The 100 Absolutely Unbreakable Laws of Business Success Brian Tracy, 2002-01-11 What makes one business flourish while another fails This book of laws has something for everyone who wants to be a success in any walk of life Gen H Norman Schwartzkopf In **The 100 Absolutely Unbreakable Laws of Business Success** Brian Tracy draws on thirty years of experience and knowledge to present a set of principles or universal laws that lie behind the success of businesspeople everywhere in every kind of enterprise large and small These are natural laws he says and they work everywhere and for everyone virtually without exception Every year thousands of companies underperform or even fail and millions of individuals underachieve frustrated by thwarted ambition and dreams all because they either attempted to violate or did not know these universal laws But ignorance of the law is no excuse Tracy breaks the 100 laws down into nine major categories Life Success Business Leadership Money Economics Selling Negotiating and Time Management Drawing on a lifetime of observation investigation and experience Tracy not only identifies and defines each law he also reveals its source and foundation whether in science nature philosophy experience or common sense He illustrates how it functions in the world using real life anecdotes and examples and shows how to apply it to your life and work through specific questions practical steps and exercises that everyone can use sometimes in just minutes to begin the journey toward greater business success Eloquently yet practically written should be required reading for every entrepreneur manager and leader Scott McKain author of *The Ultimate Customer Experience*

The Blueprint to Manhood Rashid Rashad, 2015-06-12 The need for this type of book is quite prevalent It does not take a social scientist to see the impact of the increasing number of children growing up in households where the father is not present Without the socializing benefits of a responsible mature male influence whose authority is rooted in love and fatherhood for his family We as a nation are headed toward some serious social issues that will impact our way of life negatively in the United States of America for generations if we continue sweeping the revolving issue of fatherless males under the rug Far too many young boys are growing up without the slightest understanding of what a dad's presence means in a home plus the daily interaction with a loving father just to talk men talk The fatherless male does not realize the brainless and clueless behavior patterns that they have been betraying or depth of his situation until they get older and really see how much they truly miss out on by having a positive male role model father figure in earlier stages of their everyday life
