

A photograph of a dirt road winding through a forest. The trees on either side have autumn-colored foliage in shades of orange, yellow, and brown. The road leads towards a bright light at the end of the path, creating a strong perspective. The overall mood is contemplative and serene.

Such is life and life is such and after
all it isn't much. First a cradle. Then
a hearse. It might have been better,
but it could have been worse.
