The Valley of the Fallen Donald Katz, 2001-10-09 Few writers can match journalist Donald Katz's ability to make an exotic locale familiar or transform an ordinary place into something peculiar if not completely weird *The Valley of the Fallen and Other Places* gathers a pastiche of stories from around the world each of which subtly underlines the relationship between geography and politics Locations counties regions of the world emerge as characters in Katz's panoramic cast as fully drawn as the unusual people that occupy them so that one realizes of each particular account that this could only happen in a place like this The setting for each of these pieces whether home or abroad provides a resonant backdrop for Katz's startling perceptions and cultural acumen He paints a portrait of Spain in which people are dying of political repression and vividly depicts Italy in the throes of a postwar capitalist hangover Katz describes Arkansas its history of racial strife notwithstanding as an American cultural ark where respect for old fashioned gumption and the tolerance for human eccentricity have fostered a renaissance of spirit He captures the poignant ruin of political ideals gone amuck in the image of columns of Ethiopian children being herded through the night at gunpoint undergoing political re education Katz's observations of the Sinai where beliefs convictions even hunches become howling zeal contrast with Santa Fe's philosophical cogitating and quality of life improvement projects in a New Age mecca that

breeds tamer but equally fervent faiths The cumulative effect of reading this eclectic collection is one of wonder about the mysterious and dazzling world in which we live and the way our lives are shaped by our place in it Harper's Young People, 1882 *Observations at the Speed of Life* Ed Doherty, 2024-02-29 *Observations at the Speed of Life* is a collection of stories that have been shared with others throughout a career of mentoring and motivating friends family and coworkers Sometimes humorous sometimes inspirational and occasionally packed with wisdom They are all about aspiring to be the best version of yourself Some of the essays are very personal and some are philosophical but regardless each one packs a message about hope and the value of persistence This book is a result of more than forty years of preparing and writing weekly messages to the teams Ed managed Those messages consisted of his workplace observations about performance motivation management leadership and integrity They were timely lessons that could be applied immediately When Ed transitioned to full time consulting those messages continued but in the form of a Wednesday Weblog to an international audience The stories range from working as a pipefitter third class unskilled during the Vietnam War to an all night production session with Larry Bird making a television commercial to befriending an eighty year old usher at Fenway Park to running the Boston Marathon for the first time at the age of seventy and everything in between *Skating* John Moyer Heathcote, C. Unity, 1899 **The Boy's Own Annual**, 1888 **A Christmas Bride/Christmas Beau** Mary Balogh, 2012-11-27

In a pair of classic Regency era Christmas romance novels from New York Times bestselling author Mary Balogh, the holidays herald the greatest gift of all: unexpected, all-consuming love.

A CHRISTMAS BRIDE The very wealthy Edgar Downes has promised his aging father to finally take a bride specifically to wed a titled lady by Christmas. London is full of pretty, proper and eligible misses, but it's the widow Helena Lady Stapleton in a shocking red dress who captures Edgar's attention. Helena is intrigued by the seductive stranger, but he's simply not in her class. Marriage, of course, would never do. But in a season of miracles, something wondrous is about to happen.

CHRISTMAS BEAU Not even the warm, forgiving Christmas spirit can stop the Marquess of Denbigh from settling his score with Judith Easton. The beautiful young widow injured Denbigh's pride years ago by jilting him for another man. Now that Judith is free from a nightmare marriage, the handsome marquess has her in his sights and wants her in his arms. But to trust the tender words on his lips, Judith must not only see past the hardness of his heart but learn once again to trust her own heart's desire.
