People Para Paheer,2017-11-01 Para was barely five years old when civil war erupted in Sri Lanka Nearly three decades later it ended in appalling horror and bloodshed Tens of thousands of innocent civilians died Survival required courage ingenuity and the kindness of strangers This is Para s story of survival against all odds In May 2009 Sri Lanka s long and dreadful civil war was finally brought to an horrific end Ruthlessly driven to a small strip of land on the tip of the island s north east coast tens of thousands of innocent civilians died smashed by artillery killed by snipers denied medical treatment and starved to death beneath the baking sun This ferocious battle consolidated and highlighted the terrors of the preceding twenty six years of war characterised by vicious murders and desperate acts from both sides where civilians were bombarded kidnapped raped and tortured with impunity In such a vicious war was there any room for humanity Para Paheer s story could be one of tens of thousands except that he lived to tell the world of the horrors but more importantly to record and pay tribute to those courageous people without whom he would probably not be alive I know that I would not have survived without help from many people Many put themselves in danger and at least one person died for me It s time for me to remember them and to thank them all the good people who helped me through those terrifying times when life was hard and

survival often only a matter of chance While in Christmas Island Detention Centre Para became penfriends with Alison Corke a member of the Apollo Bay branch of Rural Australians for Refugees in Victoria On his release from detention in 2011 Para moved in with the Corke family From our first letters exchanged while Para was in detention and trying to improve his English I knew he was an exceptional young man with an astonishing tale to tell I am proud to be helping him share his story and to find and thank those people who helped him survive often against massive odds Time and again Para and I agreed that it is the little things that matter most those small often unremembered acts of kindness that can change someone s world We all have the power to do something only we can choose whether to use that power for the good

The Power of a Story Rev. James W. Moore, 2014-08-05 In this book popular author

James W Moore talks about the power of a story such as those told by Jesus in the Bible The author recalls I would be sitting there in the sanctuary of our church doing what young boys do in church drawing pictures on the back of the bulletin working puzzles looking constantly at Granny s watch wishing the seconds hand would move faster daydreaming about sports kicking my feet in the air impatiently counting the organ pipes And then the preacher would start telling a story and I was hooked He had my full attention I couldn t wait to hear the story Jesus knew the importance of telling stories to convey a message or a Biblical truth and used this technique often when speaking or ministering to others throughout the Bible in the form of parables Stories are a natural way to give detail and perspective while teaching an important point
