The Power Choice Choosing Abundance In A Changing World:

The Power Choice Elmo Hooser, 1990-06-01 *Summary of The Paradox of Choice* SellWave Audio, 2025-10-28 Whether we're buying a pair of jeans ordering a cup of coffee selecting a long distance carrier applying to college choosing a doctor or setting up a 401 k everyday decisions both big and small have become increasingly complex due to the overwhelming abundance of choice with which we are presented As Americans we assume that more choice means better options and greater satisfaction But beware of excessive choice choice overload can make you question the decisions you make before you even make them it can set you up for unrealistically high expectations and it can make you blame yourself for any and all failures In the long run this can lead to decision making paralysis anxiety and perpetual stress And in a culture that tells us that there is no excuse for falling short of perfection when your options are limitless too much choice can lead to clinical depression In *The Paradox of Choice* Barry Schwartz explains at what point choice the hallmark of individual freedom and self determination that we so cherish becomes detrimental to our psychological and emotional well being In accessible engaging and anecdotal prose Schwartz shows how the dramatic explosion in choice from the mundane to the profound challenges of balancing career family and individual needs has paradoxically become a problem instead of a solution Schwartz also shows how our obsession with choice encourages us to seek that which makes us feel worse By synthesizing current research in the social sciences Schwartz makes the counterintuitive case that eliminating choices can greatly reduce the stress anxiety and busyness of our lives He offers eleven practical steps on how to limit choices to a manageable number have the discipline to focus on those that are important and ignore the rest and ultimately derive greater satisfaction from the choices you have to make *Stones Would Cry Out* Rev. Ellen Wallace Douglas, 2018-07-17 These essays are a continuation of the lessons taught by Archangel Gabriel as they have impacted Rev Douglass life They are short because in our busy world most people have developed short attention spans An essay of this length can be read in a short time Hopefully they will bring the reader to a better understanding of life as it should be lived guided by the Holy Spirit **THE POWER OF THE YOKES** Carlton Foster, 2024-06-26 *THE POWER OF THE YOKES* allows you to tap into deeply hidden emotions and gives you a new perspective on how the enemy can entrap you Every unconfessed sin creates an open door for you to be yoked by Satan It teaches you that God may not spare you from pain but He will never abandon you God uses your pain to mold you and prepare you for a harvest This book reassures you never to give up and that even when it seems like God is silent He is holding you in the palm of His hands When you are yoked you are only a shadow of who God says you are The things that yoke you do not define you but build character in you Everything that happens to you as a child affects and carries through the rest of your adult life The Man Who Can Change the World Through Education Pravin Bhatia, 2016-09-06 The word education comes from the Latin word educare which means to draw out information ideas and excellence from students But most teachers pump information into students and the results have not been pretty Many
