The Pope Answers John Paul II's Encyclical Letter The Mission Of Christ The Redeemer:

The Pope Answers Pope John Paul II, 1992-01-01 The Legacy of Pope John Paul II Alan Schreck, 2012 Popes are the Church's chief shepherds. While some focused on governing the Church and addressing challenges from the world, others recognized their primary responsibility to proclaim and teach the Gospel. Author Alan Schreck calls these the teaching popes, and John Paul II was such a pope, leading the Church and impacting the world with his witness and his teaching. The encyclical letter has been in modern times the instrument for popes to express their most important teachings that have lasting value for the Church and often for the whole world. Dr. Schreck invites the reader to become familiar with the encyclical letters of Pope John Paul II. In *The Legacy of Pope John Paul II*, Dr. Schreck breaks down more scholarly writing into accessible language. The reflection questions and suggestions for further reading at the end of each chapter help facilitate a systematic study of the central teachings of this brilliant but pastoral pope who conveyed the truth in love. *Renewing the Evangelical Mission* Richard Lints, 2013-05-26 The culture story of evangelicalism during the second half of the twentieth century has been well told. It is important now to think about the theological mission of the church in an ever-increasing post-Christian and post-partisan context. What is the theologian's calling at the beginning of the third millennium? How do global realities impact the mission of evangelical theology? What sense can be made of the unity of evangelical theology in light of its many diverse voices? Contributors: Os Guinness, Michael S. Horton, Richard Lints, Bruce McCormack, Mark Noll, J. I. Packer, Gary Parrett, Rodney Peterson, Cornelius Plantinga, Tite Tienou, Kevin J. Vanhoozer, Adonis Vidu, and Miroslav Volf. **Open Wide the Doors to Christ: Discovering Catholicism** Lucas Pollice, 2013-10-01 *Open Wide the Doors to Christ* is a powerful tool for both teachers and students of the Catholic faith. As an excellent resource for RCIA and Adult Faith Formation, this insightful book discusses the basics of the Catholic faith and how we can live it fully. As the meat and potatoes of Catholicism, it is an introduction to the Church's teachings on the Creed, the sacraments, the moral life, prayer, and much more, with particular focus upon those who are seeking to become Catholic. Presented in a way that adults from all walks of life can understand, the book challenges readers to dig deeper and to continue to grow in their understanding of Christ and the Catholic Church. **Being and Building up the Church in My Father's Home** Alozie Oliver Onwubiko, 2020-06-03 The rehabilitation by St. Pope Paul VI of African traditional religions and cultures has made them more objective for theological and anthropological reflection. And the reflecting subject is a native African himself. And the repatriation of missiology into ecclesiology in the Catholic Church in the 21st Century is a new development, and the result is what we have before us in this book. Here, personal, native, anthropological, and theological experience has combined with in-depth reading of the African novelists' necessarily biased distillation of African culture, has nourished thinking and reflection at a new level in terms of ecclesial implications of living Christianity authentically and being and building the Church in my father's home.
