A Funny Thing Happened On the Way To Communion Dale T. Stanton,2022-02-18 Is the Bible a humorous book Probably most people wouldn't think of it as being funny at all Even as the Bible is regarded as the Word of God we find considerable ungodly human activity immorality wars rebellion murder adultery demon possession and just about every other facet of what we call the human condition Yes the Bible is full of some pretty serious and heavy stuff In spite of all this is there a remote possibility we might discover something amusing something to bring a smile on our face something that might even cause us to laugh Author Dale Stanton says Yes In his book *A Funny Thing Happened on the Way to Communion* Dale explores some of the subtle camouflaged and elusive gems of humor in the Bible that don't exactly leap out at you as one would find in a comic strip or a TV sitcom These hidden treasures of humor come alive in the biblical characters themselves revealed in all their human quirks foibles and idiosyncrasies which remind us that in many ways these biblical personalities are just like us Referring to many of the Scripture lessons that are read in church on Sunday morning Dale in his tongue in cheek style brings to life this collection of inconspicuous and sometimes wry nuggets of humor that might just make you laugh
