Subliminal Teachings Of Jesus:

The Secret Teachings of Mary Magdalene Claire Nahmad, Margaret Bailey, 2012-01-01 This in depth commentary on the lost material of The Gospel of Mary Magdalene presents Jesus most important and misunderstood disciple as you ve never seen her before Discovered in fragments in Egypt in 1945 The Gospel of Mary remains one of the most controversial texts of early Christianity This translation of Mary s teachings from the original Greek and Coptic offers a unique new perspective authors Claire Nahmad and Margaret Bailey utilized inner listening to uncover lost material and they present Mary s ideas in the form of a dialogue between the risen Savior and His disciples Most importantly The Secret Teachings of Mary Magdalene includes a description by Mary of special revelations given to her by Jesus Nahmad and Bailey argues that Mary was not just the consort of Christ but the feminine Christ herself and in their view the partnership between Jesus and Mary exemplifies the crucial balance of male and female in spiritual and corporeal life It s an interpretation that uncovers a rich subtext in Mary s words offering wisdom on an extraordinary range of concerns from the origins of the human race to the pathway to Christlike consciousness The Doctrine of the Person of Jesus Christ Hugh Ross Mackintosh, 1912 **Words on**

Experiential Christianity Ray Morose, 2011 Experiential Christianity

The main objective of this book is to illuminate the experiential arm of Christianity and by doing so redefine its devotional arm The devotional arm may guide but it takes the experiential arm to confirm By its nature experiential Christianity can bypass religious borders as it is not a dogma theology or a belief but a state of experiential being Hence can connect with and be beneficial to everyone regardless of his or her religious affiliation In this reevaluation of Christianity its living essence is revealed That exposure reveals an experiential pathway that unveils a practical foundation for a moral compass to steer one through the various hazards of daily living By learning to avoid those hazards your one and only purpose in life is revealed which is to discover the experiential reality of the statement made by Jesus that God is within you Everything else is secondary Meaning that experience is primary as it is used to define how one lives acts and thinks Based upon that experience a moral foundation naturally arises providing a cornerstone for ethical stances that cannot be manipulated or twisted by the many and varied seductive playthings engendered by self interest The depth of understanding released by the actual experiential discovery that God is within you changes your life forever you are truly reborn However that experience is not achievable by belief alone You must be willing to experientially delve into the core of your existence to discover the reality of that statement by Jesus Meaning you must experience it and not just believe it For that journey you will require intellectual knowledge of how all the internal components of your existence function and interrelate Without that knowledge you would easily become bewildered and distressed by the confusing quantity of ambiguous information that can block your pathway and in despair claim that experience is impossible Hence this book outlines all the tools you need to survive that

internal journey and provides a map to begin your search Using both the tools and map is a personal decision that another cannot make for you You either do or do not There is no in between Does a non material entity referred to as God exist Yes Is it possible to logically confirm that assertion Yes Is a personal connection to that entity possible Absolutely That personal connection is not hiding You are hiding from it This book provides all the necessary information to realize that connection When that realization is a living reality it transforms belief into actuality establishing the cornerstone of an indestructible faith that underpins every thought and action in your life That experience adds experiential authenticity to your life confirming your eternal career has begun and that beginning has no end **Berkhof's Systematic Theology Revised**

Louis Berkhof, 2019-09-06 Considered one of the best books on Systematic Theology ever written it covers all the basics on the reality of God the atonement of Christ and the final state of man and the last things Anyone that wishes to study theology would be wise to read this book as many in the Reformed tradition hold that this book is a landmark book in its field Now in larger print *Systematic Theology* Louis Berkhof, 2017-02-17 Considered one of the best books on Systematic Theology

every written it covers all the basics on the reality of God the atonement of Christ and the final state of man and the last things Anyone that wishes to study theology would be wise to read this book as many in the Reformed tradition hold that this book is a landmark book in its field *Sensationality* William Clark, 2006-10 If the contents of this publication were easy to understand it would be a much shorter book It s easy to wonder why being in love with someone or living in fear is so different from liking or being afraid of one thing or another Differences arise because what we like for example is definable but who we love isn t We assume that all words are definable but love isn t and neither is faith appreciation passion or a host of other words which relate to love In truth we can t define the sensation of fear sin or temptation either Why is it that we give such importance to words which can t be defined and why is it that many of our words including mind soul and God escape definition when we re certain that we know what they mean It s only by appreciating certain words that an understanding is achieved Our relationship with God the Father Christ the Son and the Holy Spirit are explored Not in a theological context but a sensational one not so different from a sixth sense perspective Contents of this book also include considerations of anger addiction homosexuality pain management and much more An attempt is made to tie up all these seemingly diverse subjects into one tightly knit package *The Black Clergy's Misguided Worship Leadership* Christopher

Bell, Jr., Ed.D., 2010-01-28 *The Black Clergy's Misguided Worship Leadership* This book is an incisive analysis showing why and how the black community s worship of Jesus Christ Christianity s White male idol is a subliminal underlying cause of the high incarceration rates among young Black males Citing cogent historical educational and behavioral reasons Dr Bell explains why the worship of the ancient Roman Constantine certified white male idol Jesus Christ is misguided and afflicts black people with a deleterious white superiority syndrome Dr Bell explains further how such worship spiritually emasculates and socially demeans black manhood and how many young black men intuitively react in ways that lead to high rates of

delinquencies violence crime and incarceration In this book Dr Bell petitions the black clergy to stop this misguided worship and start teaching black people a new Christianity that espouses a Worship only God the source and sustainer of life message and honors but does not worship prophet Jesus Dr Bell argues that this new Christianity will liberate black people from the damaging psychological effects of their white male worshipping folkways He also argues that the new Christianity will end the spiritual emasculation and disrespect imposed on young black men by the old Constantine certified Christianity and will thus mediate downward the high rates of delinquencies violence and incarceration among young black men Dr Bell asserts that unless the black clergy takes the actions requested in his petition black people will forever think of themselves as inferior to white people and many angry young Black men will continue their plight and plunge toward incarceration *The Milkweed Prophecy* LAMA MILKWEED L. AUGUSTINE, 2006-06-13 THE MILKWEED PROPHECY EPITAPH OF THE APOCALYPSE is an incredible and in depth explanation of not only the Apocalypse but told from an actual involvement where the author herself ensplenders her own emotional framework in a manner of religious literature that has never been captured before All of these events were based solely upon the Professor s lifetime of visions and actual visitations and apparitions and actual visitations of Mary the Mother of God and actual accounted events that have been witnessed by credible people This book of uncommon insights will startled the mind and very heart of the reader as he is taken on horseback into the actual Apocalypse and stares face to face with the Devil himself LUCIFER The near possession this young author claims boldly as this was also documented and witnessed but the literal protection from God saved Milkweed after her only suicide attempt This book powerfully illustrates what it is truly like to be a believer but one who is chosen long ago to understand and to teach and even now fooling her medical doctors and living well beyond her expected time allotted to her but still extremely deteriorated from this catastrophic terminal illness that plagues her mysterious life This work divinely inspired is highly recommended for anyone who truly wants and needs to know about the Book of God s Revelations as well as about himself This same remarkable book of stunning words translate themselves likend to the Bible as the author clearly defines herself but without ever in abruption of the eternal glory of God Her impressive artwork as well as photography is also here to enlighten and illuminate the mind and to hopefully make all understand the truth of God s Kingdom and the ultimate sacrifice the crucifixion and dereliction of our God Jesus the Christ **Abiding in the Doctrine of Christ** Owete S. Owete, 2014-12-27 Abiding in the Doctrine of Christ is a Bible study book on the first principles of the word of God It covers several topics including scriptural authority the new life in Christ the church and faithful service to the Lord with review exercises at the end of each chapter The book is a must have for babes in Christ who should crave the pure milk of the word to be grounded in the doctrine of Christ It is written in a form that facilitates open minded reasoning even on long held views It is my belief that congregations should periodically provide fundamentals class to edify and equip brethren for acceptable worship and service in the Lord The book is ideal for individual studies and group Bible classes *The Wisdom Jesus*
