**Annual Report of the Department of Public Works for the Year Ending December 31 ... to the City Council of the City of Chicago** Chicago (Ill.). Department of Public Works,1917      **Bedford-Stuyvesant** Wilhelmena Rhodes

Kelly,2007 The heart of Bedford Stuyvesant is still found in the near forgotten settlement of Brooklyn s Bedford Corners a Dutch township colonized in 1667 where ancient Native American trails determined its now major thoroughfares and where Colonial patriots fought the British in the country s struggle for independence Bedford Stuyvesant remained a quiet farming hamlet until the 1880s when rapid subway transportation construction of the Brooklyn Bridge and the burgeoning population of Manhattan combined to forge one of America s first and finest suburban communities Bedford Stuyvesant details the evolution of this neighborhood home to the nation s second largest African American community and it documents how this urban center is now finally enjoying new regard for its wealth of architecture and its notable place in American history

that evolved over seasons and years She explores the meaning of creating a garden and the meaning that a garden can create linking ideas about aging and the passage of time to the reality of growth and death in the landscape and thinking through how art in a garden can reframe questions of memory and our relationship to nature Using the history of the property as a framework Webster considers the impact made by those who lived on the land before her the Abenaki the early settlers the cottagers the farmers the US southerners who came to Quebec to avoid the summer heat and the northerners who defeated them in the Civil War With engaging personal anecdotes she describes the thinking behind each part of the garden and the examples that guided her the mishaps and successes she encountered and her plans for the future Beautifully photographed and full of inspirational ways of thinking about gardens and gardening *Autobiography of a Garden* blends history horticulture and art encouraging readers to make their own surroundings more beautiful and more meaningful
