life and her response to life as it happens      Dr. Seuss Philip Nel,2005-01-01 Philip Nel takes a fascinating look into the key aspects of Seuss s career his poetry politics art marketing and place in the popular imagination Nel argues convincingly that Dr Seuss is one of the most influential poets in America His nonsense verse like that of Lewis Carroll and Edward Lear has changed language itself giving us new words like nerd And Seuss s famously loopy artistic style what Nel terms an energetic cartoon surrealism has been equally important inspiring artists like filmmaker Tim Burton and illustrator Lane Smith from back cover      **Time** Briton Hadden, Henry Robinson Luce,1942      *Unteachable Lessons* Carl McColman,2019-09-03 Why Christian spirituality must be caught rather than taught We speak of spirituality as a journey which implies not only a destination toward which we travel but countless adventures encountered along the way The journey is the destination both at once We may all be trying to get to the heart of God but there are infinite ways to get there Can wisdom collected along the pilgrim path even be captured in words codified into a book Probably not And why do the wisest books refuse to offer glib formulas or step by step instructions for happiness or enlightenment Why are the great spiritual classics mostly just an invitation to keep our eyes ears and especially hearts open Because we re often stumbling on miracles while we re looking for something else Using engaging and disarming stories from his own life Carl McColman a leading author of books in spirituality gently leads readers toward a recognition that although the wisdom of the past is worth reading hearing or reading others experience of God is ultimately no substitute for opening our own eyes ears and hearts to God
