The Priest In Union With Christ:

The Priest in Union with Christ Reginald Garrigou-LaGrange, 2010-06 In The Priest in Union with Christ the famous Thomistic theologian Fr Garrigou Lagrange O P expounds in a disciplined manner upon the specific holiness of the priesthood and the supernatural fruitfulness of the priestly apostolate Steeped in Sacred Scripture St Thomas Aquinas and other traditional Catholic sources the author presents the classic Catholic traditions on the priestly vocation traditions which many seminarians and young priests today may have never even heard of Impr 264 pgs PB The Priest in Union with Christ R. Garrigou-Lagrance, Rev R Garrigou-Lagrance Op, 2015-03-14 In this new work The Priest in Union with Christ the spiritual life of a priest and his special priestly functions are considered with a view to underlining the following three points In the first place the priest of to day no less than his counterpart of yesterday must never forget for one moment the words spoken by Christ Make it your first care to find the kingdom of God and his approval and all these things i e food and clothing shall be yours without the asking Matt vi 33 In other words the end of all our endeavours must not be a mere earthly happiness for the human race freed from every form of oppression but eternal life the Kingdom of God True it is the final thing to be obtained but it must always be the foremost of all our intents and purposes A certain amount of temporal well being will help us along the road towards eternal life but it must always be subordinate to the final end The second point I want to emphasize in the course of this work is that Christ the Saviour and high priest of mankind came on earth for the special purpose of revealing God s love for his creatures who stood in need of redemption He came so that they may have life and have it more abundantly to put within their grasp the perfect life of eternity as the full flowering of sanctifying grace the seed of glory This abundant life is f l r and away superior to any earthly happiness and begins for the faithful follower of Christ even here amidst the difficulties of his present life in the following way although the communist is violently opposed to such an idea Blessed are the poor in spirit the patient those who mourn blessed are the merciful the clean of heart the peace makers and even those who suffer persecution in the cause of right These have received already an abundance of life as the prelude to eternal life And thirdly I want to point out that Christ desires to live in us as his members especially in his priests as a means of showing God s love for men in their need of salvation Therefore the priest should never forget to live day in and day out and at every moment of the day in an ever deepening union with Christ whether he is celebrating Mass hearing confessions directing souls or preaching so that in all his work he is another Christ the minister of Christ Never should he be a mere functionary of the Church since Christ himself has that ardent desire to live in him for his own sanctification and for the salvation of souls *The priest in union with Christ* Réginald Garrigou-Lagrance, 1961 **Man of God: The Catholic Priest and the Cornerstones of His Life** Bishop Athanasius Schneider, 2024-07-01 In this timely work dedicated to invigorating the heart of every priest Bishop Athanasius Schneider draws upon the wisdom of Scripture the Fathers and Doctors of the Church and other great spiritual writers to bear witness to the gift of the priesthood Man of God The Catholic

Priest and the Cornerstones of His Life provides rich reflections on the great loves of the priest God the Catholic faith the priesthood of Christ the salvation of souls humility chastity the Cross the Holy Mass the tabernacle the confessional the holy angels and the Blessed Virgin Mary Prayerful consideration of Man of God will undoubtedly foster a deeper love for the spiritual treasures of the priesthood and rekindle in all priests the embers of desire that first drew them toward their holy vocation

The Priesthood of All Believers and the Missio Dei Henry Joseph Voss, 2016-10-25

The priesthood of all believers is a pillar undergirding Protestant ecclesiology Yet the doctrine has often been used to serve diverse agendas This book examines the doctrine s canonical catholic and contextual dimensions It first identifies the priesthood of all believers as a canonical doctrine based upon the royal priesthood of Christ and closely related to the believer s eschatological temple service and offering of spiritual sacrifices chapters 1 3 It secondly describes its catholic development by examining three paradigmatic shifts shifts especially associated with Christendom chapters 4 6 and a suppression of the doctrine s missional component Finally the book argues that a Christian doctrine of the priesthood of all believers should be developed with a Christocentric Trinitarian understanding of the missio Dei This suggests there are especially appropriate ways for the royal priesthood to relate to the Father to the Son and to the Holy Spirit A canonically and catholically informed priesthood of all believers leads contextually to particular ecclesial practices These seven practices are 1 Baptism as public ordination to the royal priesthood 2 Prayer 3 Lectio Divina 4 Ministry 5 Church Discipline 6 Proclamation and 7 the Lord s Supper as the renewal of the royal priesthood

Union with Christ is an important theological and practical concept that has received considerable attention in recent years But not much consideration has been given to this union and its benefits in light of Jesus s resurrection and ascension In this follow up to his monumental A New Testament Biblical Theology G K Beale summarizes and expands on that work with an eye to fleshing out the theological implications of the resurrection and ascension Beale explains that Christ s resurrection and ascension place him as the beginning of the eschatological fulfillment of the new creational kingdom Specifically Christ is the fulfillment of a cluster of nineteen Old Testament end time expectations These eschatological realities attributed to Christ are imprinted on believers through their dynamic union and identification with him Through careful exegesis Beale explores these facets and deliberately draws out important practical applications for everyday Christian living in the overlap of the old creation and the new Students of the New Testament will benefit from this important contribution to New Testament theology
