The Private Eye In Hammett And Chandler:

The Private Eye in Hammett and Chandler Robert B. Parker,1984 Which Way Did He Go? Edward Margolies,1982 Which Way Did He Go? Edward Margolies,1982 Private Eyes Robert Allen Baker,Michael T. Nietzel,1985 Private Eyes is the complete map to what Raymond Chandler called the mean streets the exciting world of the fictional private eye It is intended to entertain current PI fans and to make new ones *Booze and the Private Eye* Rita Elizabeth Rippetoe,2015-01-24 The hard bitten PI with a bottle of bourbon in his desk drawer it s an image as old as the genre of hard boiled detective fiction itself Alcohol has long been an important element of detective fiction but it is no mere prop Rather the treatment of alcohol within the works informs and illustrates the detective s moral code and casts light upon the society s attitudes towards drink This examination of the role of alcohol in hard boiled detective fiction begins with the genre s birth in an era strongly influenced and affected by prohibition and follows both the genre s development and its relation to our changing understanding of and attitudes towards alcohol and alcoholism It discusses the works of Dashiell Hammett Raymond Chandler Mickey Spillane Robert B Parker Lawrence Sanders Marcia Muller Karen Kijewski and Sue Grafton There are bibliographies of both the primary and critical texts and an index of authors and works *Hollywood Through Private Eyes* Philip Kiszely,2006 Revision of the author s thesis Ph D University of Manchester 2003 *A Critical Rationalist Aesthetics* Joseph Agassi,Ian Charles Jarvie,2008 This book is a first attempt to cover the whole area of aesthetics from the point of view of critical rationalism It takes up and expands upon the more narrowly focused work of E H Gombrich Sheldon Richmond and Raphael Sassower and Louis Ciccotello The authors integrate the arts into the scientific world view and acknowledge that there is an aesthetic aspect to anything whatsoever They pay close attention to the social situatedness of the arts Their aesthetics treats art as emerging from craft in the form of luxurious and playful challenge to the audience In developing it they place emphasis on the number of questions and claims that can be settled by appeal to empirical facts on the historical character of aesthetic judgements and on the connection of aesthetic truth to true love and true friendship i e fidelity and integrity not to informative truth **Enjoy Your Symptom!** Slavoj Žižek,2001-03-28 The title is just the first of many startling asides observations and insights that fill this guide to Hollywood on the Lacanian psychoanalyst s couch a thrilling guide to cinema and psychoanalysis from the last giant of cultural theory in the twenty first century **New Hard-boiled Writers, 1970s-1990s** LeRoy Lad Panek,2000 With an eye toward the origins and development of the hard boiled story LeRoy Lad Panek comments both on the way it has changed over the past three decades and examines the work of ten significant contemporary hardboiled writers Chapters show how the new writers have used the hard boiled story and the hard boiled hero to make powerful statements about reality in the last quarter of the twentieth century **BOOK JACKET**

The Big Somewhere Steven Powell,2018-07-12 James Ellroy s identity as a crime writer is rooted in his extraordinary life story and relationship with his home city of Los Angeles Beginning with the unsolved murder of his mother Geneva Hilliker

Ellroy in 1958 Ellroy's early life played a large role in shaping his obsessions with murder the criminal underworld of L A and the redemptive power of the feminine Ellroy's life could be seen as a brutal visceral and emotionally exhausting realisation of the American Dream a theme he has explored in his writing to the extent that he is credited with reinventing crime fiction

The Big Somewhere Essays on James Ellroy's Noir World is an in depth scholarly study of the work of James Ellroy featuring leading Ellroy scholars such as Anna Fl gge Jim Mancall and Rodney Taveira Moving from Ellroy's early detective novels to his later epic works of historical fiction it explores how Ellroy found his place in the history of the genre by building on and then surpassing the works of authors who influenced him such as Dashiell Hammett Raymond Chandler and Joseph Wambaugh It also examines Ellroy's impact on contemporary writers and on the cultural perception of L A which has been his legacy through the L A Quartet novels The Big Somewhere is not a geographical location but a conglomeration of the cinematic historical and fictional worlds that influenced Ellroy from film noir to the Kennedy era in American politics and on which he in turn has left his mark
