The Substitute Sister Lisa Childs,2012-02-15 GHOSTLY WHISPERS Rocking chairs moving to and fro in the night and an inherited house straight out of the eeriest of ghost stories These were the things Sasha Michaelson found when she arrived on Sunset Island to collect the body of her identical twin and take charge of her newly discovered niece But even more frightening to Sasha than her sister s shadowy presence in the old house and the killer still running loose on the small island was the fact that Sheriff Reed Blakeslee stopped her breath and made her heart pound fast But was the brooding lawman s determined search for answers caused by a love that hadn t stopped with death or by a desire for Sasha that he couldn t deny

High School Memoirs: a Journey in Surrealism Sean C. Cusack, 2007-11-14 Synopsis High School Memoirs A Journey in Surrealism is a tear jerking hilarious ride for a less than ordinary High School student who battles bullies and librarians to become King of the Classroom Set in a small Catholic High School on the north side of Chicago author Sean Cusack takes us on a surrealistic journey through four fun filled years of triumph and tragedy in this unique epic The journey begins with Sean Cusack entering St Bernadin High School in August of 1995 as a very young and innocent Freshman student He focuses on several life changing experiences in his infant days of High School that change him forever Innocence Lost traces the steps Sean Cusack took that ultimately lead him on a path toward frequent battles with students and the school faculty and Administration As a Sophomore The Ride most certainly takes us on a ride through fights vandalism and verbal debacles that continued to steer the vengeful ship that Sean Cusack had been building since a Freshman He now had become the ships Captain as it set sail The Ride takes us through many strange and mysterious encounters that add more of a surrealist element to this budding melodrama and comedic satire Sean Cusacks roses bud Junior Year in Forever Remembered when he becomes a charismatic hero and leader of a rebellious group of students that pillage and plunder the school and faculty in wild and zany antics Forever Remembered embodies the humorous and more imaginative side of Sean Cusack as the journey through High School becomes more surreal Senior Year wraps up the trials and tribulations that Sean Cusack had endured thus far in his High School experience culminating into one person after years of battling the Defunct Administration He is molded by evil as the rebellious youth becomes totally hellbent on crippling the school In the end he loses friends respect from teachers but most of all he loses faith in his cause yet ends his High School experience with a fantastical and triumphant bow Sean Cusack proves that not all High School stories are the same in this turbulent and chaotic autobiography High School Memoirs A Journey in Surrealism chronicles a strange and unique history that is truly a step above the rest **Army Orders** Great Britain. War Office,1927 Dream Analysis, Volume I William McGuire,2021-05-11 While the basis of these seminars is a series of 30 dreams of a male patient of Jung s the commentary ranges associatively over a broad expanse of Jung's learning and experience A special value of the seminar is the close view it gives of Jung's method of dream analysis through amplification The editorial aim has been to preserve the integrity of Jung s text

desegregate its schools according to socioeconomic status Drawing from his rich study of ten fourth grade classrooms Plank uncovers the ways that teachers leadership styles tasks and reward structures affect students peer relations. The synthesis of qualitative and quantitative data is especially creative as are the practical implications presented here for administrators and teachers who want to encourage participation and well being among students in heterogeneous classrooms. Eva's Cousin Sibylle Knauss, 2007-12-18 Berchtesgaden Germany is a beautiful place set among the gentle meadow clad hills rising to the sheer heights of bare Alpine peaks It is here where an elderly woman arrives and recollects her past and her peripheral role in a chapter of world history She walks along a beaten path which has come into being because so many tourists have ventured this way to see something that exists only in her memory. In the summer of 1944 twenty year old Marlene is thrilled when her older more glamorous cousin Eva Braun Adolph Hitler's mistress invites her to come to the Fuhrer's Bavarian mountain retreat Against her father's wishes Marlene accepts and immediately sets forth to Berghof There while Hitler is away desperately trying to turn the tides of war Marlene finds herself in a strange paradise a world of opulence and imminent danger of freedom and surveillance The two women sneak off and skinny dip in a nearby lake watch films in the Fuhrer's private cinema and flirt with the SS officers at the dinner table one of whom will become Marlene's first lover Initially delighted by Eva s attentions Marlene later tries to understand the elusive connection between her cousin and the man she loves In quiet defiance she begins to commit her own acts of subversion which include listening to BBC radio broadcasts forbidden by the Fuhrer But a clandestine mission of mercy will force her to question her allegiance to both her cousin and her country and to face the chilling reality that exists outside her sheltered world Based on the true experiences of Eva Braun's cousin Gertrude Weisker who has shared her memories with Sibylle Knauss after more than fifty years of silence Eva s Cousin is a novel that illuminates the banality of the domestic face of evil It casts a special light on the profound questions of innocence and complicity that still haunt much of the world today Sita's Daughters Leigh Minturn, 1993 Sita s Daughters vividly recounts the dramatic changes in role and status experienced by Rajput caste women in the Indian village Khalapur between 1955 and 1975 In the 20 years between her now classic original field study and her follow up with the same families Leigh Minturn witnessed a significant decline in the women's observance of a complex system of customs collectively called purdah which includes the wearing of veils silence in the presence of senior men and women the adoption of subservient postures when speaking to men and the separation of husbands and wives Her interviews with mothers and daughters in law reveal how changes in purdah customs and religious traditions have allowed them increased access to education and health facilities control of finances and autonomy inside and mobility outside of their husbands households. This work is unprecedented in its depth scope and exposition of the intimate details of the lives of Indian women Minturn's return to her original subjects allowed her to observe firsthand the changes that had transpired during the interim resulting in the only Indian village field study to span two generations. Having won the trust and confidence of her subjects the author poignantly conveys their individuality along with their stories of heroism loyalty infidelity rape incest theft and even murder. With even handedness and detailed scholarship Minturn makes use of methods such as systematic sampling and structured interviewing that are effective in capturing the richness of Indian village life though they are uncommon in anthropological studies. The wide range of issues addressed here will be of interest to students and researchers in women's studies. South Asian studies anthropology and cross cultural psychology as well as to interested laypersons.
