*Subconscious Still Frames* Edward Anthony Palmer, 2005-07-01 Subconscious Still Frames is poetry derived from daily life Thoughts dreams and events are all painted into the form of words expressing ideas and emotions that need to be stated for we have all experienced certain feelings in situations regarding love and daily life Thoughts and memories still frames in our minds haunt or bless us Here we examine them through the kaleidoscope eyes of a man with bi polar disorder The Journal of Abnormal Psychology and Social Psychology , 1918 **The Secret Son** Deepak Peschard, 2020-06-08 The Secret Son is the story of the author s search for his mother and his own identity It is as much a journey within himself as it is across continents through the narrow lanes of Chennai Mumbai and Kolkata He finally gets the closure he wanted all his life but does he get to meet his mother *Freeze Frame* Terry Swofford, 2010-05 FREEZE FRAME is the first of several novels about Bill Crawford a man who went into a trace one night and came out of it with the ability to stop and start time in the blink of an eye With this newfound ability he takes his wife Char and best friend Mack Williams to Las Vegas where they win millions start the most popular Magic Act on the strip and get into a deadly shooting war with the most powerful spy network operating in the US It is a plot driven action thriller spiced liberally with love and humor a book you will have difficulty putting down and a story you won t want to end **Clinical EFT Handbook Volume 2** Dawson Church, Stephanie Marohn, 2013-06-30 EFT Emotional Freedom Techniques is used by an estimated 10 million people worldwide Yet a lack of standardization has led to a field in which dozens of forms of EFT with varying degrees of fidelity to the original can be found This led to the establishment of Clinical EFT the form of EFT taught in the original EFT Manual and associated materials and validated in over 20 clinical trials In this volume the most noted scholars researchers and clinicians in the field compile a definitive outline of the EFT protocol as it is applied in medicine psychiatry psychotherapy and life coaching This volume covers Integrative Medical Settings Special Populations such as Children Veterans Addicts Sports and Business Performance Innovations in EFT These handbooks are essential reading for anyone wishing to understand EFT as validated in research science and best clinical practice **Dylan's Visions of Sin** Christopher Ricks, 2005-07-26 *Loose on the Landscape* Joel Everett Harding, 2023-11-24 Ever wonder what it s like alone at midnight in the depths of a vast marsh or thought of stumbling into a roiling geyser field in the dark What happens when you get swept along for miles in a flooded river without an exit or explore a prehistoric swamp with predators left over from the Cretaceous How can you sense an Amazon rainforest breathing Have you watched a great ancient waterfall cease forever in less than a day Does the Jersey Devil still inhabit the pine barrens Let the author take you on these and many other outdoor adventures and ecological investigations Written in a creative nonfiction style reads like a novel a professional ecologist looks for meaning in the wildest places and shows us a range of perspectives for appreciating the mental emotional and physical benefits of immersing ourselves in wild landscapes He brings needed context by examining the causes and effects of ever changing environments and brings us along as he

restores damaged streams rivers and wetlands His poetic descriptions and insights show us how landscapes inspire perceptions of beauty art and increased personal well being that underlie our innate connections with nature Along the way the author immerses the reader into his landscapes with keen eyed observations that underlie our innate personal connections with nature He shows how we gain insights and increased well being when we go afield to explore As he says Sometimes nothing is more important than going off into the woods and contemplating the frog chorus of a vernal pool
