Shakespeare Association of America

The Prince And The Wild Geese:

The Prince and the Wild Geese Brigid Brophy, 1983-01-01 **Xuanhe Catalogue of Paintings**, 2019-05-31 Xuanhe Catalogue of Paintings is the first complete translation of the well known document produced at the court of Emperor Huizong r 1100 1125 Dated to 1120 the Catalogue is divided into ten categories of subject matter Under Daoist and Buddhist Subjects Figural Subjects Architecture Barbarian Tribes Dragons and Fish Landscape Domestic and Wild Animals Flowers and Birds Ink Bamboo and Vegetables and Fruit are biographies of 231 painters ranging from famous early masters such as Wu Daozi ca 685 758 and Li Cheng 919 967 to otherwise unknown artists of the Song dynasty court including fourteen eunuch officials and sixteen male and female members of the royal family Titles of their pictures held in the palace collection are listed for each artist These 6 396 paintings testify to the visual culture experienced by viewers of the twelfth century The author s Introduction analyzes the Catalogue as a source of evidence about the formation of the Song dynasty palace collection and argues that the majority of its pictures were already in the collection before Huizong s reign as a result of conquest confiscation tribute gift culture collecting by earlier emperors and the production of academy artists and regular officials at the Song court Under Huizong s reign around a thousand other pictures were added to the Catalogue through acquisition and reattribution Open access edition funded by the National Endowment for the Humanities Imagining Time in the English Chronicle Play Marissa Nicosia, 2023-09-15 Imagining Time in the English Chronicle Play Historical Futures 1590 1660 argues that dramatic narratives about monarchy and succession codified speculative futures in the early modern English cultural imaginary This book considers chronicle plays plays written for the public stage and play pamphlets composed when the playhouses were closed during the civil wars in order to examine the formal and material ways that playwrights imagined futures in dramatic works that were purportedly about the past Through close readings of William Shakespeare s 1 2 Henry IV Richard III Shakespeare s and John Fletcher s All is True Samuel Rowley s When You See Me You Know Me John Ford s Perkin Warbeck and the anonymous play pamphlets The Leveller s Levelled 1 2 Craftie Cromwell Charles I and Cromwell s Conspiracy the volume shows that imaginative treatments of history in plays that are usually associated with the past also had purchase on the future While plays about the nation s past retell history these plays are not restricted by their subject matter to merely document what happened Playwrights projected possible futures in their accounts of verifiable historical events The Art of War in Twenty Battles Anthony Tucker-Jones, 2018-04-02 The second millennium of mankind has been characterised by almost incessant warfare somewhere on the face of the globe The Art of War in Twenty Battles serves as a snapshot of the development of warfare over the past 1 000 years illustrating the bravery and suffering mankind has inflicted upon itself in developing what we call the Art of War Here military historian Anthony Tucker Jones selects twenty battles that illustrate the changing face of warfare over the past thousand years from the Viking shield wall to long bows and knights the emergence of gunpowder and finally the long range faceless warfare of today This is

a look at the killing game and its devastating impact **The Life of Sir John Falstaff** Robert B. Brough, 1858 The Life of Sir John Falstaff Robert Barnabas Brough, 1858 The plan of this work is to illustrate the life of Sir John Falstaff exclusively from the most striking passages in his career as invented by Shakespeare Preface The Film Daily Directors' Annual and Production Guide , 1929 **The Shakespeare Association Bulletin** Shakespeare Association of America, 1924 Includes list of members v 1 3 *All The King's Men* Saul David, 2012-02-02 Saul David s All The King s Men is a thrilling history of the British Redcoat from the English Civil War to Waterloo Between 1660 and 1815 British supremacy on foreign soil was near total Central to this success was the humble redcoat soldier who showed heroism in battle and stoicism in peace despite appalling treatment This is their story of brutal discipline and inedible food of loyalty and low pay of barracks and battlefield of victory defeat life and death Praise for All The King s Men An extraordinary story packed with drama incident and great characters All The King s Men is all you could hope for Quite an achievement Patrick Bishop Country Life A heady mixture of heroism incompetence devilish tactics and plain good luck Sunday Times Filled with swashbuckling derring do the reek of blood and gunpowder combined with shrewd analysis of power war and psychology Simon Sebag Montefiore Saul David is Professor of War Studies at the University of Buckingham and the author of several critically acclaimed books including The Indian Mutiny 1857 Zulu and most recently Victoria s Wars The Rise of Empire He recently presented Bullets Boots and Bandages for BBC 4 and is a regular contributor to Radio 4 *Sutra of the Wise and the Foolish* , 2006-01-01 One of the great treasures of Buddhist literature is mDo mdzangs blun or the Sutra of the Wise and the Foolish as it is known to the Mongols The text was translated to Mongolian from Tibetan as the ligern Dalai or Ocean of Narratives It is one of the most interesting enjoyable and readable Buddhist scriptures For centuries it has been an inexhaustible source of inspiration instruction and pleasure for all who have been able to read it The history of this unusual scripture is still uncertain Legend has it that the tales were heard in Khotan by Chinese monks who translated them but from what language into Chinese from which it was translated into Tibetan then into Mongolian and Oirat The Narratives are Jatakas or rebirth stories tracing the causes of present tragedy in human lives to events which took place in former lifetimes The theme of each narrative is the same the tragedy of the human condition the reason for this tragedy and the possibility of transcending it But unlike Greek tragedy Buddhist tragedy is never an end in itself i e a catharsis but a call to transcend that which can be transcended and need not be endlessly endured The people we meet in the Sutra of the Wise and the Foolish although supposedly living in the India of the Buddha s time might also be living at present in New York City a small rural town or Leningrad and the problems they face are the same problems that men have had to face always and everywhere Herein lies the timeless appeal of this profound Buddhist scripture
