Suetonius

Suetonius Caligula:

Suetonius: Caligula Suetonius,1993 This edition of the Roman historian Suetonius life of the notorious emperor Caligula includes an introduction giving historical background the Latin text and commentary notes on the text *Caligula* Suetonius,2015-02-26 Because of his baldness and hairiness he announced it was a capital offence for anyone either to look down on him as he passed or to mention goats in any context The biography of the brutal crazed and incestuous Roman Emperor Caligula who tried to appoint his own horse consul Introducing Little Black Classics 80 books for Penguin s 80th birthday Little Black Classics celebrate the huge range and diversity of Penguin Classics with books from around the world and across many centuries They take us from a balloon ride over Victorian London to a garden of blossom in Japan from Tierra del Fuego to 16th century California and the Russian steppe Here are stories lyrical and savage poems epic and intimate essays satirical and inspirational and ideas that have shaped the lives of millions Gaius Suetonius Tranquillus c 70 130 CE Suetonius s The Twelve Caesars is also available in Penguin Classics *Caligula* C. Suetonius Tranquillus,2019-05 Caligula Latin Gaius Julius Caesar Augustus Germanicus 31 August 12 24 January 41 AD was Roman emperor from AD 37 to AD 41 The son of the popular Roman general Germanicus and Augustus granddaughter Agrippina the Elder Caligula was born into the first ruling family of the Roman Empire conventionally known as the Julio Claudian dynasty Germanicus uncle and adoptive father Tiberius succeeded Augustus as emperor of Rome in AD 14 Although he was born Gaius Caesar after Julius Caesar he acquired the nickname Caligula meaning little soldier s boot the diminutive form of caliga from his father s soldiers during their campaign in Germania When Germanicus died at Antioch in AD 19 Agrippina returned with her six children to Rome where she became entangled in a bitter feud with Tiberius The conflict eventually led to the destruction of her family with Caligula as the sole male survivor Untouched by the deadly intrigues Caligula accepted an invitation in AD 31 to join the emperor on the island of Capri where Tiberius had withdrawn five years earlier Following the death of Tiberius Caligula succeeded his adoptive grandfather as emperor *Caligula* Aloys Winterling,2011-08-02 Caligula ruled Rome from AD 37 to 41 as a tyrant who ultimately became a monster This book sets Caligula s story in its political context and argues that his appalling acts were a rational response to the times in which he lived **Suetonius' Life of Caligula** D. Wardle,1994 **The Roman Empire** Colin Michael Wells,1995 This sweeping history of the Roman Empire from 44 BC to AD 235 has three purposes to describe what was happening in the central administration and in the entourage of the emperor to indicate how life went on in Italy and the provinces in the towns in the countryside and in the army camps and to show how these two different worlds impinged on each other Colin Wells s vivid account is now available in an up to date second edition *The Emperor Gaius (Caligula)* John Percy Vyvian Dacre Baldson,1976 **THE 12 CAESARS** Suetonius,2018-11-02 This eBook edition of The Twelve Caesars has been formatted to the highest digital standards and adjusted for readability on all devices The Twelve Caesars is a set of twelve biographies of Julius Caesar and the first 11

emperors of the Roman Empire written by Gaius Suetonius Tranquillus The book provides valuable information on the heritage personal habits physical appearance lives and political careers of the first Roman emperors as it mentions details which other sources do not As with many of his contemporaries Suetonius took omens seriously and carefully includes reports of omens portending Imperial births accessions and deaths The Twelve Caesars was considered very significant in antiquity and remains a primary source on Roman history The book discusses the significant and critical period of the Principate from the end of the Republic to the reign of Domitian **Suetonius** Brent Vine,2017-11-07 Suetonius explores the colorful life of Caligula one of Rome s most notorious emperors The intermediate advanced Latin student can enjoy selections of Suetonius s humorous biography with the help of Brent Vine s notes and commentary in this accessible reader

History's 9 Most Insane Rulers Scott Rank,2020-05-12 Madness and Power Can the insane rule Can insanity be a leadership quality Scott Rank says yes well sometimes in this fascinating look at nine of history s most notorious rulers from the Roman emperor Caligula to the North Korean Communist dictator Kim Jong il Rank paints intimate portraits of these deeply flawed but powerful men examining the role that madness played in their lives the repercussions of their madness on history and what their madness can tell us about the times in which they lived In History s 9 Most Insane Rulers you will meet King Charles VI of France who thought he was made of glass Sultan Ibrahim I who was driven mad by the sadistic succession battles of the Ottoman Empire Caligula who built temples to himself and whose reign highlighted the lethal tensions between the power of the new Imperial Rome and the prerogatives of the old Roman Republic The Russian tsar who became known as Ivan the Terrible King George III of Britain who not only lost his American colonies but lost his mind as well Bavaria s Mad King Ludwig II who left the world richer for his fabulous fairy tale castles and his patronage of the composer Richard Wagner Insane rulers did not die off with the last of the mad monarchs who inherited their power Rank also examines the rise to power of crazed modern rulers such as Idi Amin who began as a lowly army cook and rose to the presidency of Uganda and Saparmurat Niyazov who ruled Turkmenistan and promoted a bizarre cult of personality around himself Both entertaining and illuminating History s 9 Most Insane Rulers is a must read for anyone interested in the role insanity has played in history

Messalina Honor Cargill-Martin,2023-06-06 The shocking and scandalous story of Messalina the third wife of Emperor Claudius one of the most controversial women to have inhabited the Roman world The lubricious image of the Empress Messalina as a ruthless predatory and sexually insatiable schemer derived from the work of male historians such as Tacitus and Suetonius has taken deep root in the Western imagination Here the classicist Honor Cargill Martin puts this traditional narrative of Messalina to the test She looks first at Messalina s life as it is recounted in the primary sources before using material and circumstantial evidence to reconstruct each aspect of Messalina s character politician wife adulteress and prostitute Finally she explores how posterity has memorialized Messalina whether as artist s muse epitome of depraved pagan womanhood or as libertine icon portrayed in literature and film Cargill Martin sets out not

to entirely rewrite Messalina's history or to salvage her reputation but to look at her life in the context of her time and to reclaim the humanity of a life story previously defined by currents of high politics and patriarchy Domina Guy de la Bédoyère, 2018-10-30 An illuminating and highly readable narrative about the role of women at the center of imperial Rome fascinating and important Lesley Adkins author of *Handbook to Life in Ancient Rome* Augustus Tiberius Caligula Claudius and Nero these are the names history associates with the early Roman Empire Yet not a single one of these emperors was the blood son of his predecessor In this captivating history a prominent scholar of the era documents the Julio-Claudian women whose bloodline ambition and ruthlessness made it possible for the emperors' line to continue Eminent scholar Guy de la Bédoyère author of *Praetorian* asserts that the women behind the scenes including Livia Octavia and the elder and younger Agrippina were the true backbone of the dynasty De la Bédoyère draws on the accounts of ancient Roman historians to revisit a familiar time from a completely fresh vantage point Anyone who enjoys I Claudius will be fascinated by this study of dynastic power and gender interplay in ancient Rome In contrast to most histories of Rome which focus almost entirely on the exploits of its male emperors Domina examines the women who partnered them in power from the perfect Roman wives Livia and Octavia to Cleopatra Agrippina the Younger and the trio of Severan Julias who all stepped far beyond tradition to dominate the Roman world Joann Fletcher author of *The Story of Egypt* Enjoyable fluently written and well balanced in approach De la Bédoyère leaves no stone unturned by way of evidence which he carefully evaluates with regard to its context and reliability Pat Southern author of *The Roman Army* Ancient Rome's Worst Emperors L. J. Trafford, 2025-08-05 Who qualifies as the worst of Roman emperors and why Join L. J. Trafford for a tour of the very worst leadership in ancient Rome featuring Caligula Commodus and many more Between 27 BCE and 476 CE a series of men became Roman Emperor ruling a domain that stretched across Europe North Africa and the Near East Some of them did this rather well expanding Rome's territories further installing just laws and maintaining order within the city Others however were distinctly less successful at the job *Ancient Rome's Worst Emperors* takes an engaging and amusing look at the mad the bad and the catastrophically incompetent of Rome's rulers From the sadistically cruel Caligula to the hopelessly weak Valentinian II there were many who failed dismally at the top job for a variety of reasons But what qualifies someone as a worst emperor What evidence is there to support it And should we believe any of it Join us on a tour of the very worst leadership ancient Rome has to offer as we delve into sadistic acts of cruelty paranoia run rampant poor decision making skills and the danger of being the wrong man at the wrong time Rome's Enemies Within John S. McHugh, 2024-10-30 The greatest danger to Roman emperors was the threat of deadly conspiracies arising among the Senate the imperial court or even their own families All the emperors that reigned from Augustus to the end of the first century AD faced such efforts to overthrow or assassinate them John McHugh uncovers these conspiracies narrating them and seeking to explain them The underlying cause in many cases was the decline in influence patronage and status granted by emperors to the Senatorial class leading some to seek power for themselves or

a more generous candidate Attempted assassinations or coups led the emperors to mistrust the Senate and rely more on freedmen causing more resentment Paranoid emperors often reacted to the merest hint of treason real or imagined with punishments and executions leading more of those around them to consider desperate measures out of self preservation And of course amid this vicious circle of poisonous mistrust there were ambitious family members promoting their own or their offspring s claims to the purple and the duplicitous Praetorian Guard John McHugh brings to light a century of assassination conspiracy and betrayal exploring the motives and aims of the plotters and the bloody cost of success or failure *The Quest for the Tomb of Alexander the Great: Third Extended Edition* Andrew Michael Chugg,2019-11-17 Uncovers a connection between a Macedonian funerary sculpture found in the foundations of the Basilica di San Marco in Venice and the sarcophagus of an Egyptian Pharaoh shipped to London from Alexandria in 1801 Traces their trails to show that both seem to come from Alexander s tomb in Alexandria Now it is revealed that the sculptural relief was fitted to the sarcophagus confirming the theory The author writes When I embarked upon the deck of this Odyssey it seemed to me that shipwreck was my eventual destiny but now beyond the raging roiling sea I have glimpsed the shore of verdant Valinor unveiled before me Though I may yet come to grief upon some reef washed by waves of disbelief I voyage on to vindication my vessel s ordained destination With greatness grazing on the verge of rediscovery we may surely see the resolution of this mystery So let my sail now be unfurled to catch the wind and win the world Alexander s long lost legacy the parted parts of his shattered tomb and battered body **Great Women of Imperial Rome** Jasper Burns,2006-11-22 A lively and engaging account of the leading ladies of imperial Rome from the foundation of the Empire to the third century AD and a postscript on the fourth century It is illustrated by 416 Coin Photographs as well as a dozen striking portraits by the author and will thus be an indispensable resource for historians art historians and numismatists in addition to its wider appeal **From Augustus to Nero** Garrett G. Fagan,Paul Murgatroyd,2006-03-23 This reader contains selections from Tacitus Suetonius and Seneca on the first five Roman emperors They present a dark world of murder mayhem debauchery and palace intrigue Augustus with his firm moral policies and secret adulterous affairs the sour and depraved Tiberius the extravagance and madness of Caligula the slobbering and ineffective Claudius and Nero with his absurd artistic pretensions Exciting horrific and moving the selections are also valuable for studying style and rhetoric human nature and the roles of women imperialism and corruption The book is aimed at students moving on to genuine unsimplified Latin prose after completing an introductory Latin course It contains a useful introduction detailed notes providing a lot of help with grammar expression and translation a full vocabulary and an appreciation offering historical comment for context and analysis and literary criticism to make the passages come alive as literature and enhance students perception and enjoyment **An Historical and Historiographical Commentary on Suetonius' Life of C. Caligula** Donna W. Hurley,1993 A study of whether or not Caligula was as vile as Suetonius said and a discussion of why the discrediting stories were told as they were Annotation copyright by Book News Inc Portland OR

Roman Women Paul Chrystal, 2017-05-17 **Praetorian** Guy de la Bédoyère, 2017-02-28 The dramatic story of the soldiers at the heart of the Roman empire traces the history of the praetorians and the emperors they served Adrian Goldsworthy author of Philip and Alexander Kings and Conquerors Founded by Augustus around 27 B C the elite Praetorian Guard was tasked with the protection of the emperor and his family As the centuries unfolded however Praetorian soldiers served not only as protectors and enforcers but also as powerful political players Fiercely loyal to some emperors they vied with others and ruthlessly toppled those who displeased them including Caligula Nero Pertinax and many more Guy de la Bédoyère provides a compelling first full narrative history of the Praetorians whose dangerous ambitions ceased only when Constantine permanently disbanded them de la Bédoyère introduces Praetorians of all echelons from prefects and messengers to artillery experts and executioners He explores the delicate position of emperors for whom prestige and guile were the only defenses against bodyguards hungry for power Folding fascinating details into a broad assessment of the Praetorian era the author sheds new light on the wielding of power in the greatest of the ancient world's empires Any future researcher into the subject will certainly begin here The Times London A lively and up to date history of the Praetorian Guard the anti coup divisions of the Roman emperors from Augustus to Constantine De la Bédoyère tells their story with clarity and panache and his book can be most warmly recommended both to aspiring tyrants and the ordinary armchair historian The Sunday Times Fast paced and engaging The Sunday Telegraph A definitive and highly readable account Tom Holland author of Rubicon The Last Years of the Roman Republic

Suetonius Caligula Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has been apparent than ever. Its capability to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**Suetonius Caligula**," written by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
