Crawford Gribben, 2009-02-02 For the past twenty years evangelical prophecy novels have been a powerful presence on American bestseller lists Emerging from a growing conservative culture industry the genre dramatizes events that many believers expect to occur at the end of the age the rapture of the saved the rise of the Antichrist and the fearful tribulation faced by those who are left behind Seeking the forces that drove the unexpected success of the Left Behind novels Crawford Gribben traces the gradual development of the prophecy fiction genre from its eclectic roots among early twentieth century fundamentalists The first rapture novels came onto the scene at the high water mark of Protestant America From there the genre would both witness the defeat of conservative Protestantism and participate in its eventual reconstruction and return providing for the renaissance of the evangelical imagination that would culminate in the Left Behind novels Yet as Gribben shows the rapture genre while vividly expressing some prototypically American themes also serves to greatly complicate the idea of American modernity assaulting some of its most cherished tenets Gribben concludes with a look at post Left Behind rapture fiction noting some works that were written specifically to counter the claims of the best selling series Along the way he gives attention not just to literary fictions but to rapture films and apocalyptic themes in Christian music *Writing the Rapture* is an indispensable guide to this flourishing yet little understood body of literature **Once Upon a Time in a**

2 **The Last Sacrifice** Helius Nero's most trusted adviser anticipates the death of his sworn enemy the legendary warrior Gallus Sergius Vitas scheduled to die a gruesome death in the arena. However the badly beaten man who appears in the amphitheater is not who he seems. Rescued by a stranger and given a mysterious scroll Vitas is told he must decipher this letter to find the answers he needs. A letter that Helius is also determined to decipher and to keep hidden from Nero. As Nero's reign of terror grows so does his circle of enemies.

3 **The Last Temple** Set in the turbulent years just before one of the most horrendous events in Jewish history **The Last Temple** concludes the trilogy of **The Last Disciple** and **The Last Sacrifice**. Vitas is reunited with his wife and retires to Alexandria determined to live a quiet domestic life. But he can't avoid the debts that he owes to the men who saved him and he becomes a key figure in the plot to rid the empire of Nero. It sweeps him into the year of four emperors when the Roman Empire is nearly destroyed and takes him back to Jerusalem as Titus lays siege to the great city. Only then as the prophecy of Jesus begins to unfold does Vitas discover the true mission set before him and the astounding conspiracy behind it.

The Last Disciple Hank Hanegraaff, Sigmund Brouwer, 2012-04-19 First century Rome is a perilous city as Nero stalks the political circles and huddled groups of believers. He struggles to lessen Nero's monstrosities against the people of Rome especially the Christians. But as three Greek letters are scrawled as graffiti throughout the city Nero's anger grows. As the early church begins to experience the turbulence Christ prophesied as the beginning of the last days an enemy seeks to find John's letter Revelation and destroy it. Meanwhile the early Christians must decipher it and cling to the hope it provides as they face the greatest of all persecutions.
