Substance Use And Misuse Nature Context And Clinical Interventions:

Substance Use and Misuse G. Hussein Rassool, 1998-10-15 *Substance Use and Misuse* is a comprehensive and practical text that covers the core elements of substance use and misuse in both acute and community settings. The text reflects those areas in which health care professionals are assuming greater responsibility for those people misusing psychoactive substances. It adopts a skills orientated approach providing a framework of good clinical practice and is written by a group of clinicians and academics. This book is an invaluable tool for undergraduate and postgraduate students, educators and clinical practitioners in all branches of nursing, midwifery and health visiting. It is also relevant to others in the healing professions as well as generic and specialist health care professionals. Emphasis is placed on prevention and an up to date practical and comprehensive text for students and practitioners in health care adopts a skills orientated approach supported by the latest research and case vignettes written by experts in clinical practice, management, education and research.

Alcohol and Drug Misuse G. Hussein Rassool, 2024-11-05 This comprehensive textbook provides an accessible and skills oriented introduction to alcohol and substance misuse for healthcare students and practitioners new to the field. Divided into five parts, this text explores the context of alcohol and drug misuse and the nature and theories of addiction, including a historical overview and policy initiatives in contemporary society. An overview of psychoactive substances and the problems associated with them. An exploration of the impact of psychoactive substances on groups such as culturally and linguistically diverse communities, young people, women, older people and the homeless. An understanding of the generic role responses to substance misuse in a variety of different settings and contexts including primary care, the community and hospitals. A framework for assessment, care planning, harm reduction, approaches dealing with overdose, intoxication and withdrawals, and psychological and pharmacological interventions. This new edition is fully updated and includes expanded coverage of performance enhancing drugs, e-cigarettes, cannabis use, gender disparities in substance use and treatment, public health approaches to substance use and screening tools for alcohol misuse. *Alcohol and Drug Misuse* is enhanced with activities and learning outcomes throughout. It is essential reading for nursing, healthcare and social work students taking substance misuse modules as well as related post registration qualification courses for health and social care professionals.

Understanding Addiction Behaviours G. Hussein Rassool, 2011-06-17 Understanding addiction has never been more important as many professionals from counsellors and nurses to social workers and health psychologists encounter addictive behaviour on a daily basis. Looking at addiction in all of its forms, this multi disciplinary book provides a comprehensive introduction to the substances and the activities which can lead to excessive and addictive behaviour. It discusses pharmacological addictions including both legal and illegal substances. It also covers non pharmacological dependencies such as internet addiction, eating disorders, gambling and sexual addiction which despite their prevalence are often absent from the literature on addiction. Drawing on the field's broad evidence base, the book features coverage of eleven types of addictive substances and activities, outlining

signs symptoms adverse consequences and assessment and intervention strategies for each A range of engaging reflective activities and case studies to link theoretical discussion directly to practice Analysis of the broader context of addiction including dual diagnosis and harm reduction and issues relating to diversity and service provision Offering a rigorous introduction to the full spectrum of addictive behaviour this book is essential reading for anyone seeking to understand the nature of addiction for contemporary practice
