

The Presidency

**United States. Congress. Senate.
Committee on Rules and
Administration**

The Presidency:

Guide to the Presidency Michael Nelson, 2015-05-01 The Guide to the Presidency is an extensive study of the most important office of the U S political system Its two volumes describe the history workings and people involved in this office from Washington to Clinton The thirty seven chapters of the Guide arranged into seven distinct subject areas ranging from the origins of the office to the powers of the presidency to selection and removal cover every aspect of the presidency Initially dealing with the constitutional evolution of the presidency and its development the book goes on to expand on the history of the office how the presidency operates alongside the numerous departments and agents of the federal bureaucracy and how the selection procedure works in ordinary and special circumstances Of special interest to the reader will be the illustrated biographies of every president from Washington to the present day and the detailed overview of the vice presidents and first ladies of each particular office Also included are two special appendices one of which gathers together important addresses and speeches from the Declaration of Independence to Clinton s Inaugural Address and another which provides results from elections and polls and statistics from each office **The Cult of the Presidency** Gene Healy, 2009 Intro Table of Contents Acknowledgements Introduction 1 Our Chief Magistrate and His Powers 2 Progress and the Presidency 3 The Age of the Heroic Presidency 4 Hero Takes a Fall 5 Superman Returns 6 War President 7 Omnipotence and Impotence 8 Why the Worst Get on Top and Get Worse 9 Toward Normalcy Afterword Our Continuing Cult of the Presidency Notes About the Author Cato Institute **Succession to the Presidency** United States. Congress. Senate. Committee on Rules and Administration, 1947 *The Powers of the Presidency* CQ Press, 2012-10-19 Providing both a historical and contemporary perspective on presidential powers The Powers of the Presidency guides readers through the presidency as a constitutional office covering how it was shaped by design at the Constitutional Convention in 1787 and by later constitutional amendments Supreme Court decisions and custom and precedent It discusses the various roles of the chief executive including chief of state chief administrator legislative leader chief diplomat commander in chief and chief economist The fourth edition of this accessible and affordable work has been significantly updated and features Coverage of the final years of George W Bush and the first three years of Barack Obama s presidency Extensive coverage of the Obama Administration s efforts to curb economic decline Updates on the wars in Iraq and Afghanistan the killing of Osama bin Laden and on the treatment of detainees at Guantanamo Bay Coverage of the Arab Spring protests and U S involvement in the military intervention in Libya Barack Obama s health care reform legislation *The Politics of the Presidency* Joseph A. Pika, John Anthony Maltese, Andrew Rudalevige, 2019-12-20 The most up to date coverage and analysis of the presidency Never losing sight of the foundations of the political office The Politics of the Presidency maintains a balance between historical context and contemporary scholarship on the executive branch providing a solid foundation for any presidency course In the highly anticipated Tenth Edition of this bestseller Pika Maltese and Rudalevige thoroughly analyze the change

and continuity in the presidency during President Trump's first term his relations with Congress and the judiciary the outcomes of the 2018 midterm election and the competitive setting for the 2020 presidential race Student's Guide to the Presidency Bruce J. Schulman, 2009-03-01 An indispensable reference for young researchers specifically designed for the classroom Specifically written to engage high school students Student's Guide to the Presidency presents a comprehensive overview of the history and ongoing evolution of the American executive branch This single volume resource does not require any prior knowledge of the presidency and covers topics that meet national high school curriculum standards The third installment of the Student's Guide to the U S Government series is also appropriate for introductory American government college classes Teachers and students alike will want to use this resource in preparation for exams and research papers The text features three main sections that present a uniquely integrated approach to studying the U S presidency Part One consists of three informative essays addressing compelling topics on the presidency The Executive Branch Behind the Scenes Since 1789 Power Trip How Presidents Have Increased the Power of the Office Is the U S President the Most Powerful Leader in the World Part Two is an alphabetical section of key words and concepts spanning Adams John to Wilson Woodrow The definitions are supplemented by sidebars with biographies of decision makers spotlights on momentous events and key issues legal milestones and scandals regarding the presidency and point counterpoint coverage of controversial issues Recent entries include the 2008 election of Barack Obama Part Three complements the first two sections with a generous selection of influential primary source material including inaugural addresses constitutional amendments involving the election of the president and presidential succession and political cartoons A crisp layout unites the text with illuminating photos maps charts tables timelines and humorous political cartoons to provide a clear picture of the presidency The Presidency and the Political System Michael Nelson, 2020-07-17 The Presidency and the Political System showcases the best of presidential studies and research with top notch presidency scholars writing specifically for an undergraduate audience Michael Nelson rigorously edits each contribution to present a set of analytical yet accessible chapters and offers contextual headnotes introducing each essay Chapters represent the full range of topics institutions and issues relevant to understanding the American presidency covering approaches to studying the presidency elements of presidential power presidential selection presidents and politics and presidents and government This Twelfth Edition fully incorporates coverage of the Trump administration **The Presidency of Benjamin Harrison** Homer Edward Socolofsky, Allan B. Spetter, 1987 Benjamin Harrison was an early proponent of American expansion in the Pacific a key figure in such landmark legislation as the Sherman Anti Trust Act and the McKinley Tariff and one of the Gilded Age's most eloquent speakers Yet he remains one of our most neglected and least understood presidents In this first interpretive study of the Harrison administration the authors illuminate our twenty third president's character and policies and rescue him from the long shadow of his charismatic secretary of state James G Blaine An Ohio native and Indiana lawyer Harrison opened the second century of the

American presidency in a rapidly industrializing and expanding nation His inaugural address reflected the nation's optimism The masses of our people are better fed clothed and housed than their fathers were The facilities for popular education have been vastly enlarged and more generally diffused The virtues of courage and patriotism have given proof of their continued presence and increasing power in the hearts and over the lives of our people But the burdens and realities of his office soon imposed themselves upon Harrison The biggest blow came at midterm with the Republicans' devastating losses in the 1890 congressional elections In an era of congressional dominance those losses eroded Harrison's position as a legislative advocate at least for domestic issues His impact in foreign affairs was more lasting One of the highlights of this study is its revealing look at Harrison's visionary foreign policy especially toward the Pacific Socolofsky and Spetter convincingly demonstrate that although Harrison's ambition to acquire the Hawaiian Islands was not realized during his presidency his foreign policy was a major step toward American control of Hawaii and American expansion in the Far East **The**

Presidency and the Constitution M. Genovese, R. Spitzer, 2005-08-19 This comprehensive case law book examines the evolution of judicial interpretation of the scope and limitations of presidential power From interbranch struggles for power to presidential selection to campaign financing to war powers hardly an issue arises for the modern presidency that does not eventually find itself framed as a legal problem to be addressed by the courts Each section provides an introduction providing background and framework for students Throughout the analysis is informed by the view that court decisions are framed by legal arguments and constitute legal issuances and are also framed by politics and have profound political consequences Coinciding with a broader intellectual and disciplinary return to institutions and law as key to understanding the presidency and modern politics this book will find special favour among scholars who teach courses on the presidency and related areas

The Presidency in Times of Crisis and Disaster Brian M. Harward, 2019-11-15 This resource uses primary documents and contextualizing essays to illuminate how America's presidents have responded to major tests of their leadership and approached their role and responsibilities in times of national crisis Presidents hold the attention of the public like no other political actor In addition because of their unique role in the constitutional system presidents often take immediate unilateral action in the face of national emergencies Exploring key events crises and disasters through the lens of presidential responsiveness this text reveals not only the larger historical context but also the authority of presidents in meeting the felt necessities of the time deepening readers' understanding of those touchstone events Comprehensive in temporal and topical scope the book covers crises and disasters from the presidency of George Washington through Donald Trump's first two years in office Important events covered include natural disasters wars assassinations terrorist attacks mass shootings economic crises riots tragedies and political scandals Each event is explored through a primary document that reveals key dimensions of the presidential response to the crisis or disaster in question and contextual headnotes and essays that provide additional insights into the political economic and cultural contexts in which that event occurred and to which the president

responded *The Creation of the Presidency, 1775-1789* Charles Coleman Thach (Jr.), 1923 **Organizing the Presidency** Stephen Hess, James P. Pfiffner, 2002-09-19 When Franklin D Roosevelt was inaugurated in March 1933 the White House staff numbered fewer than fifty people In the ensuing years as the United States became a world power and both the foreign and domestic duties of the president grew more complex the White House staff has increased twentyfold This book asks how best to manage a presidency that itself has become a bureaucracy In the third edition of *Organizing the Presidency* Stephen Hess with the assistance of James P Pfiffner surveys presidential organizations from Roosevelt s to George W Bush s examining the changing responsibilities of the executive branch jobs and their relationships with one another Capitol Hill and the permanent government He also describes the kinds of people who have filled these positions and the intentions of the presidents who appointed them *Monumental Remains of the Dutch East India Company in the Presidency of Madras* Alexander Rea, 1897 *Unmaking the Presidency* Susan Hennessey, Benjamin Wittes, 2020-01-21 This is a book for everyone who has developed an unexpected nostalgia for political norms during the Trump years Other books on the Trump White House expertly detail the mayhem inside this book builds on those works to detail its consequences Carlos Lozada one of twelve books to read to understand what s going on Perhaps the most penetrating book to have been written about Trump in office Lawrence Douglas *The Times Literary Supplement* The definitive account of how Donald Trump has wielded the powers of the American presidency The extraordinary authority of the U S presidency has no parallel in the democratic world Today that authority resides in the hands of one man Donald J Trump But rarely if ever has the nature of a president clashed more profoundly with the nature of the office *Unmaking the Presidency* tells the story of the confrontation between a person and the institution he almost wholly embodies From the moment of his inauguration Trump has challenged our deepest expectations of the presidency But what are those expectations where did they come from and how great is the damage As editors of the invaluable *The New York Times* Lawfare website Susan Hennessey and Benjamin Wittes have attracted a large audience to their hard hitting and highly informed commentary on the controversies surrounding the Trump administration In this book they situate Trump era scandals and outrages in the deeper context of the presidency itself How should we understand the oath of office when it is taken by a man who may not know what it means to preserve protect and defend something other than himself What aspects of Trump are radically different from past presidents and what aspects have historical antecedents When has he simply built on his predecessors misdeeds and when has he invented categories of misrule entirely his own By setting Trump in the light of history Hennessey and Wittes provide a crucial and durable account of a presidency like no other **The Presidential Republic** Gary L. Gregg, 1997 For two centuries American presidents have considered themselves to be representatives of the American people In this detailed study of presidential representation Gary Gregg explores the theory history and consequences of presidents acting as representatives in the American political system Gregg explores questions such as what it means to be a representative how the Founding Fathers understood the

place of the presidency in the Republic established by the Constitution and the effects a representational presidency has on deliberative democracy This important examination of the presidency s place in our political system is essential reading for those interested in American political theory constitutional studies and American history

Presidents Creating the Presidency Karlyn Kohrs Campbell, Kathleen Hall Jamieson, 2008-05 Arguing that the presidency is not defined by the Constitution which doesn t use the term but by what presidents say and how they say it *Deeds Done in Words* has been the definitive book on presidential rhetoric for more than a decade In *Presidents Creating the Presidency* Karlyn Kohrs Campbell and Kathleen Hall Jamieson expand and recast their classic work for the YouTube era revealing how our media saturated age has transformed the ever evolving rhetorical strategies that presidents use to increase and sustain the executive branch s powers Identifying the primary genres of presidential oratory Campbell and Jamieson add new analyses of signing statements and national eulogies to their explorations of inaugural addresses veto messages and war rhetoric among other types They explain that in some of these genres such as farewell addresses intended to leave an individual legacy the president acts alone in others such as State of the Union speeches that urge a legislative agenda the executive solicits reaction from the other branches Updating their coverage through the current administration the authors contend that many of these rhetorical acts extend over time George W Bush s post September 11 statements for example culminated in a speech at the National Cathedral and became a touchstone for his subsequent address to Congress For two centuries presidential discourse has both succeeded brilliantly and failed miserably at satisfying the demands of audience occasion and institution and in the process it has increased and depleted political capital by enhancing presidential authority or ceding it to the other branches Illuminating the reasons behind each outcome Campbell and Jamieson draw an authoritative picture of how presidents have used rhetoric to shape the presidency and how they continue to re create it

Vital Statistics on the Presidency Lyn Ragsdale, 2014-04-17 Looking beyond the individual office holders to the office itself this Fourth Edition of *Vital Statistics on the Presidency* covers George Washington s tenure through the 2012 election The book s expansive view of the presidency allows readers to recognize major themes across administrations and to reach overall conclusions about the nature of the institution and its future The illuminating data is put into context by thoughtful essays explaining key statistical patterns making this edition an intriguing and comprehensive reference to important patterns throughout the history of the presidency

The Presidency, Congress, and Divided Government Richard S. Conley, 2002-11-27 Can presidents hope to be effective in policy making when Congress is ruled by the other party Political scientist Richard Conley brings to this crucial discussion a fresh perspective He argues persuasively that the conditions of divided government have changed in recent years and he applies a rigorous methodology that allows the testing of a number of important assumptions about party control of the legislative process and the role of the president Conley demonstrates that recent administrations have faced a very different playing field than those in the earlier post war years because of such critical developments in electoral politics

as decreasing presidential coattails and the lack of presidential popularity in opposition members districts Moreover he identifies several changes in the institutional setting in Congress that have affected both the legislative success rates of presidents programs and the strategies presidents pursue These institutional factors include more assertive legislative majorities changes in leadership structure and increased party cohesion in voting Conley uses both case studies and sophisticated time series regression analyses to examine the floor success of presidential initiatives the strategies presidents use in working with the legislature and the use of veto power to achieve presidential aims Scholars of the presidency and those interested in the larger American political process will find in this book both food for thought and a model of analytic sophistication

Managing the President's Program Andrew Rudalevige, 2002-07-21 Managing the President's Program Necessary and Contingent Truths Bargaining Transaction Costs and Contingent Centralization The President's Program History and Conventional Wisdom The President's Program An Empirical Overview Putting Centralization to the Test Congress Is a Whiskey Drinker Centralization and Legislative Success The Odds Are with the House The Limits of Centralization Hard Choices

Debating the Presidency Richard J. Ellis, Michael Nelson, 2019-12-20 The study of the presidency the power of the office the evolution of the executive as an institution the men who have served has generated a great body of research and scholarship What better way to get students to grapple with the ideas of the literature than through conflicting perspectives on some of the most pivotal issues facing the modern presidency Richard Ellis and Michael Nelson have once again assembled a cadre of top scholars to offer a series of pro con essays that will inspire spirited debate beyond the pages of the book Each essay written in the form of a debate resolution offers a compelling yet concise view on the American executive

The Enigmatic Realm of **The Presidency**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **The Presidency** a literary masterpiece penned with a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those that partake in its reading experience.

The Presidency Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Presidency has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Presidency has opened up a world of possibilities. Downloading The Presidency provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Presidency has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Presidency. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Presidency. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Presidency, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The

Presidency has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Presidency Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Presidency is one of the best book in our library for free trial. We provide copy of The Presidency in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Presidency. Where to download The Presidency online for free? Are you looking for The Presidency PDF? This is definitely going to save you time and cash in something you should think about.
