Roessel, 2002 Applause Books Warning The plays of Political Stages do not make for a quiet evening of theatre These are the plays which got audiences out of their seats and sometimes out into the streets Their words and ideas rumbled ominously down the marble hallways of legislatures and challenged even threatened and often changed the thinking of millions These are the plays which either lit or reflected the fires of those political controversies which blazed across the American Twentieth Century Individually each is a molotov cocktail tossed onto the stage each a political movement encapsulated in dramatic form Combined they constitute both a conflagration and a record of American political and theatrical ideology Never before however have they been collected in one explosive volume In Political Stages they have at last been preserved ever ready to serve at the barricades of subsequent eras Includes works by Tennessee Williams Emily Mann Clifford Odets Langston Hughes and others The Paris Letter Jon Robin Baitz, 2005 Jon Robin Baitz has been praised as one of America s foremost playwrights on themes of conscience Now from the author of The Substance of Fire comes an absorbing new play about power and money and the ruinous effects it can have on friendship love marriage and ultimately oneself In this modern tragedy set in urban New York City Wall Street powerhouse Sandy Sonenberg finds his personal and professional life threatened by the unraveling secrets of his past After burying his true sexual identity a lethal affair with a young male associate forces Sonenberg to confront a lifetime of unrequited love and betrayal Vicuña Jon Robin Baitz, 2018-04-10 A play centering on the tensions between a political demagogue and the tailor who makes his suit In his Upper East Side atelier a bespoke tailor Anselm Kassar is persuaded by the vulgar real estate mogul turned presidential candidate Kurt Seaman to make him the perfect suit A suit to stun them at the final debate before the election a suit for him to wear while he takes on his unnamed female opponent Kassar agrees to make Seaman a suit with magical powers of persuasion to allow him to close the deal with the American people Over the course of three fittings for this exorbitantly expensive and totemic vicu a suit Seaman cajoles and spars with the tailor and his young Muslim apprentice Amir Amir's challenges to Seaman and Seaman's daughter Srilanka over the dangerously xenophobic and inflammatory rhetoric coming out of the campaign make the fittings increasingly volatile in the genteel atelier Vulnerabilities are exploited masterfully by the candidate in the manner of a true sociopath with a perfect instinct for other people s weaknesses Coming out of an election season that laid bare the rage in much of America Jon Robin Baitz s Vicu a is an astute satire of what or who it takes to bring those anxieties to the fore
