Sipping Life Through A Straw:

Upright on Broken Limbs Barbara J. Weekley, 2013-05-24 This book addresses the other casualties of trauma and loss. It is a tool and guide designed to help the spouse and family members process the catastrophic event affecting their loved one. For Barbara, her husband's Traumatic Brain Injury left her emotionally paralyzed and physically drained until she devised a simple sense ability therapy which she could implement at any time of the day or night. Barbara demonstrates how her personal 911 experience evolved into a positive progression which piques the senses and strengthens the most forlorn spirit.

Communism. Selections from Marx, Engels, Kropotkin, Lenin, Stalin, Trotsky Karl Marx, Friedrich Engels, Peter Kropotkin, Vladimir Lenin, Joseph Stalin, Leon Trotsky, 2025-03-26 Communism is a left wing to far left sociopolitical philosophical and economic ideology within the socialist movement whose goal is the establishment of a communist society, a socioeconomic order centered around common ownership of the means of production, distribution, and exchange that allocates products to everyone in the society. Communist society also involves the absence of private property, social classes, money, and the state. Communists often seek a voluntary state of self-governance but disagree on the means to this end. This reflects a distinction between a more libertarian approach of communization, revolutionary spontaneity, and workers' self-management and a more vanguardist or Communist party-driven approach through the development of a constitutional socialist state followed by the withering away of the state. As one of the main ideologies on the political spectrum, communism is placed on the left wing alongside socialism, and communist parties and movements have been described as radical left or far left.

Contents: Karl Marx: Manifesto of the Communist Party, The Class Struggles in France, The Eighteenth Brumaire of Louis Bonaparte; Friedrich Engels: Socialism Utopian and Scientific; Peter Kropotkin: The Conquest of Bread, Mutual Aid: A Factor in Evolution; Vladimir Lenin: State and Revolution, What Is to Be Done, Imperialism: the Highest Stage of Capitalism; Joseph Stalin: The Foundations of Leninism, Anarchism or Socialism; Marxism and the National Question, Organization of a Russian Federal Republic, The October Revolution and the National Question, Dialectical and Historical Materialism; Marxism and Problems of Linguistics; Leon Trotsky: History of the Russian Revolution, My Life, The Revolution Betrayed, Our Revolution, Essays on Working Class and International Revolution, 1904-1917, Dictatorship vs Democracy, From October to Brest-Litovsk, Lenin: Results and Prospects, The Permanent Revolution, Literature and Revolution, The Bolsheviks and World Peace.

The Collected Works. Illustrated Leon Trotsky, 2021-09-09 Leon Trotsky was a Ukrainian Russian Marxist revolutionary, political theorist, and politician. Ideologically a communist, he developed a variant of Marxism which has become known as Trotskyism. His politics differed from some aspects from those of Stalin or Mao Zedong, most importantly in his rejection of the theory of Socialism in one country and his declaring of the need for an international permanent revolution. This book contains Trotsky on Lenin, My Life, The Revolution Betrayed, The Bolsheviks and World Peace, and others.

A. Gur'ianova, 2009 From the first Modernist exhibitions in the late 1890s to the Soviet rupture with the West in the mid 1930s Russian artists and writers came into wide contact with modern European art and ideas Introducing a wealth of little known material set in an illuminating interpretive context this sourcebook presents Russian and Soviet views of Western art during this critical period of cultural transformation The writings document complex responses to these works and ideas before the Russians lost contact with them almost entirely Many of these writings have been unavailable to foreign readers and until recently were not widely known even to Russian scholars Both an important reference and a valuable resource for classrooms the book includes an introductory essay and shorter introductions to the individual sections

Mindful Leadership Jeffrey L. Buller, 2019-03-12 This book applies the concept of mindfulness to the challenges faced by academic leaders such as department chairs deans provosts presidents or chancellors and faculty leaders In addition to instructing academic leaders how to become more mindful the book also provides clear and practical explanations about what mindful leadership means in the setting of higher education Unlike other books on mindfulness this work does not assume that the only pathway to becoming more mindful is meditation Although meditation is discussed as a technique the book also presents numerous other strategies for becoming a more mindful leader without a meditation practice The book is

designed for use by individual academic leaders administrative teams in a retreat leadership workshops or training programs and courses in higher education leadership

Chance Is A Fine Thing Philip Temple,2014-10-03 A compelling and thoughtful memoir about a significant figure on New Zealand's literary and natural landscape The stories that I think worth telling are of how as a young man I left home on the other side of the world half a century ago and took the chance to become a New Zealander More of becoming a New Zealand writer now able to look back over 50 years and relate not only what happened to me of how I grew up but also something of how the country has grown and changed It is about my developing relationship with my country and some of its people As Philip Temple explains in his preface this is about his life and the country he chose to call home His memoir shows how he made this decision how he left England at a young age and how he came to explore and love this country scaling its mountains and writing its stories New Zealand has always pulled him back despite adventures overseas exploring previously unknown regions of the world sailing in exciting waters trailing through Europe and a long love affair with Berlin Despite all this New Zealand became and remains his country In an honest and remarkably diverse appraisal of his life he reveals his personal and professional relationships including his search for his father the failure of his marriage difficult times working for the Listener and his campaigning for MMP It is also a fascinating account of how he has made a living as a full time writer Compelling thoughtful and moving this is an important view of the last fifty years
