Sudden Departures:

HBO's The Leftovers Eliot Borenstein, 2023-12-06 This book unpacks and analyzes the central themes of sacrifice melancholy apocalypticism and the nature of family and home in HBO's *The Leftovers* to demonstrate the key role it played in the development of early twenty first century television Eliot Borenstein argues that the story of *The Leftovers* is the most sustained exploration of loss ever to appear on American television and subverts the expectations of viewers who look to prestige dramas as puzzles to solve by providing no clear answers the mysteries most central to the show's plot Instead Borenstein posits the series endeavors to provide more nuanced and realistic portrayals of the melancholy that occurs when people's lives are unmoored leavening an inherently depressing experience with absurdity and moments of grace

Rethinking Two Weeks' Notice Robert Glazer, 2024-11-19 It's a shame to let a bad ending spoil a good relationship but that's what happens in most companies every day Employees who are thinking of leaving keep their plans secret until they are confident of their next steps and suddenly put in their two weeks notice Companies might retaliate by asking them to leave immediately and not even letting them stay the full two weeks And on the other hand companies fire or layoff employees with hardly any warning all the time as well and those employees don't even get the courtesy of a two weeks notice In either scenario both parties feel blindsided and are left scrambling But there is a better way by creating an open transition program OTP companies and employees can be honest when they don't feel a role is working and make a plan together to find a better fit OTPs are built on four foundational principles Psychological safety throughout the organization so that employees feel safe to say when something isn't working Honest communication through feedback Respect A commitment to mutually beneficial outcomes for both parties With these four principles in place organizations can create a culture where everyone feels empowered to pursue the best fit role for them When an ending is the right decision it happens with transparency trust and a solid transition This book guides managers in creating open transition programs throughout their organizations so that everyone can find the right role *The Decline of Serfdom in Late Medieval England* Mark Bailey, 2014 An exciting fresh look at one of the most important questions of medieval scholarship the decline of serfdom and its implications Scholars from various disciplines have long debated why western Europe in general and England in particular led the transition from feudalism to capitalism The decline of serfdom between c 1300 and c 1500 in England is central to this Transition Debate because it transformed the lives of ordinary people and opened up the markets in land and labour Yet despite its historical importance there has been no major survey or reassessment of decline of serfdom for decades Consequently the debate over its causes and its legacy to early modern England remains unresolved This dazzling

study provides an accessible and up to date survey of the decline of serfdom in England applying a new methodology for establishing both its chronology and causes to thousands of court rolls from 38 manors located across the south Midlands and East Anglia It presents a ground breaking reassessment challenging many of the traditional interpretations of the economy and society of late medieval England and indeed of the very nature of serfdom itself Mark Bailey is High Master of St Paul s School and Professor of Later Medieval History at the University of East Anglia He has published extensively on the economic and social history of England between c 1200 and c 1500 including *Medieval Suffolk* 2007 *Alfred Russel Wallace Letters and Reminiscences Complete Vol. 1.2* James Merchant,2024-02-02 Alfred Russel Wallace Letters and Reminiscences Vol 2 Insights into a Naturalist s Legacy and Victorian Scientific Adventure Alfred Russel Wallace Letters and Reminiscences Vol 2 Immerse yourself in the extraordinary life and adventures of Alfred Russel Wallace with Letters and Reminiscences Vol 2 This compelling collection unveils the personal letters and reflections of a pioneering naturalist who navigated the uncharted territories of science and exploration during the Victorian era Wallace s words come alive offering a unique perspective on his groundbreaking contributions to evolutionary thought and his encounters with the wonders of the natural world Why This Book Alfred Russel Wallace Letters and Reminiscences Vol 2 provides an intimate look into the mind of a scientific luminary Through his letters and reminiscences readers gain insight into Wallace s unwavering curiosity his relentless pursuit of knowledge and the profound impact of his discoveries on the fields of biology and anthropology Alfred Russel Wallace a Victorian naturalist and co discoverer of the theory of evolution by natural selection is a figure of enduring significance This collection allows readers to connect with the man behind the scientific achievements exploring the depth of his intellect and the spirit of adventure that defined his life **Alfred Russel Wallace** Alfred Russel Wallace,Sir James Marchant,1916 *Sense and Sensibility* Pickle Publishing,2025-07-19 *Sense and Sensibility* A Modern Retelling The Modern English Retelling Series A timeless classic of love loss and personal growth now retold in modern English for today s readers In this heartfelt retelling of Jane Austen s *Sense and Sensibility* the Dashwood sisters Elinor and Marianne navigate the complexities of family love and societal expectations in 19th century England Elinor the sensible one must suppress her emotions to protect her family after their father s death Marianne the passionate and idealistic sister falls headlong into heartbreak learning that love is not always as grand as she imagined As the sisters grapple with their contrasting approaches to life and love they learn valuable lessons in understanding sacrifice and the true meaning of happiness This modern English adaptation of *Sense and Sensibility* preserves Austen s witty social commentary and deeply human characters while updating the language for clarity and emotional depth Perfect for students teachers book clubs or readers new to Austen this retelling offers a fast paced accessible version of the beloved classic Classic romance rewritten in modern English Ideal for young adult and adult readers Streamlined for clarity perfect for both classroom and casual reading Features all major scenes and themes from the original novel Part of The Modern English Retelling Series Whether you re revisiting Austen s world or
