

The background of the book cover is a colorful, painterly illustration of a rural landscape. In the center, a castle with two prominent red-tiled conical towers sits on a hill. A dirt path leads from the foreground towards the castle. In the foreground, there are large, white, bushy trees and a small cart pulled by a horse on the path. The sky is blue with soft white clouds. The overall style is reminiscent of early 20th-century book illustrations.

Suddenly At His Residence:

Suddenly at His Residence Christianna Brand, 2024-09-24 While the Blitz bombards London the boisterous grandchildren of Sir Richard March have descended upon Swanswater Manor in Kent for a family gathering and the finalising of the patriarch's will. Disgruntled by the behaviour and life choices of his heirs, March seems poised to deny all of them their inheritance and heads out to his lodge to make arrangements, only to be discovered dead the next morning with strychnine in his blood. With evidence at the crime scene suggesting that nobody could possibly have entered the lodge to murder March, Inspector Cockrill, the Terror of Kent, has the challenge of finding any plausible solution for this impossible crime before death comes to darken the doors of Swanswater once more. *Suddenly at His Residence* Christianna Brand, 2023-06-10

Suddenly at His Residence Christianna Brand, 1982

The Crooked Wreath Christianna Brand, 2011-11-01 From the Golden Age author of *Green for Danger*, you have to reach for the greatest of Great Names to find Brand's rivals in the subtleties of the trade. The New York Times: Sir Richard's family has spent years waiting for him to die, but despite his weak heart the old man simply refuses to cooperate. In the meantime, he makes their lives miserable by changing his will every few months, depending on which of his strange brood he favors that moment. Now he calls them together to announce his most diabolical revision: yet complete disinheritance of all the wastrels who bear his name. But he never gets a chance to sign the papers; by morning he's dead. Scotland Yard sends Inspector Cockrill, the only detective clever enough to unravel the family's tangle of jealousy and deceit. Each member had reason to kill Sir Richard, but which one plunged the syringe of poison into his heart? With a family this mad, nothing is as complicated as the truth.
