## **Success And Failure In Permanent Family Placement:**

**Success and Failure in Permanent Family Placement** June Thoburn,1990      **Child Welfare Services for Minority Ethnic Families** June Thoburn,Ashok Chand,Joanne Procter,2005 Based on extensive studies into child welfare services this important book brings together research into what works in service provision for minority ethnic families Reviewing studies of the nature and adequacy of the services provided and the outcomes for the children and their families this book provides much needed guidance for policy and practice around issues of cultural and ethnic background and identity and puts forward suggestions for future research The authors consider in particular the complex needs and identities of minority ethnic families who might use child welfare services how families using social services view current practice the impact of the formal child protection and court systems on ethnic minority families placement patterns and outcomes for children from the different minority ethnic groups who are in residential care foster care or adopted cultural issues and matching the social worker to the family Drawing on current government statistical returns and the 2001 national census this wide ranging analysis challenges dated research and practice and proposes a revisionary agenda for future research and culturally sensitive child welfare practice making it essential reading for all child welfare professionals      **Forty Years of Research, Policy and Practice in Children's Services** Nick Axford,Vashti Berry,Michael Little,Louise Morpeth,2005-06-24 Founded in 1963 Dartington Social Research Unit conducts scientific research into child development within the context of children s services with a view to informing interventions for children in need Originating from a festschrift to celebrate the work of Roger Bullock one of Dartington s first researchers and a Fellow of the Centre for Social Policy this book from a prestigious author team examines developments in children s services over the past forty years providing a context for future policy making Ten key areas are covered including foster care and family support while two overview chapters explore 40 years of Social Research and Gaps in the Knowledge and Future Challenges      **Child Welfare: Child placement and children away from home** Nick Frost,2005 This collection focuses on child welfare in its specific sense welfare and social interventions with children and young people undertaken by State bodies or NGO s The term child welfare is deployed differently in diverse international settings In the United Kingdom child welfare tends to refer to individualised programmes for children who have experienced problems in their lives In India to take a contrasting example it can also refer to major housing and nutrition programmes This collection takes an inclusive approach to international perspectives The collection is completed by a new general introduction by the editor individual volume introductions and a full index Titles also available in this series include Medical Sociology November 2004 4 Volumes 495 and the forthcoming collection Health Care Systems 2005 3 Volumes c 395      **Assessing the Support Needs of Adopted Children and Their Families** Liza Bingley Miller,Arnon Bentovim,2006-12-01 Written in consultation with a range of experts clinicians and practitioners as well as adoptive children families and birth relatives this book gives helpful guidance on making evidence based assessments and

planning successful adoption support Key features include a discussion of the main themes of adoption and pointers for practice in relation to the Assessment Framework a guide to the use of evidence based approaches to assessment including the tools commissioned by the Department of Health and the Department for Education a model for analysis and planning and planning support and interventions an investigation of the source range and value of support services and interventions that can promote the wellbeing of adopted children their adoptive families and birth relatives Packed with practical advice case examples and models of good practice this book is invaluable for social workers and managers involved with the adoption process and the well being of children and families It is also essential reading for social work students learning about working with children and families

Research Handbook on Adoption Law Nigel Lowe, Claire Fenton-Glynn, 2023-01-20 Bringing together scholars from a wide range of disciplines this captivating and judicious Research Handbook provides diverse perspectives on the law and practice of adoption It examines how adoption laws differ between countries and cultures and the ongoing effects of adoption on the child the birth parent s and the adoptive parent s

**Evaluation in Child and Family Services** Tiziano Vecchiato, Anthony N. Maluccio, Cinzia Canali, As child and family interventions assume greater international application it will be helpful to examine the various ways in which service innovations are being evaluated As demonstrated in the seminar from which these chapters resulted only by sharing our specific professional interests our too frequent problems in measurement our despair in implementing complicated studies and our successes can we advance the evaluation of human services and their outcomes This volume considers a variety of programs and issues in the field of child and family services While different perspectives are evident among the authors in terms of their focus and or emphasis there is common concern about the value of examining each program or service so as to maximize its impact as well as its potential for dissemination Intervention research should spur and motivate cross national efforts not only among researchers but also among social workers and other practitioners from diverse professions engaged in the delivery of human services Such collaboration would contribute to the ultimate goals of achieving greater clarity about the specifics of best practices in child and family services protocols for assessing outcomes and ways of improving service delivery How then can researchers and policymakers in diverse settings within diverse countries improve practice and service delivery on behalf of children and families What particular program findings can be generalized to improve services How can we share and implement new solutions The contributions to this volume address such questions from varying international perspectives Contributors provide answers and generate discussion points for consideration by practitioners as well as researchers The book is a must for social work parishioners in areas involving the delivery of goods as well as services Tiziano Vecchiato is scientific director of the Fondazione Emanuela Zancan Padua Italy Anthony N Maluccio is professor of social work at Boston College Graduate School of Social Work Chestnut Hill Massachusetts Cinzia Canali is research associate at the Fondazione Emanuela Zancan Padua Italy

Child Welfare and Adoption Assistance United States.

Congress. House. Committee on Ways and Means. Subcommittee on Public Assistance and Unemployment Compensation, 1984

**Fostering Adolescents** Elaine Farmer, Sue Moyers, Jo Lipscombe, 2004-06-23 Based on government commissioned research and part of the Supporting Parents initiative this book addresses each stage of the care process from placement selection to leaving foster care The authors consider which kinds of professional support at which stages make a difference and the foster carer parenting skills that are crucial

*The State as Parent* Joe Hudson, Burt Galaway, 2012-12-06 The thirty five chapters in this book are edited versions of papers presented at the Advanced Research Workshop State Intervention on Behalf of Children and Youth which took place in Maratea Italy February 20 24 1989 The Workshop was attended by leading child welfare researchers from most of the Western countries Represented were scholars and practitioners from disciplines as diverse as law social work neurology economics political science education psychology and psychiatry This variety of disciplines considerably enriched the discussions at the Workshop and is reflected in a set of interesting and we believe potentially useful research papers This book is divided into four sections each dealing with dominant themes of state intervention The first section deals with research on organizing for state intervention and related ways of providing accountability The second section deals with research on young persons in conflict with the law the third with research on child abuse and the final section with research on children in care Many of the matters addressed in these papers relate to more than one of the topical theme headings and therefore might well have been located in different sections of the volume Each section is introduced by an introductory statement that provides an overview of the papers and issues addressed and suggests an agenda of research work to be undertaken These introductions are based largely on workshop discussions and do not necessarily represent the views of their identified authors

Effective Child Protection Eileen Munro, 2008-05-19 Effective Child Protection is a significant contribution to child welfare practice and policy Munro offers a pathway to achieving better outcomes for children and families who are recipients of child protection services Children and Youth Services Review Praise for the First Edition The book makes the fully justified claim that it will be essential reading for professionals undergoing qualifying and post qualifying training It is to be hoped that it will enjoy an even wider readership Child Abuse Review This new edition is essential reading for anyone concerned with improving child protection practice Building on the strengths of the first edition it provides a deeper understanding of how practice judgements and decisions can be improved in child protection work Updates include an account of how intuition emotion and analytic thinking are combined in practice an analysis of how the nature of the task determines what combination is needed an updated chapter on how we can detect errors new material on how organisations can promote good reasoning skills a simpler way to understand risk assessment instruments Illustrated with detailed case studies throughout it will be invaluable reading for students researchers and practitioners in all areas of child protection including social work education health and policing Eileen Munro is a Reader in Social Policy at the London School of Economics specialising in child protection Other publications

include Child Protection SAGE 2006      **The Emotional Needs of Young Children and Their Families** Marion Bower, Judith Trowell, 2002-09-11 The aim of this book is to provide illustrations of ways in which psychoanalytic ideas can be adapted and used in a wide variety of community settings including social services schools and hospitals to help children and families who are emotionally disturbed or who have been physically or sexually abused It is a book for professionals who are interested in using psychoanalytic ideas in their own work settings and assumes no previous knowledge of these ideas on the part of the reader It provides basic principles many practical examples further reading and information about where to get support and consultation      **Enhancing the Well-being of Children and Families through Effective Interventions** Wendy Rose, Professor Colette McAuley, Peter Pecora, 2006-01-30 Services for families and children are rightfully the focus of intense scrutiny and debate and there is a clear need to establish a knowledge of which services work well This volume provides a comprehensive overview of research evidence from the UK and USA on the effectiveness of selected child welfare interventions      **Disabled Children and the Law** Janet Read, Luke Clements, David Ruebain, 2006-02-20 Now in its completely updated second edition this accessible guide provides essential information about how the law can be used to promote good practice and policy development for disabled children and young people The authors take an anti discriminatory and inclusive approach that involves parents and children in decision making and advocacy      *Child Welfare Services* Malcolm Hill, Jane Aldgate, 1996-01-01 The contributors to this book provide a comprehensive review of child care policy and practice They present evaluations and critiques of new or impending legislation and policies and describe innovative services for children and young people who are deemed to be in need of protection care or control as a result of abandonment neglect ill treatment offending or other difficulties They also examine changes in adoption law where such issues as placement policies in relation to children from ethnic minorities intercountry adoption and the trend towards greater openness have become prominent and controversial in recent years      **Parents and Children** Andrew Bainham, 2017-03-02 This volume brings together some of the best journal articles of the last twenty years which deal with various aspects of the relationship between parents and children Adopting an inter disciplinary and comparative approach the book reproduces articles from a variety of journals in law and the social sciences The book is divided into eight parts dealing respectively with becoming a parent the status and obligations of parenthood issues of upbringing adolescence child support parental separation divorce and children child abuse and state intervention social parenthood and adoption The volume includes a substantial introduction by the editor      *Perspectives in Child Care Policy* Lorraine Fox Harding, 2014-06-11 Child care law and policy issues generate very strong emotions and some crucial questions concerning the role of the state For instance under what circumstances should the state be able to intervene and use the force of the law to protect children Do children have similar rights to adults Such questions are matters of controversial debate and in the light of well publicised child abuse cases official inquiries and a government review led to the passing of the Children Act in

1989 Perspectives in Child Care Policy presents four different value perspectives on child care policy laissez faire state paternalism defence of the birth family and children s rights These perspectives differ in their underlying values concepts and assumptions concerning children families the rights and powers of parents and the role of the state

**The Child Protection Handbook** Kate Wilson, Adrian L. James, 2007-04-26 This title is directed primarily towards health care professionals outside of the United States The new edition of this popular handbook gives an authoritative informative and accessible account of key areas of child protection practice Covering research policy and practice it is relevant to all professionals working in child care No other book on child protection offers such comprehensive coverage of policy and practice It provides research findings in all areas of child abuse latest policies and indications of good practice plus specialist chapters for different professionals Chapters have been contributed by known experts in the field both distinguished academics and practitioners By combining the latest factual information with sophisticated analysis it is the ideal course text for child protection programmes as well as meeting the needs of more experienced practitioners academics and trainers Practical Examines the issues grounded in reality and therefore gives the reader confidence in practice coupled with an understanding of the responsibilities of colleagues in other professions Comprehensive Covers a broad review of what constitutes child abuse and characteristics of the abused and the abusers medical social and legal management of the process of protection the actions involved in intervention and training and new directions for research and practice Authoritative Contributors are senior professionals known nationally and internationally for their specific expertise in this area Research based All books should be but amongst the professionals most closely involved in child protection the heavy workload often means there is little time to catch up on and assimilate up to date research fully This book offers a through guide to what research and policy initiatives can give to the practice of the reader new chapters addressing issues of culture and parenting each chapter contains key messages for practitioners key websites have been listed a website on Evolve with supplementary material

*Adoption in Japan* Peter Hayes, Toshie Habu, 2006-08-25 The first book length study of adoption in Japan this impressive work tackles the innovative and sometimes controversial subject of the policies of adoption agencies in Japan The book places special adoption in the context of a liberal reformist agenda that has challenged traditional concepts of the family through the efforts to place children with difficult family backgrounds including mixed and minority ethnic backgrounds Drawing on empirical source material gathered since the late 1980s the authors consider the central policy issue of whether agencies should be given a free hand to create their own policies or whether they should be more tightly regulated Finally the book analyzes how different agency strategies for finding homes for hard to place children are related to different assumptions about the psychology and reasoning of prospective parents Adoption in Japan makes a significant contribution to the academic literature in the fields of Japanese studies public policy social work and sociology It will also be of interest to professionals involved in adoption agencies specialist social work and adoption panels

*Children*

*Going Home* Roger Bullock, Daniel Gooch, Michael Little, 2019-01-22 First published in 1998 this Darlington child care study looks at the return experiences of children looked after by local authorities It shows that although the great majority of children go back to their families and home communities little is known about the process How can professionals and carers make the transition as easy as possible The book takes forward ideas first reported in the Dartmouth publication *going home* The return of children separated from their families and tested in subsequent research It charts patterns of separation and return considers the experiences of those involved and highlights factors associated with the likelihood of return and its success Because the factors described in the earlier research have since been confirmed in a blind prospective study they are among the most robust indicators available
