**Ellingtonia** W. E. Timmer, 2000-01-01 Edward Kennedy Duke Ellington 1899-1974 is recognized as one of the great composers and orchestra leaders of the twentieth century and is credited for raising jazz to its highest plateau He remained musically active through his entire life creating a prolific musical output Ellingtonia The Recorded Music of Duke Ellington

and His Sidemen compiles Ellington's entire musical catalog from the first recording session in July 1923 to the last concert in March 1974. More than a discography, the book comprises all the activities of these musicians including studio recordings, movie soundtracks, concerts, dance dates, radio broadcasts, telecasts, and private and unissued recordings as well as recordings made by Ellington's sidemen under their own names or with other bands. W. E. Timmer provides the date, location, and personnel for each session, the label of first issue, master and take numbers if available, and song title including alternate titles and derivatives. Containing a comprehensive guide for users and indexes of titles, musicians, cities, venues, and general subjects, this completely revised and updated 5th edition also contains a new section listing Ellington's radio broadcasts and telecasts. Complete with extensive footnotes, *Ellingtonia* remains an indispensable and easy-to-use reference source for jazz collectors and scholars.

*Something to Live For* Walter van de Leur, 2002-01-31 Duke Ellington was one of jazz's greatest figures, a composer and bandleader of unparalleled importance and influence. But little attention has been given to his chief musical collaborator, Billy Strayhorn, who created hundreds of compositions and arrangements for his musical partner and without whom the sound of Ellington's orchestra would have been very different. Now, in Walter van de Leur's provocative new book *Something To Live For*, Billy Strayhorn steps out from Ellington's shadow and into the spotlight. Van de Leur argues that far from being merely a follower of Ellington, or his alter ego, Strayhorn brought a radically new and visionary way of writing to the Ellington orchestra. Making extensive use for the first time of over 3,000 autograph scores, Van de Leur separates Strayhorn from Ellington, establishes who wrote what, and clearly distinguishes between their distinctive musical styles. Both Strayhorn's and Ellington's oeuvres, writes Van de Leur, though historically intertwined, nevertheless form coherent, separate musical entities, especially in terms of harmonic, melodic, and structural design. Indeed, *Something to Live For* allows us to see the characteristic features of Strayhorn's compositions and arrangements, his musical fingerprints, and to analyze and evaluate his music on its own terms. The book also makes clear that Strayhorn's contribution to the band was much larger and more original than has been previously acknowledged. Based on a decade of research and offering detailed analyses of over 70 musical examples, *Something to Live For* casts new light and will surely arouse intense debate on two of the most important composers in the history of jazz.

*The Ellington Century* David Schiff, 2012-01-07 *The Ellington Century* is a wonderful journey through the world of music and art. If you are already an aficionado of Ellington's music, you will enjoy the author's informative and detailed analysis of the composer's work and musical influences. If you are less familiar, this book puts Ellington's music in perspective with the great classical composers of the twentieth century. David Schiff's remarkable insight into the historical and musical parallels between these composers is a delight to read, and his references are vast, from Schoenberg's *Pierrot Lunaire* and Stravinsky's *Agon* to television's *Sesame Street*. Schiff writes with a sense of humor and an enthusiasm for Ellington's music that comes out on every page. George Manahan, Music Director, American Composers Orchestra. David Schiff points us forward, observing that Ellington's music asks us to see with our ears and hear with our eyes.

Writing as a composer and scholar he has a gift for making complex ideas strikingly clear His insights move across a huge terrain of twentieth century culture as he builds bridges in his musical and cultural analysis where many have not seen a connection Yet each musical work each artist is given his or her equal due In this sense he has met the spiritual and cultural challenge of Ellington's life work Marty Ehrlich Composer Instrumentalist Associate Professor of Improvisation and Contemporary Music Hampshire College

O'Meally, Brent Hayes Edwards, Farah Jasmine Griffin, 2004 Uptown Conversation asserts that jazz is not only a music to define it is a culture The essays illustrate how for more than a century jazz has initiated a call and response across art forms geographies and cultures inspiring musicians filmmakers painters and poets

**Duke** Terry Teachout, 2013-10-17 A major new biography of Duke Ellington from the acclaimed author of Pops A Life of Louis Armstrong Edward Kennedy Duke Ellington was the greatest jazz composer of the twentieth century and an impenetrably enigmatic personality whom no one not even his closest friends claimed to understand The grandson of a slave he dropped out of high school to become one of the world's most famous musicians a showman of incomparable suavity who was as comfortable in Carnegie Hall as in the nightclubs where he honed his style He wrote some fifteen hundred compositions many of which like Mood Indigo and Sophisticated Lady remain beloved standards and he sought inspiration in an endless string of transient lovers concealing his inner self behind a smiling mask of flowery language and ironic charm As the biographer of Louis Armstrong Terry Teachout is uniquely qualified to tell the story of the public and private lives of Duke Ellington A semi finalist for the National Book Award Duke peels away countless layers of Ellington's evasion and public deception to tell the unvarnished truth about the creative genius who inspired Miles Davis to say All the musicians should get together one certain day and get down on their knees and thank Duke
