Happy at last; or Sigh no more Ladies; a comedy [in five acts and in prose]. Henry Summersett,1805 *The Oriental Herald and Colonial Review* ,1827 **The Oriental Herald and Journal of General Literature** ,1827 House of Commons - Health Committee: After Francis: Making A Difference - HC 657 Great Britain: Parliament: House of Commons: Health Committee,2013-09-18 The NHS needs to be an organization in which an open dialogue about care quality is part of the natural culture of the organization not a duty which only arises in cases of service failure Robert Francis made 290 recommendations in his report but in truth they boil down to just one that the culture of doing the system s business is pervasive in parts of the NHS and has to change Many who raise their concerns in the NHS at present risk serious consequences for their employment and professional status But disciplinary procedures professional conduct hearings and employment tribunals are not the proper place for honestly held concerns about patient safety and care quality to be aired constructively The NHS standard contract imposes a duty of candour on all NHS providers This is an essential principle but it is not adequately understood or applied It should mean that all providers create a culture which is routinely open both with their patients and their commissioners The same principle should apply to commissioners so that they are routinely open and

accountable to local communities The Health Committee recommended this approach in 2011 and repeats that now It should be a prime role of the CQC to encourage the development of this culture within care providers and of NHS England to develop the same culture within commissioners The Health Committee will in future work closely with the Professional Standards Authority to develop the accountability process for professional regulators in healthcare

An EU Competition Court Great Britain: Parliament: House of Lords: European Union Committee,2007-04-23 Large cross border mergers have to be cleared in advance by the EC Commission If the Commission prohibits a merger or a third party objects to the clearance the decision can be challenged in the Court of First Instance CFI However the CFI procedure can take several months thereby prolonging uncertainty and sometimes causing bids to be abandoned This is unsatisfactory and the CBI has proposed a new Competition Court as the way forward This report looks at this proposal and concludes that such a court would not be the best way forward Instead there is scope for improving current procedures by firmer case management reducing the work load of the CFI by transferring trade mark cases and improving the Commission s handling of cases to reduce the number and scope of challenges

to heal applies her gift to the critically ill from her home with a secret order of nuns housed at the Cloisters What is the connection between John Albert and Sister Lily Elizabeth They are brother and sister and Lily who has unearthed the scrolls from the darkest depths of the papal archives while researching the healing arts at the Vatican knows that the only way to get her brother to help her translate the documents is to shroud them in an irresistible mystery There is one more faction with particular interest in the scrolls members of the clandestine sect known only as the Guild descendants of the legendary Knights Templar whose mission is to prepare for the Second Coming Though they are not privy to the specific content of the scrolls they know that they contain a sacred message for mankind As the different pieces of this mystical thriller come together ancient mysteries begin to reveal themselves and other provocative questions come to light Could Jesus himself have been the author of the scrolls How will the hierarchy of the contemporary Roman Catholic Church reconcile with the monumentally powerful information that Sister Lily Elizabeth has brought to them and continues to struggle to not only understand but master And will John Albert be ready emotionally and spiritually for the challenges that he has been predestined to face The reader is taken on a magical journey from Long Island New York to ancient Greece through the halls of academia and behind the walls of the Roman Catholic Church in Rome as the author tells this tale of intrigue romance and faith One of the people that have read this manuscript cried when the book ended She cried because she said that she wished that what the scroll revealed could have been the truth The third scroll contains the gift of healing and the creation of life and John Albert and Sister Lily Elizabeth take the information from this scroll and go forward using these gifts and teaching others how to use them The mystery ends with the pope confiscating the scrolls and reburying them in the bowels of the Vatican
