*Nolan Sisters, and, Making waves* The Nolan Sisters, 2009 **The Vatarad Sisters** J.-K. Huysmans, 2021-12-14 Les Soeurs Vatarad described by its author as a lewd but exact slice of life was J K Huysmans second novel Huysmans abandoned poetry and turned to the novel at a time when the works of Emile Zola were intensely controversial Les Soeurs Vatarad is dedicated to Zola by his fervent admirer and devoted friend In it Huysmans vividly depicts the scene that for his generation of French writers stood for the contemporary world the brutal teeming life of the industrial quarters of Paris in the 1870s Huysmans Vatarad sisters are D sir e an urchin of fifteen a brunette with large pale eyes that were somewhat crossed plump without being fat attractive and clean and C line the carouser a big girl with clear eyes and hair the color of straw a solid vigorous girl whose blood raced and danced in her veins The two are part of that bizarre race of young women who work as

bookbinders whose lives revolve around the gaslighted bindery works the gaudy shop windows and cheap wineshops that Huysmans describes with minute and colorful detail His precisely observed sketches show that Naturalism as practiced by Buysmans had none of Zola's emphasis on scientific determinism but centered primarily on the faithful rendering of what he described as living persons in real milieus The Vatarad Sisters is the first English translation of Les Soeurs Vatarad **Goal Sisters** Ann Leach,Michelle Beaulieu Pillen,2004 This exciting book explains how to find and work with a goal sister or a group of them to set and achieve goals from changing careers to losing weight to starting a relationship **Making Waves** Margaret Attack,Alison S. Zhao,2023-02-16 The 2010s have seen an explosion in popularity of Chinese television featuring same sex intimacies LGBTQ identified celebrities and explicitly homoerotic storylines even as state regulations on vulgar and immoral content grow more prominent This emerging queer TV China culture has generated diverse cyber and transcultural queer fan communities Yet these seemingly progressive televisual productions and practices are caught between multilayered sociocultural and political economic forces and interests Taking queer as a verb an adjective and a noun this volume counters the Western centric conception of homosexuality as the only way to understand nonnormative identities and same sex desire in the Chinese and Sinophone worlds It proposes an analytical framework of

queering TV China to explore the power of various TV genres and narratives censorial practices and fandoms in queer desire voicing and subject formation within a largely heteropatriarchal society Through examining nine cases contesting the ideals of gender sexuality Chineseness and TV production and consumption the book also reveals the generative negotiative ways in which queerness works productively within and against mainstream seemingly heterosexual oriented televisual industries and fan spaces This cornucopia of fresh and original essays opens our eyes to the burgeoning queer television culture thriving beneath official media crackdowns in China As diverse as the phenomenon it analyses Queer TV China is the spark that will ignite a prairie fire of future scholarship Chris Berry Professor of Film Studies King's College London This timely volume explores the various possibilities and nuances of queerness in Chinese TV and fan culture Challenging the dichotomy of positive and negative representations of gender and sexual minorities Queer TV China argues for a multilayered and queer informed understanding of the production consumption censorship and recreation of Chinese television today Geng Song Associate Professor and Director of Translation Program University of Hong Kong
