Succeeding What It Takes:

What Success Takes Garrett Pierson, 2013-02 In the pages that follow you will read how I and many others have found success What I want you to realize is that you are the definer of success There is no true definition for everyone has his or her own perspective and insights on what success is in their life If somebody tries to give you the definition of success take it for what it is and realize that you are success Success comes from within Benjamin Disraeli said The secret of success is constancy of purpose Find that inner purpose and you will find your success Perhaps you have already found some success but there is more As you read this book I want you to ask yourself these questions In each chapter you will find that the questions align directly with the chapter title Throughout this book and throughout your life I want you to ask yourself these questions Now it is time to sit back and enjoy the show Remember I Triple Dog Dare you to be successful *Don't Take a Chance on Success* Bruce L. Hobley, 2005 No one in the Timeshare industry can truly say are doing the best job Unless that is they have already read and applied the exciting new method contained in this book Yesterdays inadequate sales solutions are now history Don t Take A Chance On Success offers a completely new approach Incorporating different and refreshing vocabulary to interest and influence today s consumer in today s market place it is the new standard against which all other Timeshare sales solutions are to be measured Don t Take A Chance on Success explains how easy it is to connect with the visitors and discover their buying criteria By learning the complete Master Presentation and Closing Presentation word for word everyone can now be a star performer producing regular and impressive results Success is a process of building value which is not difficult to learn but does require that you give up making excuses and invest sufficient voluntary effort and time in yourself for yourself so that more of your natural ability and intelligence can be developed and applied to reach those expectations which you must put in place Best of all the success strategy of this book is totally underpinned by the philosophy and insight delivered to you by the Six Pillars of Success i e character positive human contact thought power motivation planning and faith the implementation of which makes successful personal and business activity in an inescapable conclusion Why not decide for yourself right here and now to invest more of your time to obtain more of what you want and let Don t Take A Chance On Success be your guiding light **Today's Nursing Leader: Managing, Succeeding, Excelling** Marilyn Klainberg, Kathleen M.
