Bakke, 2025-07-29 As we look at the world class cities around our planet we face five new urban realities a crack cocaine epidemic assault weapons massive numbers of homeless children HIV AIDS and in the U S what

Time magazine has called the browning of America The needs of the urban population are greater than ever As our cities swell with immigrants I m reminded that Jesus was born in a borrowed barn in Asia and became an African refugee in Egypt so the Christmas story is about an international migrant Furthermore a whole village full of baby boys died for Jesus before he had the opportunity to die for them on the cross Surely this Jesus understands the pain of children who die for the sins of adults in our cities How does God see the city What does Scripture have to say about urban ministry These are the questions Ray Bakke has systematically addressed beginning with Genesis and continuing through to Revelation Here is a biblical theology that will constantly surprise and challenge as you get a glimpse of how big God s view of the city really is

Work and Worship Matthew Kaemingk, Cory B. Willson, 2020-11-17 The modern chasm between secular work and sacred worship has had a devastating impact on Western Christianity Drawing on years of research ministry and leadership experience Kaemingk and Willson explain why Sunday morning worship and Monday morning work desperately need to inform and impact one another Together they engage in a rich biblical theological and historical exploration of the deep and life giving connections between labor and liturgy In so doing Kaemingk and Willson offer new ways in which Christian communities can live seamless lives of work and worship

The City Gate John Kingsley Alley, This is a unique book A combination of profound truths presented in narrative and biblical theology along with perceptive insight from a fathering heart combine to bring an authoritative apostolic message to the Body of Christ This cut through teaching coming from a seasoned mature apostolic voice is timely In making clear the Word of our Lord Jesus and the words of His apostles it calls for a profound change in the visible structure of the Church and in the way we live out the expressed values of Christianity To embrace the biblical imperative of establishing City Eldershops would fly in the face of much vested interest in the Church But vested interest does not stand in the judgement day We must live rather by the fear of the Lord
