Excerpt from Sketches From Formosa Some of the following Sketches appeared as an appendix to my book on the work of the early Dutch Mission in Formosa and two or three others had a very limited circulation as separate papers but all of them have been re written and many new pieces have been added for the present issue my intention being to take at least one way of marking the fiftieth year since our English Presbyterian Church began work in this important although still little known island of the Pacific On turning over the pages my young friends in the Church will have an eye mainly to those incidents which are amusing while other readers including perhaps a few who do not habitually betake themselves to the perusal of such books may find some things which are informing and of more enduring interest In any case I hope it may serve some useful purpose thus to furnish another opportunity for seeing the Missionary with his Illustrated West of England and dog collar actually off so to speak thus to submit these first hand statements regarding his methods of work his difficulties his encouragements and most important of all regarding the way in which God is pleased to use weak things of the world for the accomplishment of His own great and glorious purposes About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Sketches from Formosa William Campbell, 1915 First published in 1915 this detailed account of missionary life in Taiwan is from a man who spent more than 44 years living there providing primary source information for those interested in the early history of Taiwan Arriving as a Dutch missionary Reverend Campbell continued his work under the English Presbyterian Church when the Dutch mission was halted

Bibliography of the Japanese Empire 1906-1926, 1928 **Border-crossing in Education** Joëlle Droux, Rita

Hofstetter, 2018-02-02 Border crossing in Education comprises a series of case studies covering a variety of cultural areas in order to reveal the density of connections and exchanges that inform educational practices policies and systems It attaches particular importance to individual and collective actors that govern these flows initiating promoting or reconfiguring

transfers of policy models The contributors explore various aspects of the circulatory mechanisms that have been deployed in the field of education during the modern and contemporary period Varying the observation scales from local to international they demonstrate the multilateral character of the circulatory dynamics observed The implementation of rich and varied approaches to these complex processes offers a perspective that complements and renews our knowledge of the genesis and evolution of educational policies and systems most notably highlighting their foreign inspirations However these studies do not merely evoke borrowings and hybridization as if national borders proved porous or non existent Instead they show that the phenomena of resistance reinterpretation and rejection are also an integral part of transnational mechanisms of exchanges The book thus demonstrates the relevance of a historical approach in addressing these transnational mechanisms in the field of education and childhood policy This book was originally published as a special issue of *Paedagogica Historica*

Min language Finally Karel Steenbrink describes the changing religious affiliation of assimilated Chinese in Indonesia during the period 1900 1942 *The Chinese Recorder* ,1916 **The Missionary Review of the World** ,1916 **The Missionary Review** ,1902 **Chinese Recorder and Missionary Journal** ,1916
