2020-09-07 The question of how theology shapes a Christian historian's reading of the past has been debated thoroughly in various academic periodicals Should historians recognise the role of providence in their accounts of past events Should they sympathise with their subject's theology Can objectivity be lost due to theological bias And last but not least is there a compromise of faith if one writes natural instead of supernatural history Such questions are important for understanding the historian's profession Arnold Dallimore who trained and specialised in pastoral ministry in Canada wrote an influential biography of the revivalist George Whitefield as well as others on Charles and Susanna Wesley Edward Irving and Charles Spurgeon How did his Reformed theological perspective impact his historiography How does his work fit into larger historiographical debates concerning the nature of Christian history While other books look at Christian historiography using abstract and methodological approaches this book examines the subject precisely by looking at the life and work of an individual historian It does so by placing Dallimore in the context of being a minister in twentieth century Canada as well as his role in the development of Reformed Theology in the Anglosphere It also examines the quality of his various biographies focusing on key issues such as the nature of religious revival the problem of Christianity and slavery and the question of charismatic religious experience His study concludes by examining the relationship between the discipline and profession of church history and asking what is required for one to be considered a church historian

Sacred Rhetoric Michael Pasquarello III, 2012-06-01 Modern approaches to preaching today are largely fixated on how to's how to make preaching more relevant more interesting more entertaining Michael Pasquarello suggests that this fixation may stem from a preaching imagination more beholden to technical scientific reason than theological wisdom Rather than devising new techniques or strategies for effective speaking Pasquarello offers something more salutary portraits of ten exemplary preachers from the Christian tradition Included in Pasquarello's gallery are Augustine of Hippo Gregory the Great Benedict Bernard of Clairvaux Bonaventure Thomas Aquinas Erasmus Hugh Latimer Martin Luther and John Calvin These excellent preachers conceived of

Christian speech as a unique theological practice learned through prayerful attention to the Bible and aimed at communion with God Sacred Rhetoric invites readers to join an extended conversation with the past in order to become faithful preachers of the gospel in a post Christian society Preachers seminarians and students of Christian history will find much to learn from Pasquarello s fresh perspective and passion for the past
