La Vida Es Un Sueno Minnie Lizette Rivas, 2015-10-26 When I first started writing Mom and Dads story I never thought that it would take so long to finish At first I just wanted to have Dads poems written down on paper I did that and then I decided to finally to make a song for each poem which I tried to do but I think that I didnt make a song for each poem The reason is that I wanted to send the story as soon as I could because I am old and am afraid that I might not be able to make the book if I kept on adding more and more to Mom and Dads story

Isle of Rum Christopher Chávez, 2024-09-13 Focusing on Havana Club rum as a case study *Isle of Rum* examines the ways in which Western cultural producers working in collaboration with the Cuban state have assumed responsibility for representing Cuba to the outside world Christopher Chavez focuses specifically on the role of advertising practitioners musicians filmmakers and visual artists who stand to benefit economically by selling an image of Cuba to consumers who desperately crave authentic experiences that exist outside of the purview of the marketplace Rather than laying claim to authentic Cuban culture Chavez explores which aspects of Cuban culture are deemed most compelling and therefore most profitable by corporate marketers As a joint venture between the Cuban state and Pernod Ricard a global spirits marketer based in Paris Havana Club embodies the larger process of economic reform which was meant to reintegrate Cuba into global markets during Cuba's Special Period in a Time of Peace
