## **Suffering God:**

**Does God Suffer?** Thomas Weinandy, 2000 The immense suffering in the modern world especially in the light of the Holocaust has had a profound impact on the contemporary **Is God to Blame?** Gregory A. Boyd, 2003-09-09 Wrestling with the question Is God to blame Gregory A Boyd offers a hopeful picture of a sovereign God who is relentlessly opposed to evil who knows our sufferings and who can be trusted to bring us through them to renewed life *Why Does God Allow Suffering?* Ralph O. Muncaster, 2001 Suffering Nothing causes people to question God's care and existence more deeply If God is loving why doesn't He stop the pain Turning to the Bible readers uncover God's nature and the role suffering plays

**God, Medicine, and Suffering** Stanley Hauerwas, 1994-12-12 Why does a good and all powerful God allow us to experience pain and suffering According to Stanley Hauerwas asking this question is a theological mistake Drawing heavily on stories of ill and dying children to illustrate and clarify his discussion of theological philosophical issues Hauerwas explores why we so fervently seek explanations for suffering and evil and he shows how modern medicine has become a god to which we look in vain for deliverance from the evils of disease and mortality *Where Is God When We Suffer?* Lynn Gardner, 2007 **The Mystery of God and Suffering** Kenneth R. Overberg SJ, 2020-01-07 Humans have long searched for an adequate answer to an age old question If God is good why do we suffer An entire book of the Bible Job is dedicated to the problem of God and human suffering Theologians across continents and centuries have debated the intricacies inconsistencies and assumptions the question elicits And of course many have turned to Jesus's own suffering and his horrible death at the cross in search of understanding All too often the resulting approaches to the mystery of suffering though linked to the Jewish and Christian Scriptures and traditions fail to satisfy contemporary hearts and minds The Mystery of God and Suffering draws guidance from the Gospel of John and the letters to the Colossians and the Ephesians and focuses on God's overflowing love in creation as a foundation for understanding Jesus's death and its implications for those who follow him This work offers an alternative vision one emphasizing incarnation over atonement for all those who find themselves uneasy or even oppressed by the notion of a vindictive God who demands the suffering and death of his son The Mystery of God and Suffering also speaks to a larger audience comprised of all those who suffer and search for meaning in their suffering With a focus on the eternal concepts of life and love that are not simply integral to but inseparable from a God who is good as well as on insights of believers through the ages The Mystery of God and Suffering offers wise guidance for our journey into the abyss of suffering The ^ACreative Suffering of the Triune God Gloria L. Schaab, 2007-10-18 Gloria Schaab proposes to respond to cosmic suffering with the recognition that the triune Christian God participates in the sufferings of the cosmos **Letters and Papers from Prison** Dietrich Bonhoeffer, Isabel Best, John W. de Gruchy, Lisa E. Dahill, 2010-06-01 Despite Dietrich Bonhoeffer's earlier theological achievements and writings it was his correspondence and notes from prison that electrified the postwar world six years after his death in 1945 The materials gathered and selected by

his friend Eberhard Bethge in Letters and Papers from Prison not only brought Bonhoeffer to a wide and appreciative readership especially in North America they also introduced to a broad readership his novel and exciting ideas of religionless Christianity his open and honest theological appraisal of Christian doctrines and his sturdy if sorely tried faith in face of uncertainty and doubt This splendid volume in many ways the capstone of the Dietrich Bonhoeffer Works is the first unabridged collection of Bonhoeffer's 1943-1945 prison letters and theological writings Here are over 200 documents that include extensive correspondence with his family and Eberhard Bethge much of it in English for the first time as well as his theological notes and his prison poems The volume offers an illuminating introduction by editor John de Gruchy and an historical Afterword by the editors of the original German volume Christian Gremmels Eberhard Bethge and Renate Bethge

*Suffering and God's Redemptive Love* Parrish W. Jones, 2014-05-01 Suffering and God's Redemptive Love resulted from conversations Dr Jones had with his wife during her final painful days of dying from cancer Through the Bible they were able to find redemption in the midst of the suffering Jones emphasizes the Jewish Christian theme of Immanuel God with us the Christian theme of incarnation Jones brings out the grand narratives of the biblical literature focusing on personal suffering and God's engagement with us in our suffering to deal with the common conceptions of why people suffer how Job shatters those views the way in which God comes to us suffers with us suffers for us and takes us beyond suffering The final chapter deals with God's Redemptive Love and Ministry to the Suffering seeking to give practical application of the themes of the book Jones added an Epilogue dealing with suffering communities based on his engagement with persons living in extreme poverty in Mexico and Colombia growing out of the testimonies of the people

**Does God Suffer?** Thomas Weinandy O.F.M., 2000-02-15 The immense suffering caused by sin and evil within the modern world especially in the light of the Holocaust has had a profound impact on the contemporary understanding of God and his relationship to human suffering Since the early part of this century there has been a growing consensus among theologians that God himself within his divine nature suffers in solidarity and love with those who suffer This present theological position contradicts the traditional Christian understanding of almost two thousand years that God is impassible and so does not experience negative emotional states such as suffering Thomas Weinandy O.F.M. resolutely challenges this contemporary view of God and suffering Calling upon scripture and the philosophical and theological tradition of the Fathers and Aquinas Weinandy creatively and systematically addresses all of the contemporary concerns He strongly advocates the incarnational truth that the Son of God actually does experience as man all that pertains to living an authentic human life and so does indeed suffer This book is both a challenge to much received contemporary philosophical and theological wisdom and a scholarly original and refreshing account of the Christian Gospel It is one of the most comprehensive Christian presentations of God and human suffering available today

*Why Does God Allow Suffering?* United Church of God, 2010-08-20 If God is truly a God of love and mercy why does He not intervene Some have concluded that God simply doesn't exist The answer however is much more complex

Pool,2009-01-01 This book constitutes the first volume of a three volume study of Christian testimonies to divine suffering God s Wounds Hermeneutic of the Christian Symbol of Divine Suffering Divine Vulnerability and Creation This study first develops an approach to interpreting the contested claims about the suffering of God Thus the larger study focuses its inquiry into the testimonies to divine suffering themselves seeking to allow the voices that attest to divine suffering to speak freely to discover and elucidate the internal logic or rationality of this family of testimonies rather than defending these attestations against the dominant claims of classical Christian theism that have historically sought to eliminate such language altogether from Christian discourse about the nature and life of God Through this approach this volume of studies into the Christian symbol of divine suffering then investigates the two major presuppositions that the larger family of testimonies to divine suffering normally hold an understanding of God through the primary metaphor of love God is love and an understanding of the human as created in the image of God with a life though finite analogous to the divine life the imago Dei as love When fully elaborated these presuppositions reveal the conditions of possibility for divine suffering and divine vulnerability with respect to creation      Divine Suffering Andrew J. Schmutzer,2023-02-22 Divine Suffering is an interdisciplinary study that draws from systematics philosophy biblical theology and pastoral experience In addition to covering topics like the suffering of the Father in the Son and God s cruciform vulnerability this book also explores how divine suffering animates the Christian gospel and resonates in the ongoing persecution of believers The study of the suffering God has everything to do with Theology History and Church Mission Like exploring a cathedral from all its entrances both scholars and seekers will find ample opportunity for theological challenge biblical insight and missional hope To accomplish this both Scripture and doctrine are closely investigated Today divine suffering must face the contemporary realities of protest atheism escalating wars new studies in relational theology and dialogical personhood that presses the need to explain a Christian message about the kind of God who is not only transcendent but also personal Divine Suffering introduces us to the history of God not just the God of history In this study we meet a God available to our pain though not diminished by it

Mounting forms of grief need to be met with an equally pastoral understanding that validates suffering without valorizing it

**Suffering - a Biblical Study** Charles P. Arnold Jr. Ph.D., 2008-08-08 Arnold brings to the delicate subject of suffering a model which partitions it into four classes Each is defined by the faith and obedience of the individual and whether the suffering is the result of the sufferer or of forces external to the sufferer Scripture alone is used as the sole basis for this model Arnold also introduces a theology of Synergy based upon a translation of the Greek text of Romans 8 28 from ancient manuscripts This theology is used to explain how God uses the suffering of the Christian to bring about good within the universal church Still another of the many novel explanations in this book which should aid the reader's understanding of suffering is the author's use of the python spirit Taken from the book of Acts the reader finds herein how temptation was introduced into the Garden which brought about the Fall of Mankind Besides all the new ways of thinking about suffering packed into these few pages Arnold also provides ideas on how one may manage their suffering through prayer meditation and community This sensitive topic is supported throughout with verses from Scripture Everyone who suffers will find strength and encouragement in God's word as explained in **Suffering A Biblical Study**

**God's Wounds: Hermeneutic of the Christian Symbol of Divine Suffering, Volume Two** Jeff B. Pool, 2010-01-01 This book constitutes the second volume of a three volume study of Christian testimonies to divine suffering **God's Wounds Hermeneutic of the Christian Symbol of Divine Suffering vol 2** Evil and Divine Suffering The larger study focuses its inquiry into the testimonies to divine suffering themselves seeking to allow the voices that attest to divine suffering to speak freely then to discover and elucidate the internal logic or rationality of this family of testimonies rather than defending these attestations against the dominant claims of classical Christian theism that have historically sought to eliminate such language altogether from Christian discourse about the nature and life of God This second volume of studies proceeds on the basis of the presuppositions of this symbol those implicit attestations that provide the conditions of possibility for divine suffering that which constitutes divine vulnerability with respect to creation as identified and examined in the first volume of this project an understanding of God through the primary metaphor of love God is love and an understanding of the human as created in the image of God with a life though finite analogous to the divine life the imago Dei as love The second volume then investigates the first two divine wounds or modes of divine suffering to which the larger family of testimonies to divine suffering normally attest 1 divine grief suffering because of betrayal by the beloved human or human sin and 2 divine self sacrifice suffering for the beloved human in its bondage to sin or misery to establish the possibility of redemption and reconciliation Each divine wound thus constitutes a response to a creaturely occasion The suffering in each divine wound also occurs in two stages a passive stage and an active stage In divine grief God suffers because of human sin betrayal of the divine lover by the beloved human divine sorrow as the passive stage of divine grief and divine anguish as the active stage of divine grief In divine self sacrifice God suffers in response to the misery or bondage of the beloved human's infidelity divine travail focused on the divine incarnation

in Jesus of Nazareth as the active stage of divine self sacrifice and divine agony focused on divine suffering in the crucifixion of Jesus of Nazareth as the passive stage of divine self sacrifice
