You'll learn the differences between common stock, bond, money market, and balanced funds, and why a passively managed index fund is a smarter investment than a fund managed by someone making weighted bets on individual securities, sectors, and the economy. Bogle reveals the truth behind the advertising, the mediocre performance, and selfishness, and highlights the common mistakes many investors make. Consider the risks and rewards of investing in mutual funds. Learn how to choose between the four basic types of funds. Choose the lower-cost, more reliable investment structure. See through misleading advertising and watch out for pitfalls. Take a look into this timeless classic and let *Bogle On Mutual Funds* show you how to invest in mutual funds the right way, with the
