Second Edition will continue to be an indispensable reference for practicing conservators. It will also be an essential resource for students taking conservation courses around the world. *Dictionary of Artists' Models* Jill Berk Jiminez, 2013-10-15 The first reference work devoted to their lives and roles this book provides information on some 200 artists models from the Renaissance to the present day. Most entries are illustrated and consist of a brief biography, selected works in which the model appears with location, a list of further reading. This will prove an invaluable reference work for art historians, librarians, museum and gallery curators as well as students and researchers. **The Ethics of Creativity** S. Moran, D. Cropley, J. Kaufman, 2014-03-28 The Ethics of Creativity illuminates the thorny issues that arise when novel creative ideas collide with what we believe to be right or good. This book tackles questions of when creativity and ethics tend to coincide and when conflict and how both might be harnessed to support a brighter future for all. Focus On: 100 Most Popular United States National Medal of Arts Recipients Wikipedia contributors, **Focus On: 100 Most Popular 21st-century American Musicians** Wikipedia contributors, **Why is that Art?** Terry Barrett, 2017 Why is that art? Why is it in an art museum? Who says it's art? Why is it good? Why Is That Art? Third Edition introduces students to theories of art through the presentation of contemporary works that include abstract and representational painting, animated film, monumental sculpture, performance art, photographs, relational art, and video installations. Ideal for courses in aesthetics, art theory, art criticism, and the philosophy of art, this unique book provides students with a newfound appreciation for contemporary art scholarship and reasoned argumentation.
