Victory Is Assured Stanley Crouch,2022-09-13 The grievous loss of Stanley Crouch one of

America's most renowned intellectuals is underscored by the posthumous appearance of these remarkable essays. With Stanley Crouch's untimely death in 2020, American literature lost a critic without peer. Ta-Nehisi Coates, born in Los Angeles in 1975, Crouch: a towering stylist, fearless columnist, and without question one of the finest jazz critics of all time, was Rabelaisian both in stature and in intellectual appetite. Beloved yet cantankerous, Crouch delighted and enflamed the passions of his readers in equal measure, whether writing about race, politics, literature, or music. In these essays, some discovered on his computer unpublished until now, Crouch tackles subjects ranging from Malcolm X, a thorned bud standing in the shadow of sequoias, to the films of Quentin Tarantino. With *Django*, Tarantino has slipped down into a shallow and bloodstained hip-hop turn that his own best work has well refuted. Introduced by Jelani Cobb with an afterword by Wynton Marsalis and collected by his longtime editor Glenn Mott, *Victory Is Assured* canonizes the legacy of an inimitable, indispensable American critic.
