Contemporary Islamic Response to the Western Impact Dr. Abdul Majid Khan,2003 This Study Is A Significant Contribution To Our Understanding Of The Civilisational Ideological And Political Issues At The Heart Of Islam Contents Introduction Western Impact And The Muslim Responses The Muslim Institute Foundation And Objectives Ideological Orientation Conclusion Iqbal Review ,2001 Islam and the Modern Age ,2008 *Dangerous Knowledge* Robert Irwin,2006-11-02 What is Orientalism who were the Orientalists and how did Western scholars of Islamic culture come to be vilified as insidious agents of European imperialism In this new history the author answers this question with a detailed story of the motley crew of intellectuals and eccentrics who brought an understanding of the Islamic world to the West In a narrative that ranges from an analysis of Ancient Greek perceptions of the Persians to a portrait of the first Western European translators of Arabic to the contemporary Muslim world s perceptions of the Western study of Islam Irwin affirms the value of the Orientalists legacy not only for the contemporary scholars who have disowned it but also for anyone committed to fostering the cross cultural understanding which could bridge the real or imagined gulf between Islamic and Western civilization Dust jacket **The British National Bibliography** Arthur James Wells,1995 **The Message** ,1998

Religion and Immigration Yvonne Yazbeck Haddad,Jane I. Smith,John L. Esposito,2004-01-01 Since its inception the

United States has defined itself as a nation of immigrants and a land of religious freedom But following September 11 2001 American openness to immigrants and openness to other beliefs have come into question In a timely manner Religion and Immigration provides comparative perspectives on Protestants Catholics Muslims and Jews entering the American scene Will Muslims seek and receive inclusion in ways similar to Catholics and Jews generations before How will new immigrant populations influence and be influenced by current religious communities How do overlapping identities of home country language class and ethnicity affect immigrants sense of their religion How do the faithful retain their values in a new country of individualism and pluralism How do religious institutions help immigrants with their physical needs as they are entering a new country The contributors to Religion and Immigration approach these questions from the perspectives of theology history sociology international studies political science and religious studies A concluding chapter provides results from a pioneering study of immigrants and their religious affiliation Leading scholars Haddad Smith and Esposito have created a valuable text for classes in history religion or the social sciences or for anyone interested in questions of American religion and immigration
