The Imperial Presidency

Richard J. Ellis

The Imperial Presidency:

The Imperial Presidency Arthur Meier Schlesinger, 2004 Publisher Description The New Imperial Presidency Andrew Rudalevige, 2008-12-15 Has the imperial presidency returned Well written and while indispensable for college courses should appeal beyond academic audiences to anyone interested in how well we govern ourselves I cannot help regarding it as a grand sequel for my own The Imperial Presidency Arthur Schlesinger Jr Has the imperial presidency returned This question has been on the minds of many contemporary political observers as recent American administrations have aimed to consolidate power In The New Imperial Presidency Andrew Rudalevige suggests that the congressional framework meant to advise and constrain presidential conduct since Watergate has slowly eroded Rudalevige describes the evolution of executive power in our separated system of governance He discusses the abuse of power that prompted what he calls the resurgence regime against the imperial presidency and inquires as to how and why over the three decades that followed Watergate presidents have regained their standing Chief executives have always sought to interpret constitutional powers broadly The ambitious president can choose from an array of strategies for pushing against congressional authority finding scant resistance he will attempt to expand executive control Rudalevige's important and timely work reminds us that the freedoms secured by our system of checks and balances do not proceed automatically but depend on the exertions of public servants and the citizens they serve His story confirms the importance of the living Constitution a tradition of historical experiences overlaying the text of the Constitution itself *The Imperial Presidency* Arthur Meier Jr Schlesinger, 2004-08-01 **The Imperial Presidency** Arthur Meier Schlesinger, 1973 From two time Pulitzer Prize winning historian Arthur M Schlesinger Jr comes one of the most important and influential investigations of the American presidency The Imperial Presidency traces the growth of presidential power over two centuries from George Washington to George W Bush examining how it has both served and harmed the Constitution and what Americans can do about it in years to come The book that gave the phrase imperial presidency to the language this is a work of substantial scholarship written with lucidity charm and wit The New Yorker **The Imperial Presidency and the Constitution** Gary Schmitt, Joseph M. Bessette, Andrew E. Busch, 2017-02-06 Time and again in recent years the charge has been made that sitting presidents have behaved imperially employing authorities that break the bounds of law and the Constitution It is now an epithet used to describe presidencies of both parties The Imperial Presidency and the Constitution examines this critical issue from a variety of perspectives analyzing the president's role in the administrative state as commander in chief as occupant of the modern Bully Pulpit and in separate essays addressing recent presidents' relationship with Congress and the Supreme Court The volume also deepens the discussion by taking a look back at Abraham Lincoln's expansive use of executive power during the Civil War where the tension between law and necessity were at their most extreme calling into question the rule of law itself The volume concludes with an examination of how the Constitution's provision of both powers and duties for the president can provide a

roadmap for assessing the propriety of executive behavior

The Imperial Presidency and American Politics Benjamin Ginsberg, 2021-07-27 Those who saw Donald Trump as a novel threat looming over American democracy and now think the danger has passed may not have been paying much attention to the political developments of the past several decades Trump was merely the most recent and will surely not be the last in a long line of presidents who expanded the powers of the office and did not hesitate to act unilaterally when so doing served their purposes Unfortunately Trump is also unlikely to be the last president prepared to do away with his enemies in the Congress and transform the imperial presidency from a theory to a reality Though presidents are elected more or less democratically the presidency is not and was never intended to be a democratic institution The framers thought that America would be governed by its representative assembly the Congress of the United States Presidential power like a dangerous pharmaceutical might have been labelled to be used only when needed Today Congress sporadically engages in law making but the president actually governs Congress has become more an inquisitorial than a legislative body Presidents rule through edicts while their opponents in the Congress counter with the threat of impeachment an action that amounts to a political albeit nonviolent coup The courts sputter and fume but generally back the president This is the new separation of powers the president exercises power and the other branches are separated from it Where will this end Regardless of who occupies the Oval Office the imperial presidency is inexorably bringing down the curtain on American representative democracy

The Myth of the Imperial Presidency Dino P. Christenson, Douglas L. Kriner, 2020-07-13 Throughout American history presidents have shown a startling power to act independently of Congress and the courts On their own initiative presidents have taken the country to war abolished slavery shielded undocumented immigrants from deportation declared a national emergency at the border and more leading many to decry the rise of an imperial presidency But given the steep barriers that usually prevent Congress and the courts from formally checking unilateral power what stops presidents from going it alone even more aggressively The answer Dino P Christenson and Douglas L Kriner argue lies in the power of public opinion With robust empirical data and compelling case studies the authors reveal the extent to which domestic public opinion limits executive might Presidents are emboldened to pursue their own agendas when they enjoy strong public support and constrained when they don't since unilateral action risks inciting political pushback jeopardizing future initiatives and further eroding their political capital Although few Americans instinctively recoil against unilateralism Congress and the courts can sway the public's view via their criticism of unilateral policies Thus other branches can still check the executive branch through political means As long as presidents are concerned with public opinion Christenson and Kriner contend that fears of an imperial presidency are overblown

The Imperial Presidency Arthur M. Schlesinger, 2004-08-12 A brilliant examination of the growth of presidential power from George Washington to George W Bush by a Pulitzer Prize winning historian Newsweek Over the course of two centuries the power of the president of the United States has grown exponentially From George Washington to Abraham Lincoln John F

Kennedy and Richard Nixon to George W Bush presidential power has both served and harmed the US Constitution But is the current role of the POTUS what the Founding Fathers intended a strong leader with an equally strong system of accountability In *The Imperial Presidency* Arthur M Schlesinger Jr explores the growth of the executive branch s power and influence on the US government Hailed by the *Christian Science Monitor* as brilliant and provocative this is a book that explores the history of what happened when the constitutional balance was upset in favor of presidential power and questions how Americans should allow that balance to shape the future

War Powers Peter Irons, 2006-05-02 This book examines a fundamental question in the development of the American empire What constraints does the Constitution place on our territorial expansion military intervention occupation of foreign countries and on the power the president may exercise over American foreign policy Worried about the dangers of unchecked executive power the Founding Fathers deliberately assigned Congress the sole authority to make war But the last time Congress declared war was on December 8 1941 after the Japanese attack on Pearl Harbor Since then every president from Harry Truman to George W Bush has used military force in pursuit of imperial objectives while Congress and the Supreme Court have virtually abdicated their responsibilities to check presidential power Legal historian Irons recounts this story of subversion from above tracing presidents increasing willingness to ignore congressional authority and even suspend civil liberties From publisher description

Reining in the Imperial Presidency John C. Conyers, 2009-07 Proof in black and white that George W Bush and his administration abused our constitutional

Building a House of Peace Katherine Elizabeth Ellison, 2013 This project offers a fundamental rethinking of the origins of the imperial presidency taking an interdisciplinary approach as perceived through the interactions of the executive legislative and judiciary branches of government during the 1930s 1940s and 1950s In light of the end of the Cold War and twenty first century recurrence of the imperial presidency after the September 11 2001 attacks the original thesis proposed by historian Arthur M Schlesinger Jr in *The Imperial Presidency* and other works based on the periodization of the Cold War is in need of updating By utilizing legal theories political science models and historical analysis this project creates a more complete concept of how governmental players and bodies interacted in the post World War II United States creating an environment conducive to the construction of an imperial presidency in the future and decentering the executive overall A combination of legal realism rhetorical analysis the two presidencies theory rally effect concepts and political models such as the attitudinal model cue theory and distributive politics take this project beyond a simple historical study by focusing on the background mindset and behavior of political actors involved not just their documents Tying all of this together I argue is the concept of continuous warfare a liminal zone of political malleability between traditional peace and traditional war which governmental actors utilize for their purposes prerogatives and agendas Stretching beyond the Cold War and into the present day the ambiguous nature of continuous warfare systematically persuaded Congress and the Supreme Court of the United States to give up their governmental checks on the Commander in

Chief during the forties and fifties This perpetual imbalance of power creates a sturdy structure that might house an imperial president Additionally the American people manipulated by governmental actors within the allowances of continuous warfare came to accept this liminal zone as a new version of peace in the United States creating the illusion of safety and security a house of peace The American public s willingness to accept continuous warfare under the pretense of peace reinforced the structural imbalance of power that continues to house a strong executive

Testing the Limits Mark J. Rozell, Gleaves Whitney, 2009 This collaboration of distinguished presidential scholars offers one of the first book length post presidency analyses of President George W Bush and his policies Mark J Rozell and Gleaves Whitney have assembled a varied list of contributors from both ends of the political spectrum bringing together academics and professionals to provide a glimpse into the politics and policies that defined President George W Bush s presidency Testing the Limits discusses all aspects of the Bush policy and administration from staff appointments to foreign and domestic policy to budgetary politics Readers will gain an important perspective on the controversial forty third president of the United States as contributors analyze the expansion of presidential powers during Bush s presidency the increased influence of the vice president the politicization of federal court appointments and the development of executive privilege and presidential secrecy Book jacket [The Imperial Presidency](#)

[By] Arthur M. Schlesinger, Jr Arthur Meier Schlesinger (Jr.), 1973 [The Personal President](#) Theodore J. Lowi, 1985 Looks at how the office of the presidency has changed argues that the president has become too central to national politics and suggests ways to restore the constitutional balance *The Imperial Presidency* Jack Lawrence Wilson, 2011 In 1973 historian Arthur Schlesinger coined the term Imperial Presidency to describe a presidency that had assumed more power than the Constitution allows and had circumvented the traditional checks and balances of our constitutional system Until recently the Nixon Administration seemed to represent the singular embodiment of that idea But today examining the George W Bush presidency there can be little doubt concerning the persistence of Mr Schlesinger s notion The Bush Administration s approach to power is at its core little more than a restatement of Mr Nixon s famous rationalisation of presidential misdeeds When the president does it that means it s not illegal This book examines the lessons and recommendations relating to the Presidency of George W Bush **The American Presidency** Irwin L.

Morris, 2010-08-15 Presidential scholars increasingly turn to science to address the fundamental issues in the field but undergraduates are rarely taught the skills to do the same The American Presidency introduces students to new insights produced by the scientific study of the presidency and the scientific endeavor itself After chapters on the scientific study of the presidency and background information on the presidency the text discusses prominent theories of presidential power Chapters on presidential elections the president s relationship with other political actors such as Congress and the Supreme Court the president s role in foreign and economic policy and presidential greatness include guided research exercises that provide students with the opportunity to apply the scientific method to empirical questions with significant theoretical

content The American Presidency provides students with the opportunity to learn about the presidency and enables them to draw their own reasoned conclusions about the nature of presidential power

Nurturing the Imperial Presidency Brien Hallett, 2020-09-25 Wishing to be helpful Nurturing the Imperial Presidency by Brien Hallett illuminates the 5 000 year old invariant practice of executive war making Why has the nation s war leader always decided and declared war Substituting a speech act approach for the traditional separation of powers approach Hallett argues that he who controls the drafting of the declaration of war also controls the decision to go to war However recent legislation calling for legislated approvals or authorization to use force before the executive can go to war in no way hinder the executive s ancient prerogative power to decide and declare war Innovative ways to deny the executive its ability to decide and declare war are proposed in this book

Takeover Charlie Savage, 2014-05-10 This book lays bare a hidden agenda three decades in the making one that links warrantless wiretapping and Bush s judicial nominees torture and Cheney s energy task force the faith based initiative and the imprisonment of citizens without trial In 1789 the Founders devised a system of checks and balances to keep kingly powers out of the hands of presidents But in the 1970s and 80s a faction of Republicans outraged by the weakening of the presidency after Watergate and Vietnam abandoned the traditional conservative suspicion of concentrated government power These men hatched a plot that would allow the White House to wield enormous powers operating behind a veil of secrecy and unchecked by Congress or the courts Today s administration is bringing this project to fruition From publisher description

The Development of the American Presidency Richard J. Ellis, 2022-05-02 A full understanding of the institution of the American presidency requires us to examine how it developed from the founding to the present This developmental lens analyzing how historical turns have shaped the modern institution allows for a richer more nuanced understanding The Development of the American Presidency pays great attention to that historical weight but is organized by the topics and concepts relevant to political science with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage Richard J Ellis looks at how the presidency has evolved in relation to the public to Congress to the executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change Each chapter promotes active learning beginning with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts New to the Fourth Edition Explicit and expanded attention to the role of norms in shaping and constraining presidential power with special focus on Trump s norm breaking and Biden s efforts to shore up norms Enhanced focus on the prospects for institutional reform including in the electoral college presidential relations with Congress war powers and the selection of Supreme Court justices A full reckoning with the Trump presidency and its significance for the future of American democracy presidential rhetoric the unilateral executive and the administrative state Coverage of the first year of Biden s presidency including presidential rhetoric relations with Congress and the bureaucracy

use of the war powers and unilateral directives Comprehensive updating of debates about the removal power including the Supreme Court cases of *Seila Law v CFPB* and *Collins v Yellen* In depth exploration of the impact of partisan polarization on the legislative presidency and effective governance Analysis of the 2020 election and its aftermath Expanded discussion of impeachment to incorporate Trump s two impeachments Examination of presidential emergency powers with special attention to Trump s border wall declaration Review of Biden s and Trump s impact on the judiciary Assessment of Biden s and Trump s place in political time

Watergate Remembered M. Genovese, 2012-01-02 As the fortieth anniversary of the Nixon resignation approaches it is time to take a fresh look at Watergate s impact on the American political system and to consider its significance for the historical reputation of the president indelibly associated with it

Right here, we have countless books **The Imperial Presidency** and collections to check out. We additionally have the funds for variant types and afterward type of the books to browse. The up to standard book, fiction, history, novel, scientific research, as well as various extra sorts of books are readily reachable here.

The Imperial Presidency Introduction

The Imperial Presidency Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Imperial Presidency Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Imperial Presidency : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The Imperial Presidency : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The Imperial Presidency Offers a diverse range of free eBooks across various genres. The Imperial Presidency Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Imperial Presidency Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The Imperial Presidency, especially related to The Imperial Presidency, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Imperial Presidency, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The Imperial Presidency books or magazines might include. Look for these in online stores or libraries. Remember that while The Imperial Presidency, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The Imperial Presidency eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Imperial Presidency full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Imperial Presidency eBooks, including some popular titles.

FAQs About The Imperial Presidency Books

What is a The Imperial Presidency PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Imperial Presidency PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Imperial Presidency PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Imperial Presidency PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Imperial Presidency PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
