Sir Joshua Reynolds The Subject Pictures:

Sir Joshua Reynolds Martin Postle,1995-02-23 Sir Joshua Reynolds reputation today rests principally on his portraits his theoretical writings on art and his role as President of the Royal Academy Yet in his own day Reynolds subject pictures were among the most widely discussed British paintings of the century This is the first book to concentrate on this important aspect of Reynolds work Covering the period from 1760 to 1830 it shows the way in which these pictures were inextricably linked to Reynolds aims and practices as a painter and to the way in which he was perceived by his peers *The Subject Pictures of Sir Joshua Reynolds*,1990 [Pictures-within-Pictures in Nineteenth-Century Britain](#) Catherine Roach,2017-07-05 Repainting the work of another into one's own canvas is a deliberate and often highly fraught act of reuse This book examines the creation display and reception of such images Artists working in nineteenth century London were in a peculiar position based in an imperial metropole yet undervalued by their competitors in continental Europe Many claimed that Britain had yet to produce a viable national school of art Using pictures within pictures British painters challenged these claims and asserted their role in an ongoing visual tradition By transforming pre-existing works of art they also asserted their own painterly abilities Recognizing these statements provided viewers with pleasure in the form of a witty visual puzzle solved and with prestige in the form of cultural knowledge demonstrated At stake for both artist and audience in such exchanges was status the status of the painter relative to other artists and the status of the viewer relative to other audience members By considering these issues this book demonstrates a new approach to images of historic displays Through examinations of works by J M W Turner John Everett Millais John Scarlett Davis Emma Brownlow King and William Powell Frith this book reveals how these small passages of paint conveyed both personal and national meanings **Sir Joshua Reynolds** Estelle M. Hurl,2018-01-15 Excerpt from *Sir Joshua Reynolds A Collection of Fifteen Pictures and a Portrait of the Painter With Introduction and Interpretation* The original biographical material on the subject of Reynolds was supplied by his own contemporaries His friend Malone wrote a valuable Memoir and his pupil Northcote furnished the first biography of the painter the *Life of Reynolds* in two volumes published in 1813 A half century later 1865 was published the most comprehensive work on Reynolds in two large volumes by R C Leslie and T Taylor At about the same time 1866 appeared a book covering a much more limited field of Reynolds's study but treating the chosen subject very suggestively *English Children as painted by Sir Joshua Reynolds* by F G Stephens About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Art of Mary Linwood**

Heidi A. Strobel, 2023-11-30 The Art of Mary Linwood is the first book on Leicester textile artist Mary Linwood 1755 1845 and catalogue of her work When British textile artist and gallery owner Mary Linwood died in 1845 just shy of 90 years old her estate was worth the equivalent of 5 199 822 in today's currency As someone who made but did not sell embroidered replicas of famous artworks after artists such as Gainsborough Reynolds Stubbs and Morland how did she accumulate so much money A pioneering woman in the male dominated art world of late Georgian Britain Linwood established her own London gallery in 1798 that featured copies of well known paintings by these popular artists Featuring props and specially designed rooms for her replicas she ensured that her visitors had an entertaining educational and kinetic tour similar to what Madame Tussaud would do one generation later The gallery's focus on picturesque painters provided her London visitors with an idyllic imaginary journey through the countryside Its emphasis on quintessentially British artists provided a unifying focus for a country that had recently emerged from the threat of Napoleonic invasion This book brings to the fore Linwood's gallery guides and previously unpublished letters to her contemporaries such as Birmingham inventor Matthew Boulton and Queen Charlotte It also includes the first and only catalogue of Linwood's extant and destroyed works By examining Linwood's replicas and their accompanying objects through the lens of material culture the book provides a much needed contribution to the scholarship on women and cultural agency in the early 19th century A catalogue of the National gallery of British art, with a suppl. containing works by modern foreign artists and old masters Victoria and Albert museum, 1888
