Gabriel of St Mary Magdalen, 1987-03-01 The classic book of daily meditations on the interior life newly revised and expanded to correspond with the feasts of the Catholic liturgical year Cover *Developing Intimacy with God* Alex B. Aronis, 2003-04-30 It is customary for pastors to urge their congregations to spend time with God in prayer They know that this is of paramount importance the one thing needful But instructions given by pastors usually have to do with prayer for others or prayer for oneself Rarely does one hear instruction on how specifically one can nurture and deepen one's relationship with Jesus This is the challenge that Alex Aronis has taken up in his book *Developing Intimacy with God* Anchored on the spiritual classic *The Spiritual Exercises* of St Ignatius Alex has made the necessary adjustments to this sixteenth century text to maximize its contribution for modern readers Thus the book serves as a personal spiritual guide It can be used for individual or group use and coaches the prayer over an eight week period through a series of interactive prayer exercises Aronis writes For disciples of Jesus nothing in this world is of greater importance than experiencing intimate communion with Christ It is our greatest privilege to know Jesus personally and to let God love us as we commune with him on a daily basis *Developing Intimacy with God* will teach you how to do that

Retreat in the Real World Andy Alexander, Maureen McCann Waldron, Larry Gillick, 2008-11 Retreat in the Real World allows anyone to make an in depth self directed Ignatian retreat on his or her own time This 34 week retreat can be started at any point in the calendar year and can be done anywhere at any time by yourself or with others **Far from Home** Joseph M. Stowell, 1998 Are you experiencing the joy of knowing your Master The Bible speaks of many benefits stemming from our relationship with God such as hope joy and peace It tells us that Jesus came to bring us eternal and abundant life But in order to truly live the abundant life followers of Jesus Christ must spend time in fellowship with Him In the Garden Karen Tully, 2013-11 God has made a beautiful world with a wonderful plan for each of us It is my hope that the stories and poems written in this book can do all the things they have been planned to do May they minister the Love of God and a drawing by the Holy Spirit to come closer to the Lord Jesus Christ and to know him more intimately Each poem has been written out of a trial or a growing process God has brought me through Or just from being in his presence in the garden of my heart where unspeakable joy flows forth from God There have been tremendous growing periods along the way and the

poems within this book are my way of expressing the lessons and love we can all experience in our walk with the Lord Remembering the old song that is so beautifully real I come to the garden alone while the dew is still on the roses and the voice I hear falling on my ear the Son of God discloses and he walks with me and he talks with me and he tells me I am his own and the joy we share as we tarry there none other has ever known My prayer is for the love and message God has put in these poems will be a blessing to you That they may bring the healing of our Father the love and closeness to him with his tenderness and kindness That we may all share in the unity of the faith and the intimacy of our Lord Jesus the Son of God in the deep places of our hearts and lives *Resting in His Redemption* James Gills, 2011 The Scriptures teach clearly that God desires to live in intimate fellowship and communion with mankind He wants us to enjoy His love peace joy and companionship and to rest in His redemption experiencing the perfect harmony and contentment and fulfillment of purpose for which He created us God's original purpose for creating mankind was simply for us to enjoy relationship with Him the kind of fellowship that the first couple Adam and Eve enjoyed in the Garden of Eden when God walked with them in the cool of the evening Gen 3:8 Then sin entered the human experience and separated all mankind from that divine fellowship But when we place our faith in Christ's sacrifice for our sin we are redeemed by the blood of Christ and justified in the sight of God But that is not the end of the matter it is only the beginning God's intention is that we be completely restored spirit soul and body to the divine rest found in His redemption He wants us to experience that mystery of intimate communion with our Creator Redeemer In this book we will discuss four important aspects of fulfilling the deepest desire of the human heart to know God personally and intimately in the way God's great loving heart intended To know the love of God that brings true heart contentment we need to walk in the understanding of these divine principles The biblical basis for all prayer is resting in His redemption The biblical basis for all Christian living is resting in His redemption The biblical basis for total forgiveness is resting in His redemption The biblical basis for divine contentment is resting in His redemption Your life can be transformed when you allow Him to make them a reality to your heart The love of God can fill your heart and make you a victorious lover of the Christ You will be ruined for any lesser temporal pleasure or love once you taste more deeply the wonders of resting in His redemption The Garden of the Lord Wendy Robbins, 2012-12 Cultivate your heart relationship with the Lord and enjoy getting to know Him in a deeper and more intimate way Discover the life giving relationship God intended for us by exploring the garden experiences in the Bible Explore the true place of delight in the Garden of Eden and that special place of love found in the garden in the Song of Solomon Learn how He wants us to enjoy Him Understand what happens when we neglect our garden and how the resulting weeds can overtake it and cause barrenness in our souls Discover that ultimately choosing the laying down of our will as Jesus did in the Garden of Gethsemane will free us to love and enjoy Him Identify with the stripping and suffering of our Savior in the garden of crucifixion and the dying of self we must all experience in our Christian walk Find encouragement to respond to life with perseverance faith and hope You will be

blessed as you journey with the Lord on the path to restoration of the Garden of the Lord and the abundant life He has for you **The Garden Within** Emma Kelln, 2013-07 Are you ready to meet with God in the secret place of your soul To experience a face to face encounter with Him His heart meeting with yours Do you have a deep desire to be whole and free To find out your destiny in Him and for Him Then join me in this journey to the Garden Within a journey to wholeness Jesus the Master Gardener absolutely knows what you were born for because He created you for that purpose He is perfecting you into His image Before you were ever born He knew you He walked and talked with you in the very same garden you will enter on this journey Will you let God the pruner and gardener of your life fashion you into His very image FINALLY I received the revelation of how much God loves me He grabbed my heart my hand in The Garden Within I have a whole new strength and outlook and now I ache to be with Him Joni Patterson My heart's desire for you in this journey is for God Himself to touch and heal your soul your very being and for Him to bring restoration purpose and wholeness to your life Through these pages He will reveal to you your restored flourishing garden so that you can then nurture others and help them to grow and be fruitful with the ultimate goal being to fill the whole earth with the knowledge of God Here on this ground which is hard now I will make it a vineyard Jesus
