The Intentional Community Movement Building A New Moral World:

The Intentional Community Movement Marguerite Guzman Bouvard, 1975 America's Communal Utopias Donald E. Pitzer, 2010-01-20 From the Shakers to the Branch Davidians America's communal utopians have captured the popular imagination Seventeen original essays here demonstrate the relevance of such groups to the mainstream of American social religious and economic life The contributors examine the beliefs and practices of the most prominent utopian communities founded before 1965 including the long overlooked Catholic monastic communities and Jewish agricultural colonies Also featured are the Ephrata Baptists Moravians Shakers Harmonists Hutterites Inspirationists of Amana Mormons Owenites Fourierists Icarians Janssonists Theosophists Cyrus Teed s Koreshans and Father Divine s Peace Mission Based on a new conceptual framework known as developmental communalism the book examines these utopian movements throughout the course of their development before during and after their communal period Each chapter includes a brief chronology giving basic information about the group discussed An appendix presents the most complete list of American utopian communities ever published The contributors are Jonathan G Andelson Karl J R Arndt Pearl W Bartelt Priscilla J Brewer Donald F Durnbaugh Lawrence Foster Carl J Guarneri Robert V Hine Gertrude E Huntington James E Landing Dean L May Lawrence J McCrank J Gordon Melton Donald E Pitzer Robert P Sutton Jon Wagner and Robert S Weisbrot Foundations for Sociorhetorical Exploration Vernon K. Robbins, Robert H. von Thaden Jr., Bart B. Bruehler, 2016-09-02 Engaging resources for understanding the importance of bodies and spaces in producing and interpreting persuasive language This volume collects essays that represent intellectual milestones that are informing sociorhetorical interpretation during the twenty first century The essays are arranged into five parts 1 Topos 2 Cultural Geography and Critical Spatiality 3 Rhetorolects and Conceptual Blending 4 Rhetography and 5 Rhetorical Force Features Tools for integrating multiple approaches to biblical interpretation Resources that emphasize the importance of language that prompts mental pictures in effective rhetoric Essays from The Tapestry of Early Christian Discourse Vernon K. Robbins, 2002-11-01 classicists rhetoricians and biblical scholars This study establishes a concept of culture and then combines it with Geertz anthropological concept of thick description Subsequently the relation of texts to society and culture is discussed In this manner multiple methods of interpretation are used in an organized and programmatic way allowing the reader insights into the development of early Christianity In this study Vernon Robbins expounds and develops his system of socio rhetorical criticism bringing together social scientific and literary critical approaches to explore early Christanity This book investigates Christianity as a cultural phenomenon and treats its canonical texts as ideological constructs **The Job Market of the Future** James Cooke Brown, 2016-09-16 This book presents a bold new invention the Computerized Job Market CJM that could in the future come to replace the labor market as we and our forebears have known it since the industrial revolution James Cooke Brown who also invented the popular board game Careers first introduced CJM s in his science fiction book The Troika Incident The Job Market of the

Future is written in a non academic non technical style and is set in the not too distant future in a world that we will very likely see if the present course of unhindered reckless globalization continues The author presents the case for his CJM model how it will be constructed the built in safeguards for both individuals and society how it will operate for the end user and what the long and short term economic social and political benefits will be Ultimately this book is not about problems or policy issues it is about finding a permanent answer to the most important long term problem that faces everyone on Earth finding and keeping a quality job with a living wage Not Just Play Meryl Nadel, Susan Scher, 2019 Not Just Play offers the first comprehensive treatment of the relationship between the social work profession and the summer camp movement in many decades Incorporating historical research vignettes numerous quotations from social workers in the field and other unique contributions it shares a multifaceted examination of this field of practice **Routledge Library Editions: Sociology of Religion** Various, 2021-07-14 This set collects together in 19 volumes a wealth of texts on Sociology of Religion An invaluable reference resource it contains classic books on a wide range of topics including religion and violence religion and family life religion and society culture and class Prefiguring Utopia Suryamayi Aswini Clarence-Smith, 2023-09-21 Auroville in Tamil Nadu South India is an internationally recognized endeavour in prefiguring an alternative society the largest most diverse dynamic and enduring of intentional communities worldwide This book is a critical and insightful analysis of the utopian practice of this unique spiritual township by a native scholar The author explores how Auroville s founding spiritual and societal ideals are engaged in its communal political and economic organization as well as various cultural practices and what enables and sustains this prefiguratively utopian practice. This in depth autoethnographic case study is an important resource for understanding prefigurative and utopian experiments their challenges potentialities and significance for the advancement of human society **Empowering the People of God** Christopher D. Denny, Mary Beth Fraser Connolly, 2013-11-01 The early 1960s were a heady time for Catholic laypeople Pope Pius XII s assurance You do not belong to the Church You are the Church emboldened the laity to challenge Church authority in ways previously considered unthinkable Empowering the People of God offers a fresh look at the Catholic laity and its relationship with the hierarchy in the period immediately preceding the Second Vatican Council and in the turbulent era that followed This collection of essays explores a diverse assortment of manifestations of Catholic action ranging from genteel reform to radical activism and an A Disability of the Soul Karen Nakamura, 2013-06-13 This is a equally wide variety of locales apostolates and movements terrific book moving clear and compassionate It not only illustrates the way psychiatric illness is shaped by culture but also suggests that social environments can be used to improve the course and outcome of the illness Well worth reading T M Luhrmann author of Of Two Minds An Anthropologist looks at American Psychiatry Bethel House located in a small fishing village in northern Japan was founded in 1984 as an intentional community for people with schizophrenia and other psychiatric disorders Using a unique community approach to psychosocial recovery Bethel House focuses as much on social

integration as on the rapeutic work As a centerpiece of this approach Bethel House started its own businesses in order to create employment and socialization opportunities for its residents and to change public attitudes toward the mentally ill but also guite unintentionally provided a significant boost to the distressed local economy Through its work programs communal living and close relationship between hospital and town Bethel has been remarkably successful in carefully reintegrating its members into Japanese society It has become known as a model alternative to long term institutionalization In A Disability of the Soul Karen Nakamura explores how the members of this unique community struggle with their lives their illnesses and the meaning of community Told through engaging historical narrative insightful ethnographic vignettes and compelling life stories her account of Bethel House depicts its achievements and setbacks its promises and limitations A Disability of the Soul is a sensitive and multidimensional portrait of what it means to live with mental illness in contemporary Japan New Literary Criticism and the New Testament Elizabeth Struthers Malbon, Edgar V. McKnight, 1994-10-01 This publication presents the rich variety of critical methodologies in contemporary literary study of the New Testament The tradition of study represented in the essays lies at the conjunction of developments in biblical studies and literary criticism 1 the exhaustion of New Testament historical criticism in general and redaction criticism in particular 2 the waning of Formalist New Critical approaches in literary study and 3 the emphasis upon the text in terms of language and discourse as the free play of signifiers The essays deal with theory exegesis and their interdependence in this new literary context However contributions of earlier epochs in the history of literary criticism and New Testament study are integrated into current approaches For example the issue of reference originating in the mimetic theories of classical antiquity is raised implicitly and explicitly Implications of literary study for theology are suggested The relationship between redaction critical and literary approaches is examined Theoretical and exegetical essays growing out of feminist literary study are offered Orality allegory deconstruction ideology sociological criticism rhetorical criticism narrative criticism as well as other themes and methods are discussed in the essays treatment of writings of the New Testament A rich variety of critical methodologies in contemporary literary study of the New Testament Pirates, Prisoners, and Lepers Paul H. Robinson, Sarah M. Robinson, 2015-07-15 It has long been held that humans need government to impose social order on a chaotic dangerous world How then did early humans survive on the Serengeti Plain surrounded by faster stronger and bigger predators in a harsh and forbidding environment Pirates Prisoners and Lepers examines an array of natural experiments and accidents of human history to explore the fundamental nature of how human beings act when beyond the scope of the law Pirates of the 1700s the leper colony on Molokai Island prisoners of the Nazis hippie communes of the 1970s shipwreck and plane crash survivors and many more diverse groups they all existed in the absence of formal rules punishments and hierarchies Paul and Sarah Robinson draw on these real life stories to suggest that humans are predisposed to be cooperative within limits What these communities did and how they managed have dramatic implications for shaping our modern institutions Should today s

criminal justice system build on people's shared intuitions about justice Or are we better off acknowledging this aspect of human nature but using law to temper it Knowing the true nature of our human character and our innate ideas about justice offers a roadmap to a better society Sustainable Communities and Green Lifestyles Tendai Chitewere, 2017-08-09 Sustainable communities raise questions about the compatibility of capitalism and environmentalism and how we can green our way of life in a capitalist economy that values short term production and consumption over long term conservation and simple living If capitalism and its drive towards consumption has produced social and environmental degradation is it the best medium to identify solutions Sustainable Communities and Green Lifestyles examines one ecovillage as it attempts to create a sense of community while reducing its impact on the natural environment Through extensive participant observation the book demonstrates how ecovillages are immersed within a larger discourse of class race and lifestyle choices highlighting the inseparability of environmental sustainability and social justice Sustainable communities are confronted by the contradictions of green consumption and must address social inequality or risk focusing inward on personal green consumerism creating mere green havens for the few who can afford to live in them This book cautious of redirecting environmentalist efforts away from structural solutions and onto personal environmentalism offers a critical perspective on the challenges of an emerging green lifestyle This book offers a critical perspective on the direction of US environmentalism and contributes to debates in environmental studies anthropology and urban planning Social Science and the Cults John A. Saliba, 2019-03-20 This book first published in 1990 brings together descriptive comparative and theoretical materials on cults and sects in Western culture focusing on literature published since 1970 A historical section links the rise of the new movements to similar past phenomena in Western culture Other sections examine the methodology of studying religious movements and the various theories which have been brought to explain them current studies on traditional sects that are sometimes compared to the new religions and many studies of individual contemporary cults **Beyond the Box** Alexandra Rutherford, 2009-05-09 B F Skinner 1904 1990 is one of the most famous and influential figures in twentieth century psychology A best selling author inventor and social commentator Skinner was both a renowned scientist and a public intellectual known for his controversial theories of human behavior Beyond the Box is the first full length study of the ways in which Skinner's ideas left the laboratory to become part of the post war public's everyday lives and chronicles both the enthusiasm and caution with which this process was received Using selected case studies Alexandra Rutherford provides a fascinating account of Skinner and his acolytes attempts to weave their technology of human behavior into the politically turbulent fabric of 1950s 70s American life To detail their innovative methods Rutherford uses extensive archival materials and interviews to study the Skinnerians creation of human behavior laboratories management programs for juvenile delinquents psychiatric wards and prisons as well as their influence on the self help industry with popular books on how to quit smoking lose weight and be more assertive A remarkable look at a post war scientific and technological revolution

Beyond the Box is a rewarding study of how behavioral theories met real life problems and the ways in which Skinner and his followers continue to influence the present Fool's Gold? L. Sargisson, 2012-07-17 What s wrong with the world today and how might it become better or worse These are the questions pursued in this book which explores the hopes and fears dreams and nightmares of the 21st century Through architecture fiction theory film and experiments with everyday life Sargisson explores contemporary hopes and fears about the future Living in Utopia Lucy Sargisson, Lyman Tower Sargent, 2017-03-02 Utopia is literally the good place that is no place Utopias reveal people's dreams and desires and they may gesture towards different and better ways of being But they are rarely considered as physical observable phenomena In this book Sargisson and Sargent both established writers on utopian theory turn their attention to real life utopian communities The book is based on their fieldwork and extensive archival research in New Zealand a country with a special place in the history of utopianism A land of opportunity for settlers with dreams of a better life New Zealand has per capita more intentional communities groups of people who have chosen to live and sometimes work together for a common purpose than any country in the world Sargisson and Sargent draw on the experiences of more than fifty such communities to offer the first academic survey of this form of living utopian experiment In telling the story of the New Zealand experience Living in Utopia provides both transferable lessons in community cooperation and social change and a unique insight into the utopianism at the heart of politics society and everyday life **Inequality** Lisa A. Keister, Darby E. Southgate, 2022-01-06 Provides a comprehensive introduction to the study of inequality covering key topics such as race class and gender The Exploring the Texture of Texts Vernon K. Robbins, 1996-11-01 In this book Vernon K Robbins provides an Futurist ,1976 accessible introduction to socio rhetorical criticism illustrating the method by guiding the reader through the study of specific New Testament texts and stories An opening chapter outlines this new approach and its focus on values convictions and beliefs both in the text we read and in the world in which we live Then follow studies and exercises dealing with specific textural features inner texture intertexture social and cultural texture ideological texture and sacred texture
