Norman Jeffares, 1968-06-18 **Selected Poems** Arthur Davison Ficke, 1926 **The Braided Dream** Randolph Paul Runyon, 2021-12-14 Robert Penn Warren's reputation as a poet though always considerable has soared in the last decade as indicated by his recent selection as America's first poet laureate The Braided Dream is one of the first book length studies of the poetry that has led to Warren's recent rise to eminence and the first to consider his final collection *Altitudes and Extensions* In a communicable jargon free style that will appeal to the nonacademic reader as well as the serious scholar Randolph Paul Runyon provides a detailed and illuminating guide to a body of poetry that despite its greatness has until now seemed resistant to full understanding Every poem of Warren's last four sequences *Now and Then Being Here Rumor Verified* and *Altitudes and Extensions* is given a close reading with a precise laying out of words phrases and recurring images that not only enrich the texture of the poetry but are themselves the texture Runyon demonstrates the relevance of Freud's concept of the dream work of the unconscious to a reading of this tightly interwoven poetry He shows how Warren's poems assume additional meanings by the poet's very arrangement of them deepening his thesis by arguing that poems eat poems as each reuses and reconceptualizes the imagery of its predecessor frequently with ironic or parodic effect *Dream Song* Paul Mariani, 2016-03-07 *Dream Song* is the story of John Berryman one of the most gifted poets of a generation that included Elizabeth Bishop Randall Jarrell Robert Lowell and Dylan Thomas Using Berryman's unpublished letters and poetry as well as interviews with those who knew him intimately Paul Mariani captures Berryman's genius and the tragedy that dogged him while at the same time illuminating one of the most provocative periods in American letters Here we witness Berryman's struggles with alcohol and drugs his obsession with women and fame and his friendships with luminary writers of the century Mariani creates an unforgettable portrait of a poet who by the time of his suicide at age fifty seven had won a Pulitzer Prize and a National Book Award *Reading the Middle Generation Anew* Eric Haralson, 2006-04 Ten original essays by advanced scholars and well published poets address the middle generation of American poets including the familiar Robert Lowell Elizabeth Bishop Randall Jarrell and John Berryman and various important contemporaries Delmore Schwartz

Theodore Roethke Robert Hayden and Lorine Niedecker This was a famously troubled cohort of writers for reasons both personal and cultural and collectively their poems give us powerful moving insights into American social life in the transforming decades of the 1940s through the 1960s In addition to having worked during the broad middle of the last century these poets constitute the center of twentieth century American poetry in the larger sense refuting invidious connotations of middle as coming after the great moderns and being superseded by a proliferating postmodern experimentation This middle generation mediates the so called American century and its prodigious body of poetry even as it complicates historical and aesthetic categorizations Taking diverse formal and thematic angles on these poets biographical historical deconstructionist and more formalist accounts this book re examines their between ness and ambivalence their various positionings and repositionings in aesthetic political and personal matters The essays study the interplay between these writers and such shifting formations as religious discourse consumerism militarism and war the ideology of America as nature s nation and U S race relations and ethnic conflicts Reading the Middle Generation Anew also shows the legacy of the middle generation the ways in which their lives and writings continue to be a shaping force in American poetry This fresh and invigorating collection will be of great interest to literary scholars and poets

*The Collected Poems of Robert Penn Warren* Robert Penn Warren, 1998-10-01 Winner of the C Hugh Holman Award A central figure in twentieth century American literature Robert Penn Warren 1905 1989 was appointed by the Library of Congress as the first Poet Laureate of the United States in 1985 Although better known for his fiction especially his novel All the King s Men it is mainly his poetry spanning sixty years fifteen volumes of verse and a wide range of styles that reveals Warren to be one of America s foremost men of letters In this indispensable volume John Burt Warren s literary executor has assembled every poem Warren ever published with the exception of Brother to Dragons including the many poems he published in The Fugitive and other magazines as well as those that appeared in his small press works and broadsides Burt has also exhaustively collated all of the published versions of Warren s poems which in some cases appeared as many as six different times with substantive revisions in every line as well as his typescripts and proofs And since Warren never seemed to reread any of his books without a pencil in his hand Burt has referred to Warren s personal library copies This comprehensive edition also contains textual notes lists of emendations and explanatory notes Warren was born and raised in Guthrie Kentucky where southern agrarian values and a predilection for storytelling were ingrained in him as a young boy By 1925 when he graduated from Vanderbilt University he was already the most promising of that exceptional set of poets and intellectuals known as the Fugitives Warren devoted most of the 1940s and 1950s to writing prose and literary criticism but from the late 1950s he composed primarily poetry with each successive volume of verse that he penned demonstrating his rigorous and growing commitment to that genre The mature visionary power and technical virtuosity of his work in the 1970s and early 1980s emanated from his strongly held belief that only insofar as the work of art establishes and expresses a self can it engage us

Many of Warren's later poems which he deemed some of my best rejoice in the possibilities of old age and the poet's ability for continually expanding in a vital process of definition affirmation revision and growth a process that is the image we may say of the life process      **Select Poems of William Wordsworth** William Wordsworth, 1889      **John Berryman:**
