**Successful Private Practice** Maxine Buchele, Susan Wynn-Williams, 1987 *National Library of Medicine Current Catalog* National Library of Medicine (U.S.), Current Catalog National Library of Medicine (U.S.), First multi year cumulation covers six years 1965-70 *The Physician's Survival Guide to the Business of Medicine* Robert W. Katz, 1994 A guidebook addressing the three major financial centers in every physician's life: the medical practice, the pension plan, and personal finances. Listing cases and examples, the author addresses these three interrelated financial centers in a two-phase process: how to conduct practice management review and then how to use this process to establish an ongoing system for successful total financial management. Guide to Successful Private Practice in Speech-Language Pathology American Speech-Language-Hearing Association, 1996 Successful Private Practice in Neuropsychology and Neuro-Rehabilitation Mary Pepping, 2014-10-10 This second edition of the original *Successful Private Practice in Neuropsychology* provides an updated overview of key principles and processes for establishing, maintaining, and developing neuropsychology practice and neuro rehabilitation program. NRP treatment in medical center and/or private practice settings. Essential elements of an entrepreneurial model that work well in the medical center context and the necessary role of variety and peer review in the private practice setting are also discussed. How to gather and report NPE and other evaluation findings with a neuro rehabilitation focus that lead to specific neuro rehabilitation recommendations. Benefit: this will make your evaluations and reports more desirable and sought after in the setting and community where you work. Updated billing diagnostic code recommendations to accurately capture the actual time spent in evaluating and/or treating patients. Benefit: increased appropriate billing and collections for your time. Recommendations for clinical neuropsychology postdoctoral fellowship training of a Navy psychologist. Benefit: you may be able to obtain funding for an experienced Navy clinical psychologist who wants formal training in neuropsychology. This can expand your clinical services, increase variety and quality of your training program, and ultimately support improved care for returning American military personnel. The Family Practitioner's Survival Guide to the Business of Medicine Robert W. Katz, 1998 This guidebook addresses the three major financial centers in every physician's life: the medical practice, the pension plan, and personal finances. Listing cases and examples, the author addresses these three interrelated financial centers in a two-phase process: how to conduct practice management review and then how to use this process to establish an ongoing system for successful total financial management. Plus, the second edition has new material on capitation, integrated delivery systems, mergers, acquisitions, and practice valuation, pensions, and dealing with managed care companies.
