Ornament and Silence Kennedy Fraser, 2014-01-08 From one of *The New Yorker's* most revered writers comes a brilliant collection *The New York Times Book Review* about women in love affairs friendships marriages and families from

Virginia Woolf and Flaubert's mistress to Russian novelist Nina Berberova and English naturalist Miriam Rothschild. In these fourteen essays Fraser focuses on women in love affairs, friendships, marriages, and families in relation to one another and to the talented men who so often rendered them invisible. In *Ornament and Silence* we see Virginia Woolf haunted and eventually destroyed by the sexual secrets of her childhood. We meet Flaubert's theatrically importunate mistress Louise Colet, the one woman who could briefly slip past the master's misogyny. Fraser offers vibrant portraits of the Russian novelist Nina Berberova and the English naturalist Miriam Rothschild. And here is Fraser herself learning her craft at The New Yorker, tending her English garden, and on every page delighting us with the manifold felicities of her prose.

Thicker Than Water Leonore Davidoff, 2012. A pioneering new study of nineteenth-century kinship and family relations focusing on the British middle class and highlighting both the similarities and the differences in relations between brothers and sisters in the past and in the present.

We Grew Up Together Annette Atkins, 2001. Drawing on the insights of Alfred Adler and others, Atkins examines the varying dynamics of warm and cool families and shows how siblings tutored each other in friendship, authority, cooperation, and competition, dependence and independence.

The Thief of Happiness Bonnie Friedman, 2003-01-20. The Thief of Happiness is the story of a seven-year therapy between the author and the mysterious Dr. Sing, a therapy that was part cult of two parts enchantment and part love story. In an age when the great and subtle gifts of therapy are downplayed in favor of psychopharmacology, Friedman has written the most detailed and vivid portrayal yet of what actually goes on between therapist and patient.

Vertigo Louise DeSalvo, 2002-08-01. A scholar's memoir of growing up and the powerful forces that shaped her as a woman and a writer, her story will inspire all women. *Library Journal*. In this honest and outspoken reflection on her childhood, Louise DeSalvo explores the many ways literature saved her both emotionally and practically. Born to Italian immigrants during World War II, DeSalvo takes readers back to the emotional chaos of her 1950s girlhood in New Jersey, growing up with her authoritative, distant father, her depressed mother, and a sister who later committed suicide. Reading and research were an anchor to her then and widened her choices about her future in ways that weren't otherwise available to girls of that era. A Virginia Woolf scholar, DeSalvo wrote a ground-breaking study on the impact of childhood sexual abuse on the reclusive writer. Here she mines her own early days and her adolescent obsession with Hitchcock's *Vertigo* in an attempt to give her own life's path some shape, some order. *Publisher's Weekly* said, "Her clarity of insight and expression make this memoir an impressive achievement," and the *San Francisco Chronicle* proclaimed DeSalvo has one of the most refreshing feminist voices around.

Writing With An Accent Edvige Giunta, 2016-04-30 Mary Cappello Louise DeSalvo Sandra M Gilbert Maria Mazziotti Gillan Carole Maso Agnes Rossi These are some of the best known Italian American writers today They are part of a literary tradition with mid twentieth century roots that began to develop in earnest in the late 1970s and early 1980s During those decades a number of Italian American women such as Helen Barolini began to publish books that depicted their perspectives on life through the critical lenses of gender class and ethnicity At the end of the twentieth century this literature finally blossomed into a fully fledged cultural movement that also took into account issues of sexuality age illness and familial and societal abuse Writing with an Accent takes a look at this vibrant literary movement by discussing those first writers of the 1970s and 1980s as well as later authors At the center of Edvige Giunta's Writing with an Accent is the literal notion of accent the marker of linguistic and cultural difference that separates and identifies recent immigrants to the United States In this study an accent symbolically embodies the differences and creative strategies through which contemporary Italian American women writers engage Italian American culture in works of fiction poetry and memoir Giunta also looks at the links between the literature and art music film and video produced by contemporary Italian American women The literature of the Italian American women in Writing with an Accent is shaped by the complicated connections these authors maintain with their cultural origins but also and perhaps more importantly by their feminist consciousness and politicized sense of ethnic identity Writing with an Accent celebrates and explores a group of authors who characteristically mix the joy and pain of Italian American life to paint a multifaceted picture of Italian American women and their complex place in U S culture
