Lennon On Lennon: Conversations With John Lennon Jeff Burger, John Lennon, 2017-05-15 The electric spearhead of The Beatles meteoric rise one half of the most creative and powerful songwriting partnerships ever figurehead of peace and an icon of generations John Lennon s adventure through life is an immortalised legend Lennon on Lennon is Jeff Burger s dazzling digest of John Lennon s views on the world around him Sharp insightful contrary witty opinionated or downright aggressive these illuminating interviews and quotations open a window into the musician and the man and the volatile culture in which he lived and died Most of this material has never been available in print some has remained entirely hidden until now Jeff Burger s meticulously researched book offers a truly unique and captivating glimpse into the mind and philosophy of one of the world s most complex and inspiring talents

A Philosophy of Material Culture Beth Preston, 2013 This book focuses on material culture as a subject of philosophical inquiry and promotes the philosophical study of material culture by articulating some of the central and difficult issues raised by this topic and providing innovative solutions to them most notably an account of improvised action and a non intentionalist account of function in material culture Preston argues that material culture essentially involves activities of production and use she therefore adopts an action theoretic foundation for a philosophy of material culture Part 1 illustrates this foundation through a critique revision and extension of existing philosophical theories of action Part 2 investigates a salient feature of material culture itself its functionality A basic account of function in material culture is constructed by revising and extending existing theories of biological function to fit the cultural case Here the adjustments are for the most part necessitated by special features of function in material culture These two parts of the project are held together by a trio of overarching themes the relationship between individual and society the problem of centralized control and creativity

Avicenna and I Manoucher Parvin, 2006 Avicenna and I is a love saga spanning here and the hereafter it is a journey of spirits toward immortality Together two lovers explore the city of Hamadan in north west of Iran one of the oldest residences of civilisation where the tomb of one of history s most remarkable thinkers Avicenna lies To ascend from what they are to what they dream to be the lovers seek and find the spirit of Avicenna From him the prince of medicine and the leading wise man they learn how to heal the body the mind the

spirit and even love and how to tend to a wounded nature They discover the path to immortality Avicenna and I strips history naked of its pretensions and shatters the myth of the East as a place of unreason deserving to be subjugated by the West and establishes that the Italian Renaissance was merely a continuation of the Persian Renaissance which occurred in the Golden Era of Avicenna In this unforgettable novel the future and the past recreate one another and set the present afire with passion for immortal wisdom and immortal love and truth The reader is invited to view the mind and the universe intuition and reason science and faith and life and death with a profoundly new understanding The trials and tribulations of the characters even history on their transcendental journey are recounted with a pen searching for the beginning and the end of everything for the answers God never created So humans must invent the answers as we have invented many things God did not create This novel is a chapter in the book of answers

How to Play Sitar Mamta Chaturvedi,2007 **Cave Lupus** Christian Martin,2012-03-16 Thousands of years before this story begins in a world rife with war savagery and power a prophesy was made one amongst many of that time Then it was

forgotten but prophecies have a tendency to be forgotten do they not Yet prophecies have a better chance of being realised when forgotten than when the two legs try to favour it or to mingle with its natural development This scroll tells the story of how our family became involved with its onset development and conclusion This is my saga I almost started this scroll with the classical once upon a time but this story is on going and you too will be part of it writing your own saga in time Sons Daughters learn that the past may guide but must never stifle your thinking Nothing we hold dear is permanent and this is right for permanence equals stability leading to disappearance Let us begin our trip Uncle Silver Wolf Nearly eight thousand years after the Nuclear Cataclysm threw back civilization to the cave age society is fighting its way up the ladder again The political structure matches the Middle Age with Kingdoms Trade Orders Roads of Initiation and Symbols of Mastery There exists one huge historical difference Each six year old Child is taken from home by the Diviners travels for a year to get hands on work experience before being incorporated into an Order for life Another issue is the effects of the Cataclysm on life numerous mutant life forms have emerged while huge swaths of the world have become inhospitable Thus begins the story of Harold Companion Ironsmith and how he discovers his unexpected heritage **Alouette's Song, Second Edition** ANDREW JONATHAN FINE,2015-02-14 Whoever saves a life saves a world ancient Jewish maxim Alouette s Song is a New Adult romantic action adventure featuring two couples one heroic and one support each having a college aged teen plus a teen accelerated into college or beyond Themes from government conspiracy thrillers inspirational fiction and coming of age are presented through a dramatic storytelling style infused with frequent humor and irony There are even a few small paranormal elements a sworn protector of humanity hiding behind someone else s eyes a 6000 year old guardian spirit keeping safe a treasure that if used selflessly could save a people and an inherited gift infused with generation after generation of sacred use from a Jewish village in Eastern Europe Meet Dotty and Rick Dotty is a professional violinist with a GED Rick is a college sophomore having graduated high school early to pursue interests that steer him away from an abusive home While not a typical love at first sight scenario they do get thrown together in a spectacular manner Dotty gets mugged in a subway and falls onto the tracks of a train due to arrive in a minute getting injured in the fall Rick is considering suicide by the very same train but the moment he decides to do so he hears Dotty s screams He places Dotty s need to live above his own need to die Their collision turns into a kiss that lights up the universe for both of them Martin and Margie have been friends from childhood Margie has autism but is brilliant enough to hide her condition at the price of extreme loneliness Martin is the only one who accepts her for exactly who and what she is Margie won t reveal her hopeless love for him because of this as she knows he s gay But Margie stumbles onto an answer for them both having to do with the power of Time Martin takes Margie s discovery and along with his engineering talent utilizes both to build a spacecraft Soon both couples are together and in way over their heads within the sea of stars only ingenuity compassion valor and prayer can get them safely home Nimita's Place Akshita Nanda,2019-01-30 It is 1944 in India and Nimita Khosla yearns to attend

university to become an engineer but her parents want a different life for her As she accepts her fate and marries religious upheaval is splitting the country and forcing her family to find a new home In 2014 her granddaughter molecular biologist Nimita Sachdev escapes India to run away from the prospect of an arranged marriage Staking out a future in Singapore she faces rising anger against immigrants and uncertainty about her new home Two generations apart these two women walk divergent paths but face the same quandaries who are we and what is home Indian Summer Arthur J. Frankel, 2014-02 Under the shadow of the turbulent 1960s this is my story of a journey through village India as an American Peace Corp Volunteer I graduated college in 1966 with no idea of what I wanted to do in life I asked the Peace Corps to send me to a place that was more different than anything I had ever known I got what I asked for India unfolded into a kaleidoscope of fascinating people and unforgettable scenes in a culture that never failed to amaze me The sights smells and sounds of village India offer the backdrop of what happened some stories quite incredible but all true After two years I was infused with the spiritual and mystical quality that was and still is India something that is almost beyond explaining It cannot be found by touring India or even visiting an ashram but only by living there learning the local language and being with Indians in their homes and work Forty four years after leaving the Peace Corps I returned to village India Surprisingly very little had changed All of the profits from the sale of this book will be donated to the Vishwa Bharati non profit village school in Anavatti India and to the School of Social Work at the University of North Carolina Wilmington to support students and faculty in visiting India **A Group of One** Rachna Gilmore, 2025-09-23 A girl of mixed heritage discovers that both cultures are important parts of who she is Mr Toller grins I guess we plain old regular Canadians need to know the history of other places to get a real and balanced view Plain old regular As in white It jolts through me like lightning I almost bought his idea of regular that s why I was afraid to read my grandmother s story My heart pounds but I have to say it Mr Toller I AM a regular Canadian Hey Tara what s your mother tongue It s questions like these that make fourteen year old Tara Mehta boil especially when they re asked by teachers who ought to know better Yes her parents were raised in India but Tara has lived in Ottawa her whole life she s as Canadian as everybody else There are much more important things than where her family came from Jeff for instance He s the new guy with the blue eyes and a brain that actually works But then she meets her grandmother for the first time Naniji fought with Gandhi in the Indian Independence movement and she s horrified to learn that her grandchildren know almost nothing about their heritage Tara resents her grandmother s attitude until she learns how Naniji came to join the fight for independence Shocked and angered by the history that she s never been taught in school Tara decides to tell Naniji s story to her class In the wake of the violently mixed reactions that follow Tara comes to realize that most people need to expand their definition of what it means to be a regular Canadian including herself *Musical Robots and Interactive Multimodal Systems* Jorge Solis, Kia Ng, 2011-07-25 Musical robotics is a multi and trans disciplinary research area involving a wide range of different domains that contribute to its development including computer science multimodal

interfaces and processing artificial intelligence electronics robotics mechatronics and more A musical robot requires many different complex systems to work together integrating musical representation techniques expressions detailed analysis and controls for both playing and listening The development of interactive multimodal systems provides advancements which enable enhanced human machine interaction and novel possibilities for embodied robotic platforms This volume is focused on this highly exciting interdisciplinary field This book consists of 14 chapters highlighting different aspects of musical activities and interactions discussing cutting edge research related to interactive multimodal systems and their integration with robots to further enhance musical understanding interpretation performance education and enjoyment It is dichotomized into two sections Section I focuses on understanding elements of musical performance and expression while Section II concentrates on musical robots and automated instruments Musical Robots and Interactive Multimodal Systems provides an introduction and foundation for researchers students and practitioners to key achievements and current research trends on interactive multimodal systems and musical robotics
