The Permanency of Marriage Michael G. Berner,2025-07-30 The Permanency of Marriage takes the reader sequentially through the Bible explaining what the Bible says about marriage and its duration This book explores the common and not so common arguments for divorce and the Biblical response to each Berner grew up in the 1950s and 60s Before and during that time period marriage was for life Divorce was openly condemned and brought severe consequences from the church and from

society In the 1960s as his pastors and teachers changed their position from divorce is wrong to God allows divorce for specific situations questions arose If God s character never changes how can divorce go from wrong to right If God s counsel never changes how can divorce go from wrong to acceptable If God s Word never changes how can divorce go from wrong to beneficial The Permanency of Marriage addresses these questions Berner s desire for answers was furthered when the issue of divorce and remarriage surfaced in the life of a very close personal friend Later this issue surfaced in his immediate family With his own marriage approaching his need to know was immensely personal When his wife obtained her divorce finding God s answers became a necessity Berner had to know exactly what God expected of him regardless of what family friends religious leaders and literature said His book provides answers to these questions As he studied for answers to the above questions Berner noticed those advocating for divorce and for divorce and remarriage used the same chapters and verses with slight differences to support their position Those advocating no divorce and no remarriage used a set collection of chapters and verses to defend their position Both groups ignored verses that did not fit their predetermined belief and behavior The Permanency of Marriage deals with the chapters and verses used by both groups And it deals with chapters and verses ignored by both groups Berner also noticed with almost no exceptions books articles sermons interviews etc on divorce and remarriage deliberately avoid discussing the consequences of both divorce and remarriage consequences on the husband wife on the children and on society in general The Permanency of Marriage includes this topic The Permanency of Marriage includes discussion on the causes of divorce past and present research on divorce and remarriage quotes from early church leaders time of Christ to 500 AD topics such as innocent party before salvation consider them dead and other issues and topics that impact the duration of marriage and the rightness or wrongness of divorce and remarriage Berner states he cannot claim with certainty that his book exhausts everything God says on this topic He further states his book is a study not an entertaining read He asks for everyone to read every reference for themselves Each biblical reference is discussed in detail as it relates to marriage and as it relates to divorce Therefore there will be content repetition All bolding underlining and italics are his unless otherwise noted All verses are from the King James Bible unless otherwise noted

Brave New Marriage Michael G. Berner, Mike Berner, 2010-06 What makes a marriage What is family Where does divorce fit in Who is brave enough to get real about marriage Over the past 50 years the answers to the above questions have changed Having experienced a period of uncertainty and confusion concerning marriage and family Mike Berner wanted to know God s truth Brave New Marriage explores what the Bible has to say about marriage its beginnings its purposes its duration This sure to be classic gives the reader a renewed understanding of what the Bible says about marriage family and divorce Written for the serious student of the Scriptures Berner sequentially takes the reader through the Bible discussing the common passages on marriage and family as well as those passages most others avoid When compared to today s elastic and confused views of marriage and family Brave New Marriage envisions a new understanding a new definition and a new

commitment to your marriage and your family which will reap rewards for generations to come **The Feminization of Sports Fandom** Stacey Pope,2017-05-08 Women fans have entered the traditionally male domain of the sports stadium in growing numbers in recent years Watching professional sport is important for women for so many reasons but their expectations and experiences have been largely ignored by academics This book tackles these shortcomings in the literature and sheds new light on the many ways in which women become sports fans This groundbreaking study is the first to focus on the phenomenon of the feminization of sports fandom Including original research on football and rugby union in the UK it looks at the increasing opportunities for women to become sports fans in contemporary society and critically examines the way this form of leisure is valued by women Drawing upon feminist thinking and intersectionality it shows how women from different social classes and age groups consume the spectacle of sport This book is fascinating reading for any student or scholar interested in sport and leisure studies sociology and gender or women s studies *There's No Crying in Business* R. Rivera,2016-04-30 Based on interviews with women academics engineers politicians mathematicians neurologists and others in male dominated organizations as well as the author s own experiences this book will offer insights and advice to women who aspire to top positions in companies and industries where men traditionally have held those positions **Aria** Nazanine Hozar,2020-08-25 An extraordinary cinematic saga of rags to riches to revolution that follows an orphan girl coming of age in Iran at a time of dramatic upheaval It is the 1950s in a restless Iran a country rich in oil but deeply divided by class and religion The government is unpopular and corrupt and under foreign sway One night an illiterate army driver hears the pitiful cry of a baby abandoned in an alley and menaced by ravenous wild dogs He snatches up the child and takes her home naming her Aria the first step on an unlikely path from deprivation to privilege Over the next two decades the orphan girl acquires three mother figures whose secrets she will learn only much later reckless and self absorbed Zahra who abuses her wealthy and compassionate Fereshteh who adopts her and mysterious Mehri whose connection to Aria is both a blessing and a burden A university education opens a new world to Aria and she is soon caught up in the excitement and danger of the popular uprising against the Shah that sweeps through the streets of Tehran The novel s heart pounding explosive finale sees the Ayatollah Khomeini s brutal regime seize power even as Aria falls in love and becomes a mother herself Nazanine Hozar s stunning debut gives us an unusually intimate view of a momentous time through the eyes of a young woman coming to terms with the mysteries of her own past and future **I AM NOT A CRAZY FEMALE** Laura Hansen,2016-03-31 This book explains why women aren t crazy We may say and do things that sound or seem crazy but if you know our reasons you would understand where we are coming from **Good Sex 2.0: What (Almost) Nobody Will Tell You About Sex** Zondervan,2009-12 The Idle Thoughts of an Idle Fellow Jerome Klapka Jerome,1890 Home Invasion Rebecca Hagelin,2005 Like a safe harbor at the edge of an angry sea the suburban neighborhood is an environment of protection from the world and all its dangers Or is it In this book Christian activist Rebecca Hagelin shows that in today s all consuming

culture of corruption there is nowhere left to hide American homes have already been invaded by this insidious enemy that seeks to twist our minds and poison our hearts through the unmonitored Internet television magazines and music that our families ingest on a daily basis With warm words of encouragement and practical suggestions Hagelin coaches parents on how to arm themselves with information strategically plan the movements of their family members secure allies in the battle and most of all muster the guts and the resolve to lead their families to victory From publisher description How We Believe Michael Shermer,2000-11 Recent polls report that 96% of Americans believe in God Why is this Why despite the rise of science technology and secular education are people turning to religion in greater numbers than ever before Why do people believe in God at all **How We Believe, 2nd Edition** Michael Shermer,2003-10 Recent polls show that 96% of Americans believe in God Why are people turning to religion in greater numbers than ever before In How We Believe Michael Shermer presents the results of an exhaustive empirical study in which he asked 10 000 Americans how and why they believe and about details of their faith The result offers fresh and startling insights into age old questions
