The Priest Of Midian:

The Victor Journey Through the Bible Victor Gilbert Beers,1996 A unique book that explores 250 famous Bible stories each accompanied by intriguing background information photography maps and vibrant full color illustrations An Ark on the Nile Keith Bodner,2016-07-21 The opening sector of the book of Exodus is a powerful narrative and a striking example of the artistic qualities of the Pentateuch a facet of the text that occasionally is neglected in high level scholarship Exodus 1 2 is finely choreographed work that compresses a vast amount of material onto a limited textual canvas creating a story that appeals to readers of every age Resuming where the book of Genesis leaves off the last image of Genesis 50 is a coffin in Egypt primed for a sequel the first two chapters of Exodus combine a fast moving plot with some unique shades of characterization Israel s growth in Egypt the rise of a malevolent new king the birth of a hero and early experiences of adversity for the main character in the story to come The burden of slavery and miracle of salvation are introduced in this sector of text and become paradigmatic examples of divine redemption that reverberate throughout the Hebrew Bible and beyond An Ark on the Nile The Beginning of the Book of Exodus is a close reading of Exodus 1 2 that analyzes the story as a reasonably self contained unit but suggesting that major plot movements in the book of Exodus are foreshadowed and anticipated here Applying a number of insights from literary theory Keith Bodner offers an illustration of further integration of biblical studies with cross disciplinary narrative interpretation *Dr. William Smith's Dictionary of the Bible...* William Smith,1870 The Blood Husband Andries Lievaart,2020-05-31 In this remarkable book Andries Lievaart explains that the story of the Blood Husband as mentioned in Exodus 4 can only be understood by studying the undiscovered forty years Moses spent in the land of Midian No other researcher of the Bible has succeeded in expressing in a clear way what happened in that period in the life of Moses in the life of his wife Zipporah and in the life of father in law Jethro The reader is so to speak taken into the lives of these three protagonists and will be astonished time after time The heart of many Christians will beat faster when reading the undiscovered biblical story about the Blood Husband **The Biblical World** William Rainey Harper,Ernest DeWitt Burton,Shailer Mathews,1906 Books for New Testament study By Clyde Weber Votaw v 26 p 271 320 v 37 p 289 352 **Exodus 18** Noppawat Kumpeeroskul,2024-07-05 This work argues that Exod 18 1 27 functions literarily and theologically as the key transitional midpoint in the Exodus narrative As such the chapter s function is both retrospective recalling key features of chapters 1 17 and prospective anticipating key features of chapters 19 40 at the midpoint of the book In the Exodus narrative the character of Jethro is rhetorically employed by the narrator as a model to contrast with all the nations and as a model to contrast with all the faithless Israelites Exodus 18 draws to a close a first narrative movement in the first half of the book in which Yahweh is seen and known through his mighty acts of deliverance Through Moses Yahweh delivers Exodus 18 also signals a shift in the second half of the book to a self revelation of Yahweh which will feature Israel s need to heed the word and will of Yahweh as mediated through Moses Through Moses Yahweh will govern

Freemason's Monthly, 1872 **The Invention of God** Thomas Römer, 2015-12-14 Who invented God When why and where Thomas Römer seeks to answer these questions about the deity of the great monotheisms Yhwh God or Allah by tracing Israelite beliefs and their context from the Bronze Age to the end of the Old Testament period in the third century BCE That we can address such enigmatic questions at all may come as a surprise But as Römer makes clear a wealth of evidence allows us to piece together a reliable account of the origins and evolution of the god of Israel Römer draws on a long tradition of historical philological and exegetical work and on recent discoveries in archaeology and epigraphy to locate the origins of Yhwh in the early Iron Age when he emerged somewhere in Edom or in the northwest of the Arabian peninsula as a god of the wilderness and of storms and war He became the sole god of Israel and Jerusalem in fits and starts as other gods including the mother goddess Asherah were gradually sidelined But it was not until a major catastrophe the destruction of Jerusalem and Judah that Israelites came to worship Yhwh as the one god of all creator of heaven and earth who nevertheless proclaimed a special relationship with Judaism A masterpiece of detective work and exposition by one of the world's leading experts on the Hebrew Bible *The Invention of God* casts a clear light on profoundly important questions that are too rarely asked let alone answered
