Adam Fox, Daniel Woolf

The Presence Of The Word Some Prolegomena For Cultural Religious History:

The Presence of the Word Walter J. Ong, 1967-01-01 This provocative exploration of the nature and history of the word in some of its social psychological literary phenomenological and religious dimensions argues that the word is initially aural and in the last analysis always remains sound it cannot be reduced to any other category Father Ong contends that sound is essentially an event manifesting power and personal presence and his descriptive analysis of the development of the media of verbal expression from their oral sources through the laborious transfer to the visual world and then to contemporary means of electronic communication shows that the predicament of the human word is the predicament of man himself Examining the close alliance of the spoken word with the sense of the sacred particularly in the Hebreo Christian tradition he reveals that in a world where presence has penetrated time and space as never before modern man must find the God who has given himself in the Word which brings man more into the world of sound than of sight

The Presence of the Word Walter Jackson Ong, 1981 **The Presence of the Word; Some Prolegomena for Cultural and Religious History, by Walter J. Ong** Walter J. Ong, 1967

The spoken word Adam Fox, Daniel Woolf, 2018-07-30 Discusses the transition from a largely oral to a fundamentally literate society in the early modern period During this period the spoken word remained of the utmost importance but development of printing and the spread of popular literacy combined to transform the nature of communication Examines English Scottish and Welsh Oral culture to provide the first pan British study of the subject Covers several aspects of oral culture ranging from tradition to memories of the civil war to changing mechanics for the settling of debts The time span concentrates on the period 1500 1800 but includes material from outside this time frame covering a longer chronological span than most other studies to show the link between early modern and modern oral and literate cultures An electronic edition of this book is freely available under a Creative Commons CC BY NC ND licence

The Cosmic Republic A. Capizzi, 2022-04-19 According to Aristotle philosophy had come into being in the VIth century with Thales just as a mere disinterested pursuit of truth a curiosity for great problems those even tually called metaphysical ones which were substantially identical with those which Aristotle himself and his school were now raising This abstract reading is very similar to that which views Greek poets as inspired by eternal beauty or by art s for art sake and which is nowadays completely discredited and given up by scholars of the history of literature Against this view the present text pro poses a new reading of the archaic presocratic scientists in fact it is about those sages who lived on the bound aries of the Greek speaking world before the concentration of such people in Periclean Athens They were closely linked to their native towns Miletus Ephesus Croto Vele Acragas where they held high office here there oral teaching and the public reading of their texts were followed closely by their fellow citizens Thus the picture of the cosmic republic arises to the cosmic monarchy of Homer and Hesiod the mythical world with Zeus as the king gods as the ministers and nature as the subject a different mythical world succeeds Here the earth the sea the sky the human body and generally the existing thing all behave like isonomic republican

towns or like the governing body of these towns Philosophy will arise later in Athens of the Vth century **Sound Effects: The Object Voice in Fiction** ,2015-09-01 Sound Effects combines literary criticism and psychoanalytic theory in eleven original articles which explore the potential of the object voice as an analytic tool to approach fiction Alongside the gaze the voice is Jacques Lacan s original addition to the set of partial objects of classical psychoanalysis and has only recently been theorised by Mladen Dolar in A Voice and Nothing More 2006 With notable exceptions like Garrett Stewart s Reading Voices 1990 the sonorous element in fiction has received little scholarly attention in comparison with poetry and drama Sound Effects is a contribution to the burgeoning field of sound studies and sets out to fill this gap through selective readings of English and American fiction of the last two hundred years Contributors Fred Botting Natalja Chestopalova Mladen Dolar Matt Foley Alex Hope Phillip Mahoney Sylvia Mieszkowski Jorge Sacido Romero Marcin Stawiarski Garrett Stewart Peter Weise and Bruce Wyse *The Politicization of Islam* Kemal H. Karpat,2001 This book analyzes the transformation of the Ottoman Empire over the 19th and 20th centuries It focuses on Muslim revivalist fundamentalist movements which were contained by the Ottoman government s Islamist ideology and whose ideas fuelled a new kind of nationalist religious ideology

Women, Writing, and the Theater in the Early Modern Period Annette Kreis-Schinck,2001 The previous revolutionary period in England had changed the nation enough for women s participation in all areas of society politics and religion to become feasible and visible This emergent visibility gave them a chance to become actresses after 1661 and sparked their desire to offer contributions to the public stage after 1669 BOOK JACKET *Marking the Church* Greg Peters,Matt Jenson,2016-12-09 More than one person has joked over the years that Evangelical believers do not have an ecclesiology In one sense that is absurd Evangelical churches especially if you include Pentecostals in that group are some of the fastest growing most vibrant churches in the world Evangelicals are proclaiming the gospel praising the Lord reading the Bible and loving the poor But there is a case to be made that the Evangelical devotion to the mission of the church has left Evangelicals with little time to reflect on the church itself In this collection of essays first given at annual meetings of the Evangelical Theological Society the authors take time to reflect on the nature of the church in an Evangelical context asking after the way in which it is one holy catholic and apostolic **The Fourth Gospel in First-Century Media Culture** Anthony Le Donne,Tom Thatcher,2013-05-03 Werner Kelber s The Oral and the Written Gospel substantially challenged predominant paradigms for understanding early Jesus traditions and the formation of written Gospels Since that publication a more precise and complex picture of first century media culture has emerged Yet while issues of orality aural performance and mnemonics are now well voiced in Synoptic Studies Johannine scholars remain largely unaware of such issues and their implications The highly respected contributors to this book seek to fill this lacuna by exploring various applications of orality literacy memory and performance theories to the Johannine Literature in hopes of opening new avenues for future discussion Part 1 surveys the scope of the field by introducing the major themes of ancient media studies and noting their applicability

to the Fourth Gospel and the Johannine Epistles Part 2 analyzes major themes in the Johannine Literature from a media perspective while Part 3 features case studies of specific texts Two responses by Gail O Day and Barry Schwartz complete the volume

The Presence Of The Word Some Prolegomena For Cultural Religious History Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Presence Of The Word Some Prolegomena For Cultural Religious History has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Presence Of The Word Some Prolegomena For Cultural Religious History has opened up a world of possibilities. Downloading The Presence Of The Word Some Prolegomena For Cultural Religious History provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Presence Of The Word Some Prolegomena For Cultural Religious History has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Presence Of The Word Some Prolegomena For Cultural Religious History. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Presence Of The Word Some Prolegomena For Cultural Religious History. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers,

and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Presence Of The Word Some Prolegomena For Cultural Religious History, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Presence Of The Word Some Prolegomena For Cultural Religious History has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
