## **Sue Townsend Plays One:**

**Townsend Plays: 1** Sue Townsend, 2013-12-17 A play by one of Britain's best selling writers Bazaar and Rummage brings together a neurotic do-gooder, a trainee social worker and three agoraphobics who have been persuaded to venture out of their homes to run a jumble sale. As a study of agoraphobia Bazaar and Rummage is written with great verve, style and wit. Benedict Nightingale Set in an adult literacy class where the student's fear of ignorance is as much of a handicap as their inability to read. Groping for Words is a close-up of the social scrap heap written in a fine vein of comic indignation and giving a voice to people whose lives are mainly spent in queues and waiting rooms. Irving Wardle The Times Womberang shows free spirit Rita Onions bringing joy and anarchy to the grim waiting room of a gynaecology clinic. A daydream of mastered fear. New Society

**Plays** Sue Townsend, 1996 This volume contains five plays by the author of the highly successful Adrian Mole books and includes her adaptation of the first book in the series. **Coward Plays: 1** Noël Coward, 2013-06-06 This first volume in the Coward Collection contains four plays written within a two-year period when Coward and the century were still in their 20s. The volume is introduced by Sheridan Morley, Coward's first biographer. Hay Fever, a comedy of bad manners, concerns a weekend with friends of the Bliss family who have all been invited independently for a weekend at their country house near Maidenhead. The Vortex was a controversial drama in its time, introducing drug addiction onto the stage at a time when alcoholism was barely mentioned. Fallen Angels, which is written for two star actresses, was described as degenerate, vile, obscene, shocking. The second half of the play is entirely taken up with an alcoholic duologue between the two women. Easy Virtue is an elegant, laconic tribute to a lost world of drawing room dramas; no other writer went more directly to the jugular of that moralistic, tight-lipped but fundamentally hypocritical 20s society. He is simply a phenomenon and one that is unlikely to occur ever again in theatre history. Terence Rattigan

**200 Plays for GCSE and A-Level Performance** Jason Hanlan, 2021-05-20 How do I choose a play to perform with my students that meets the curriculum requirements and also interests my class? What can I introduce my students to that they might not already know? If you're asking these questions, this is the book for you. Written specifically for drama teachers, this is a quick, easy-to-use guide to finding and staging the best performance material for the whole range of student abilities and requirements for 15-18 year olds. It suggests 200 plays suitable for students of all abilities and requirements, providing sound advice on selection and realisation and opening up plays and playwrights you may have never known existed. Structured in 2 parts, Part 1 consists of 8 easy-to-read chapters explaining how to get the most out of the resource. Part 2 is a vast resource listing 200 plays suitable for study performance at GCSE and A-Level. The details of each play are set out in an easy-to-navigate chart that offers introductory information on Play, Playwright, Casting numbers, Gender splits, Ability, Genre, description, Brief Summary, Exam level, Workshop ideas, Warnings, advice where necessary, Suggested scenes for study, Performance notes including lighting, sound, costume and space.

**Reid Plays: 1** Christina Reid, 1997 Reid's tragicomic plays are set in her native Belfast and chronicle the lives of working

class women men and their families caught up in the Troubles      Ten Tiny Fingers, Nine Tiny Toes Sue Townsend, 2014-02-17 A play by one of Britain's best selling writers Set in the year 2001 where the class system is numbered from one to five and only the upperclasses are allowed to breed Ten Tiny Fingers Nine Tiny Toes is about the births of a perfect but illegal class five baby and an imperfect government baby bought by a class three mother and exterminated at birth because of her nine toes compulsive viewing insanity is served up as common sense to sinister effect Kate Kellaway Observer      **Theatre West Four** John Anthony Nicholls, 2014-08-19 It was the best of times it was the best of times to paraphrase Dickens famous line That was the experience of the few youthful hopefuls who founded an amazing tradition all those years ago It was the experience too of the many who happened upon or sought out Theatre West Four and joined up to become faithful supporters and contributors It became for most of them the centre of their social activity and natural supplier of entertainment the highlight of each week Too strong a statement Read Tony Nicholl's wonderful discourse on the life and times of TW4 and discover more      True Confessions of Margaret Hilda Roberts Aged 14 1/4 Sue Townsend, 2013-05-02 Discover the brilliantly funny True Confessions of Margaret Hilda Roberts by Sue Townsend the funniest person in the world Caitlin Moran The Times Tuesday May 24th Had a lie in until 6am Then got out of bed and had a brisk rub down with the pumice stone I opened the curtains and saw that the sun was shining brightly A suspicion is growing in my mind that the BBC is not to be trusted Margaret Hilda Roberts is a rather ambitious 14 1/4 year old grocer's daughter from Grantham She can't abide laziness finds four hours of chemistry homework delightful and believes she is of royal birth or at least destined for great things But Margaret knows that good things never come to those who wait These are the secret diary entries of a girl born into an ordinary life yet who might just go on to become something really rather extraordinary and she is brilliantly brought vividly to life by bestselling author Sue Townsend Britain's favourite comic writer for over three decades Essential reading for Mole followers Times Educational Supplement Wonderfully funny and sharp as knives Sunday Times      **Women and Comedy** Susan Carlson, 2025-10-01 The first comprehensive study of its kind this book explores the contradictory connections between women and dramatic comedy Women and Comedy shows how a genre that has been used historically to restrict women's behavior is being reconfigured to express women's triumphs It thus redefines the assumptions with which both traditional comedy and contemporary women's plays are read and viewed Challenging a critical consensus that has seen comedy as a haven for female power Carlson argues that traditional comedy is deeply sexist welcoming strong women characters only because it can contain their power Through an analysis of a range of comedies by Shakespeare Congreve Maugham Shaw and Ayckbourn the author shows that even in these plays self consciously about liberated females women gain only a limited freedom a freedom that the endings of the plays work to negate This negotiation is seen to result in part from the comic structure itself which privileges a merely temporary inversion and an ultimate return to the status quo Carlson then examines the transitional work of three writers Aphra Behn Henry James and Ann Jellicoe

whose heroines follow an unorthodox trajectory through their comic worlds While the work of these writers clearly remains within the mainstream comic tradition the author notes in them a subtle departure most notably in their description of the heroine as subject rather than object which prefigures the full scale transformations of women in comedy by contemporary women writers The book then examines contemporary comedy that revises traditional comic structure at the same time as it explores fundamental social change In making her case for the difference of contemporary comedy by women Carlson examines the reformulations of structure and character and considers issues of community self and sexuality in a broad range of plays by individual playwrights and by the new women s theater collectives Women and Comedy is an important work for students of British drama and will appeal to theater practitioners critics feminist scholars and all those interested in the performing arts
