Twin Dilemmas Barbara Klein,2017-06-26 The development of how twins relate to each other and their single partners is explored through life stories and clinical examples in this telling study of twin interconnections While the quality of a nurturing family life is crucial Dr Klein has found there are often issues with separation anxiety loneliness competition with each other and finding friendships outside of twinship When twin lives are entwined because of inadequate parenting and estrangement twin loss is possible and traumatic creating a crippling fear of expansiveness an inability to be yourself Therapists and twins seeking an understanding of twin relationships will find this clinically compelling book a valuable resource Part Two Elspeth Kate O'Hearn,2011-07-07 One day a young girl astride a twin tailed dragon will destroy the monarchy and change the world for ever Kira and Elspeth have already broken FIRST LAW many times over Now outlawed and running for their lives they are determined to stand amongst the men and fight the unjust FIRST LAW that binds the kingdom But cruel Lord Dorcon still stands in their way and the heat of his chase is stronger than ever Strong and determined Kira has done all that she can to protect and shield her younger sister But now it s time for Elspeth to grow up When Paradox s muddled magic sends them travelling through time to different eras new challenges and terrifying threats await the separated sisters Especially to Elspeth left all alone to navigate a past world long before the rule of King Ardon and FIRST LAW And all the while in a strange alien world of the future Kira must find a way to get back to Elspeth and reunite her family once again A prophecy to fulfil A cruel monarchy to upend The battle continues Somber Town Michael Sanchez,2020-11-13 When I was growing up in New Jersey at about eight or nine years old I use to watch World War I and World War II history documentaries on the PBS channel and would try to write down everything that the narrator was saying

in a composition book I enjoyed doing that and did it for about a year but I soon moved on to other things that kids at that age enjoyed Little did I know at that time that many years later I would write and publish my first book titled Vine Street I guess that the skill was always in me I just didn't know it I was always fascinated with the movies from Hammer Film Productions Alfred Hitchcock and Stephen King but one day I saw a movie that inspired me directed by John Carpenter That movie was Halloween So I came up with an idea for my first book but it took another 35 years to get it started I guess it's never too late and finally finished it It has now been two years since my first book was published and I am excited about my newest creation titled Sombre Town All small towns have secrets and this one is no different but with a little twist The genre I chose is suspense thriller and a little horror in between but hopefully the readers will enjoy it **Alpha Twin's Rogue**

Mate Hiraeth Faith, 2024-05-28 Nobody can change fate but I did In a world where destiny's grip is unyielding Irina the rogue leader's daughter has endured hell twice over Love has eluded her until the merciless Alpha twins of the Midnight Pack Alpha Kaizelus and Alpha Zeferion step into her life But these twins are not her saviors they are the ones who took everything from her When faced with a choice between her own life and the safety of her rogue pack Irina sacrifices herself to the twins Only fate has a cruel twist in store they are her mates Anger and instinct war within her as she plots to break their bond but a world she never knew existed opens before her eyes and the twins reveal hidden depths Alpha Kai and Alpha Zef have always shared everything but now they battle for Irina's heart It's a showdown of love and power and only one twin can win her over With a past shrouded in mystery newfound abilities impostors and a vampire playing a dangerous game Irina discovers she's far from what she believed As revenge and love collide will Irina let go of her thirst for vengeance and surrender to fate's whims Or will she forsake her heart and let revenge consume her Book 2 of the Destined Series is a tale of passion power and the enduring struggle between destiny and desire a story that can be savored on its own or as a continuation of the gripping saga Dare you follow Irina's journey **The Queen of the Damned**

Anne Rice, 1989-09-13 In a feat of virtuoso storytelling Anne Rice unleashes Akasha the queen of the damned who has risen from a six thousand year sleep to let loose the powers of the night Akasha has a marvelously devious plan to save mankind and destroy the vampire Lestat in this extraordinarily sensual novel of the complex erotic electrifying world of the undead Praise for The Queen of the Damned Mesmerizing a wonderful web of dark side mythology San Francisco Chronicle With The Queen of the Damned Anne Rice has created universes within universes traveling back in time as far as ancient pre pyramidal Egypt and journeying from the frozen mountain peaks of Nepal to the crowded sweating streets of southern Florida Los Angeles Times Imaginative intelligently written This is popular fiction of the highest order USA Today A tour de force The Boston Globe **Dark Angels of Zeus** Gary W. Babb, 2024-09-25 Thousands of years ago Earth was visited colonized and ruled by an immortal alien race from the planet Titan These immortals were considered gods by the indigenous population humans These gods ruled Earth from Mount Olympus but they made a serious mistake they mated with mortal humans and started a chain

reaction among the human descendants that took centuries to resurface that threatened the entire population of Earth What if you were one of these remote genetic descendants and suddenly awoke one day with sketchy ancient memories powers you don't understand or know how to control and vicious enemies you can hardly believe Could you discover and activate your ancient powers in time to save yourself from an ancient evil enemy totally dedicated to destroying you Could you live long enough to unite with others of your kind whatever that is for defense or would you quickly die This is a story of these human descendants Dark Angels many young thrust into battle for their salvation and the salvation of Earth and all its humans
